## THE D. & C. LINE NINE

The Greatest Fleet of Side-Wheel Passenger Steamers in the World. ROOTS, HERBS AND BARKS.

You can no doubt recall the collection of roots, herbs and barks your grandmother made every fall for the family medicine chest.

It is interesting to note that the most successful remedy for female ills had its origin more than 30 years ago in one of these home medicine chests, and Lydia E. Pinkham's Vegetable Compound is made today in immense quantities from those same roots and herbs with extreme accuracy, care and cleanliness.

### SUMMER HAIR DRESSING

The disagreeable and repulsive odors that come from the hair in summer are caused by danruff.

Dandruff is caused by microbes which are hard to kill, but which can be killed by Parisian Sage, the quick-acting, money-back hair tonic.

Dandruff can never be cured until the small, aggravating and indomitable dandruff germ is conquered and destroyed.

And millions of danruff germs have been destroyed, thanks to the great scientist and dermatologist who gave to the world Parisian Sage, the only real dandruff cure and hair grower the world has ever known.

If you have dandruff, Parisian Sage will cure you in two weeks, or your money back.

But besides ridding the scalp of dandruff, Parisian Sage is guaranteed to stop falling hair and itching of the scalp. It keeps the scalp cool and clean in summer. It is a prime favorite with women of refinement. It makes the hair soft, lustrous and beautiful in a week, and is not sticky or greasy.
