CURED HAY FEVER AND SUMMER COLD

A. S. Nusbaum, Batesville, Indiana, writes: "Last year I suffered for three months with a summer cold so distressing that it interfered with my business. I had many of the symptoms of hay fever, and a doctor's prescription did not reach my case, and I took several medicines which seemed only to aggravate it. Fortunately I insisted upon having Foley's Honey and Tar. It quickly cured me. My wife has since used Foley's Honey and Tar with the same success."

THE D. & C. LINE NINE

The Greatest Fleet of Side-Wheel Passenger Steamers in the World. ROOTS, HERBS AND BARKS.

You can no doubt recall the collection of roots, herbs and barks your grandmother made every fall for the family medicine chest.

It is interesting to note that the most successful remedy for female ills had its origin more than 30 years ago in one of these home medicine chests, and Lydia E. Pinkham's Vegetable Compound is made today in immense quantities from those same roots and herbs with extreme accuracy, care and cleanliness.

IN FEDERAL COURT

(Continued from page 1.)

good many callers, and some of the leading citizens of Auburn were among the visitors who assured him of their sympathy in his hour of great sorrow, as the rural cards of thanks have it. When Nicolai goes to Fort Wayne for preliminary appearance in the federal court tomorrow he will be in charge of F. E. Huffman, of Washington, D. C., a government secret service agent, and Sheriff Ralph Thomas and today it looked as though he would be attended by a guard of honor and a host of men of means who are not only willing but anxious to go on his bond. Mr. Huffman arrived in the city this afternoon. He expected to meet Bank Examiner Frazier of Warsaw, here, but there was some hitch in the arrangements and Mr. Frazier did not appear and could not be reached by long distance telephone. It is expected, however, that he will meet the detective in Fort Wayne tomorrow, when Nicolai is arraigned before United States Commissioner T. J. Logan. There is no doubt of Nicolai's ability to give bond. It is likely the bond will be fixed at \$5,000, but if it were twice or thrice that sum it would be forthcoming, for as I have stated Frank Nicolai is the most popular man in Auburn. Dan M. Link, at whose house Nicolai had living apartments, is representing him, and he stated that Mr. Nicolai would appear on time tomorrow in the federal court in Fort Wayne and something like a dozen other Auburn gentlemen assured me that there would be no difficulty about the bond business.

Frank Shelton came in from Indianapolis, where he will make a short visit with Warren Wilkeson.

SUMMER HAIR DRESSING

The disagreeable and repulsive odors that come from the hair in summer are caused by danruff.

Dandruff is caused by microbes which are hard to kill, but which can be killed by Parisian Sage, the quick-acting, money-back hair tonic.

Dandruff can never be cured until the small, aggravating and indomitable danruff germ is conquered and destroyed.

And millions of danruff germs have been destroyed, thanks to the great scientist and dermatologist who gave to the world Parisian Sage, the only real danruff cure and hair grower the world has ever known.

If you have danruff, Parisian Sage will cure you in two weeks, or your money back.

But besides ridding the scalp of danruff, Parisian Sage is guaranteed to stop falling hair and itching of the scalp. It keeps the scalp cool and clean in summer. It is a prime favorite with women of refinement. It makes the hair soft, lustrous and beautiful in a week, and is not sticky or greasy.
