### BONDS IN

#### TIME OF PEACE

There used to be some talk about the iniquity of "issuing bonds in time of peace," that is, of course, when they were issued under a Democratic administration. But within the past two years millions of bonds have been issued and now the new tariff bill has provided for issuing nearly \$300,000,000 more. The Indianapolis News says:

In the beginning it was proposed to pay the cost of the Panama canal entirely out of current revenues. In those days the government was a good deal troubled to find a way to dispose of its surplus. That trouble has disappeared. Instead of a surplus last year, the year ending with June, we had a deficit considerably in excess of \$100,000,000. Here is a very marked change in conditions. Now there are no surplus revenues to be devoted to extraordinary objects. It will be remembered further that in those distant days it was estimated that the canal would cost less than \$150,000,000. Now it is known that it will cost almost \$400,000,000. So it was necessary to abandon the original plan. This was the theory on which the makers of the new tariff proceeded authorizing the issue of \$295,569,000 of three per cent. bonds to cover the cost of the canal, and to reimburse the treasury for the amount advanced on the account. We have already borrowed \$84,631,900 for canal purposes. Thus we get a present es-

timate of \$380,200,900 as the cost of the enterprise.

### CHARGE CONVENTION FAVOR

Alleged that Arrangements Help Logansport Mayor.

Logansport, Ind., Aug. 24.—Republicans are complaining of the action of the city central committee in setting the date for the city convention on Sept. 2, only one day after the selection of delegates, on Aug. 31. The charge is made that the convention is called early so that no candidate except the present mayor, George B. McKee, will have time to see the voters.

### FROM SUNNY SOUTH

Henry Burr Has Arrived from the State of Arkansas

### PETER LAURENT

Leaves Arkansas for Decatur Tonight Sure

Henry Burr arrived last night from Arkansas and will remain for several weeks as the guest of friends and relatives. He has been working in the southern state for several months in the timber business, and he likes the employment very well. Mr. Burr reports all Decatur people in that vicinity are doing nicely and there are a number of them there. After visiting here for some time Mr. Burr will return to the south and resume his duties. The weather is exceedingly warm in Arkansas according to Mr. Burr. Peter Laurent of Decatur, who also has been in Arkansas for a length of time will return to Decatur within a few days. He will leave Arkansas tonight and will arrive in time to be in attendance at the Great Northern fair. Mr. Laurent likes Arkansas and may determine to locate there permanently. He will be in Decatur for some time, however.

## SOCIETY COLUMN

Miss Mabel Weldy Honored—Chosen Delegate to Y. W. C. A. Conference

### A PICNIC PARTY

At Maple Grove Park the Last of the Week

The next meeting of the Presbyterian Missionary Society is scheduled to meet with Mrs. Frank Gast on Mercer avenue Tuesday. Mrs. C. A. Dugan will read the paper "The New Domain." Mrs. J. C. Patterson having charge of the round table. Assistant hostesses: Mesdames Loch, Murray and Miss Nellie Schrock.

Miss Mabel Weldy will leave Friday morning for Lake Geneva, Wis., where she and another young lady will represent the Marion Normal school in the national college conference of the Y. W. C. A. Their appointment is a worthy honor, since they will represent their school and give a report of the conference this fall before the student body. For the past several years Miss Weldy has been one of the executive officers of the Y. W. C. A.

The pleasant reunion this week of the class of 1891 Decatur high school will be celebrated at a picnic supper to be given the last of the week. Mrs. Nellie Hart Oakes, Mrs. Ianthina Gregory Townsend and Mrs. Mary Gratner Right will be among those who will attend from out of the city.

Mrs. Charles Ervin and family entertained at dinner this noon the Misses Clara Collsmith and Julia Sheeter of Delphos, who arrived in the city this noon. They will remain several days visiting the family.

The dance this evening at the K. C. hall promises to be a great event. The event is being given by Mr. Wm. Faurot, who was married this morning from St. Marys church and has invited all the members and lady friends to be present. This young couple have a large number of friends in and about Decatur and their best wishes are extended to Mr. and Mrs. Faurot.

This morning as the bells of St. Marys church pealed forth their merry chimes, Mr. Wm. Faurot and Miss Mary Appleman proceeded to the altar steps and were united in the holy bonds of matrimony. Fr. Wilken officiating. Miss Cecelia Neswald and Hattie Faurot were the bridesmaids while Leo Faurot and Joseph Appleman acted as best men. The services were very beautiful and the ring ceremony was used. Immediately after the services were over the wedding party went to the home of the bride just west of the city, where a large wedding dinner was served and all during the day the nearby relatives and friends were entertained in a very pleasing manner. Mr. and Mrs. Faurot will reside on a farm a few miles south of the city, where a beautiful cottage awaits them. Both of these young people are held in the highest esteem and the best wishes of their many friends are extended to them. This evening at the K. C. hall a dance will be given to all the members and their lady friends and a happy time will no doubt be had.

Quite a number of people from the south part of the county were at the fair today.

A light rain fell this afternoon, but was not sufficient to lay the dust. A good rain some night would not go bad.

W. F. McKean of Germantown, O., is here attending the fair and looking up friends, after an absence of a year and a half.

Will Wertzberger (who has been working as a motorman at Big Rapids, Michigan, is the guest of his parents and other relatives here.

Bert Bailey is doing some advertising at the fair grounds for his Soxonia oil lamp for which he is agent in Adams county.

### CURED HAY FEVER AND SUMMER COLD

A. S. Nushbaum, Batesville, Indiana, writes: "Last year I suffered for three months with a summer cold so distressing that it interfered with my business. I had many of the symptoms of hay fever, and a doctor's prescription did not reach my case, and I took several medicines which seemed only to aggravate it. Fortunately I insisted upon having Poley's Honey and Tar. It quickly cured me. My wife has since used Poley's Honey and Tar with the same success."

### ORPHEUM CO. AGAIN PLEASES

Gave Splendid Production of the "Parish Priest" Last Evening.

The Orpheum company again played to a large audience last evening, every one of whom went away firm in the conviction that this is the best stock company which ever showed here. Last night they presented "The Parish Priest," an Irish drama, which has gained fame all over the country. The company carries all their scenery, even all their properties from the smallest bracket up to each piece of furniture, and they deserve a packed house each evening. See them tonight in "The Garrison Girl."

### COURT HOUSE NEWS

A Marriage License Was Issued—Transfers at the Recorder's Office

### SOME OTHER NOTES

Mail Order Lady Moves on to Bluffton—New Deputy at Recorder's Office

Miss Bessie Wherry, the deputy recorder, is enjoying her vacation this week, and her place is being looked after by Mr. Ed Kleinjenz, who is a popular and capable young man.

One of the silent ladies, the boss talker, has gone to Bluffton, where she will start on similar duties to those served here, that of copying a list of names from the assessors books, presumably for the purpose of compiling a mailing list for a Chicago firm. Her partner will remain here and complete the work when she will join her sister at Bluffton. By the way the silent business is a joke, for of all the talking machines we ever tackled for an interview, one of these girls gets the sweetestest. At that they prefer that not too much be said about the business they are here for.

A marriage license was issued to William E. Faurot, aged 24, a farmer, to Mary Appleman, aged 24, daughter of Andrew Appleman.

Real estate transfers: David Soldner et al to Albert N. Sprunger, lot 284, Berne, \$1,700; Frederick Hoffman to A. N. Sprunger, lot 267, Berne, \$250.

### STILL THEY COME

The crowds at the Crystal airdome are still getting larger at each evening's entertainment. Mr. Johnson the "singing and dancing kid" certainly is there with the goods, and always gets the glad hand at each performance. Many compliments are handed Mr. Higgs on the quality of show he is putting up and he certainly deserves the patronage and good will of all our citizens. The pictures shown at the Crystal are not only new and up to date, but are practically flashless, and do not injure your eyes no matter how closely you may watch them. Another great feature of this show is the orchestra music which is certainly great. Can you think of another five or even ten-cent show that has anything near such an orchestra as the Crystal. While the boys are all home talent, they are the best ever and the music alone is worth several times the price of admission. The singing and dancing kid will be at the Crystal tonight only after which he will leave for Chicago, for a week's engagement at one of the leading vaudeville houses of the city. You should not fail to attend this popular amusement place tonight.

### DO IT NOW.

Decatur People Should Not Wait Until It Is Too Late.

The appalling death rate from kidney disease is due in most cases to the fact that the little kidney troubles are usually neglected until they become serious. The slight symptoms give place to chronic disorders and the sufferer goes gradually into the grasp of diabetes, dropsy, Bright's disease, gravel or some other serious form of kidney complaint.

If you suffer from backache, headaches, dizzy spells, if the kidney secretions are irregular of passage and unnatural in appearance, do not delay. Help the kidneys at once.

Doan's Kidney Pills are especially for kidney disorders—they cure where others fail. Over one hundred thousand people have recommended them. Here's a case at home:

C. M. Wedley, retired farmer, 517 Marshall street, Decatur, Ind., says: "I used Doan's Kidney Pills procured from the Holthouse Drug Co., and they quickly relieved me of pains in my back and other symptoms of kidney complaint. I know that any one who gives Doan's Kidney Pills a trial will find them to be a sure cure for kidney complaint."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

You can no doubt recall the collection of roots, herbs and barks your grandmother made every fall for the family medicine chest.

It is interesting to note that the most successful remedy for female ills had its origin more than 30 years ago in one of these home medicine chests, and Lydia E. Pinkham's Vegetable Compound is made today in immense quantities from those same roots and herbs with extreme accuracy, care and cleanliness.
