BIG BARGAINS IN FARMS

In the richest Land Country in the world

What's the use of moving to Canada or Mexico or anywhere else when you can buy the best land out of doors in Arkansas from

\$30 to \$50 Per Acre.

This land will bring you in from \$60 to \$100 each year. Think of it. Your money back the first year.

If I don't tell you the exact truth, I will pay all your expenses there and back, you to be the judge. What proposition could be fairer.

We raise everything, the principal crops being Rice, Cotton, Potatoes, Oats, Wheat and Corn. Two crops of potatoes a year on the same ground.

I have several good farms for sale and will be glad to give any information you may desire if you see me during the ten days I am here. Inquire at the office of the Daily Democrat.
