## PORTLAND, MAINE, CHILD

Ill, Weak and Emaciated, Restored to Health by Vinol

"Our little daughter, six years of age, after a severe attack of the measles, which developed into pneumonia, was left pitifully thin, weak and emaciated. She had no appetite, and her stomach was so weak it could not retain food. She lay in this condition for weeks, and nothing the doctor prescribed did a bit of good, and we were beginning to think she would never recover."

"At this time we commenced to give her Vinol, and the effect was marvelous. The doctor was amazed at her progress, and when we told him we were giving her Vinol, he replied, 'It is a fine remedy, keep it up.' We did so, and she recovered her health and strength months before the doctor thought she could." J. W. FLAGG, Portland, Me.

Vinol cures conditions like this because in a natural manner it increases the appetite, tones up the digestive organs, makes rich, red blood, and strengthens every organ in the body.

## OPERATION HER ONLY CHANCE

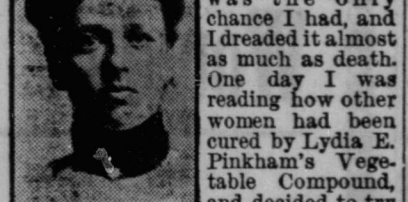

Was Cured by Lydia E. Pinkham's Vegetable Compound

Adrian, Ga.—"I suffered untold misery from a female weakness and disease, and I could not stand more than a minute at a time. My doctor said an operation was the only chance I had, and I dreaded it almost as much as death. One day I was reading how other women had been cured by Lydia E. Pinkham's Vegetable Compound, and decided to try it. Before I had taken one bottle I was better, and now I am completely cured."—LENA V. HENRY, Route No. 3, Adrian, Ga.

Why will women take chances with an operation or drag out a sickly, half-hearted existence, missing three-fourths of the joy of living, when they can find health in Lydia E. Pinkham's Vegetable Compound?

For thirty years it has been the standard remedy for female ills, and has cured thousands of women who have been troubled with such ailments as displacements, inflammation, ulceration, fibroid tumors, irregularities, periodic pains, backache, indigestion, and nervous prostration.

If you have the slightest doubt that Lydia E. Pinkham's Vegetable Compound will help you, write to Mrs. Pinkham at Lynn, Mass., for advice. Your letter will be absolutely confidential, and the advice free.

Now is the time to book your farm sales. I will get you the high dollar. Call telephone at Pleasant Mills at my expense.

## HELD ON UGLY CHARGE

(Continued from page 1.)

thy Farnum, 17, and Dewey Brown, 11. Both now are inmates of the orphanage. Dorothy Farnum was taken to Dr. H. D. Patrick, Elyria oculist, who testified that the girl had trachoma so badly that with one eye she could not see his hand farther than three feet away, and with the other only ten feet away. Dr. Patrick also testified that the disease infections would have been amenable to treatment if given at the proper time. This is the disease which bars children from entrance to the United States.

On the stand the girl said her eyes had been bad four years. When asked what had been done for them, she said, "They prayed for them and put on some salve."

Dewey Brown testified as to punishments administered. "I was pulling weeds one day in the potatoes when Brother Boyd beat me with a stick until there were ridges on my legs and I could hardly sit down. Another time another brother beat me with a strap doubled to make a loop."

Benny Sutliff testified that once he had been beaten because he left some cows Springer had told him to watch. "There was a bad bull in the lot. I ran away when he came for me and did not go back," said the boy.

Among the other acts which have caused a storm of indignation against the managers of the home include the cooking of field corn in the same boiler in which the soiled clothes were boiled, the bathing of a dozen boys in the same water at one time, forced to sleep with clothes on to keep warm and many others.

## ARE IN SESSION

The Adams County Council

in Their Annual Session

Today

THE APPROPRIATIONS

They Went Over the Many

Items of Expense in

the Budget

The Adams county council went into session at a late hour in the afternoon, but after they got down to business there was no time lost until the long list of appropriations were entirely gone over and given their official stamp of approval. Every item of expense that will be considered in the transaction of the business for next year was included in the appropriations made by them. The members of this body were all present with the exception of A. G. Briggs, of Geneva, and who is president of the board. Those who participated in the business of the board were Mat Kirsch who also acted as president; J. W. Merriman, J. O. Krane, Tice Ullman, William Baumgartner and Ed Zimmerman. It was a busy session but they waded through the mass of appropriations in a business like way.

Ernest Doehman and a number of other northern Adams county citizens were here today to interview the county council in behalf of an appropriation for a bridge over the St. Marys river on the Allen-Adams county line. The board had previously agreed to stand for their share of this expense but the Allen county board wanted to divide the expense of such an improvement.
