

The Biggest Thing for Breakfast

Kellogg's Toasted Corn Flakes is the "Big Thing" in two-thirds of American Homes. We will have the other third in a very short time. It only requires one taste to make permanent Corn Flake eaters. Its delicious flavor can't be described. You must try the genuine—Kellogg's—to fully know its goodness. Ask your grocer.

A LEOPARD QUEEN

Is the Title of a Great Picture Reel at the Star Theater Tonight

A WONDERFUL STORY

Is Told in a Realistic and Fascinating Manner by Motion Pictures

"The Leopard Queen" at Stoneburne's Star theater tonight will probably be the greatest motion picture reel ever shown in Decatur. The story as told in the synopsis is most interesting. Many years ago a famous sea captain and his beautiful daughter were wrecked in the south seas and finally reached a deserted island. There they lived for years, and finally the old captain died, leaving the girl of perhaps twenty summers alone in a place inhabited by no thing or person save wild beasts. Lonesome, and hungry for something to love and be loved, the girl one day found two baby leopard kittens and took them to her hut. She was greatly surprised to discover that the mother leopard followed, so she took the mamma in also and the family became great friends, more babies coming to join the singular household. Shortly afterward, a ship was manned by a millionaire showman to search for wild animals and they landed at the out of the way island. While hunting through the wilds one day they beheld the mother leopard and her children, and were just ready to shoot the mother that they might easily capture the young ones, when the girl whom they had not seen waiks from behind a large rock and throws her arm about the beautiful animal. The girl is rescued and brought home but insists on bringing her pets with her. It is a marvel in the motion picture business.

AN EPIDEMIC OF TYPHOID FEVER

Is Raging South of the City, Five Are Down With the Disease.

An epidemic of typhoid fever is raging south of the city and is causing considerable uneasiness. Among those who are afflicted at this time are Mrs. Tony Hackman, daughter of Mr. and Mrs. Michael Miller, Pete and Francis Hess, children of Mrs. Peter Hess and two children of Joseph Heiman. Two or three of the patients are very sick, and it is feared the disease will continue to spread, though no cause has been discovered.

GAVE TALK AT HIGH SCHOOL

Rev. Jones is here in the interest of the Baptist church, and gave a short and able talk at the high school this morning. He took four words as his subject: Discipline, Duty, Danger and Distinction, and he wound them into a very interesting, entertaining and delightful talk, which was appreciated by those who heard him.

Glen Tague went to Fort Wayne this afternoon and will return home some time this evening.

Orval Harruff went to Fort Wayne on the two-thirty car and will return home this evening.

Mrs. Louisa Johnson of Peterson, mother of Mrs. E. Burt Lenhart, who has been sick for some time, is very low at her home and death is likely to occur at any time. The children, William residing in the west, and Herman in the south, have been telegraphed to and the former is expected to arrive in a day or so. Mrs. Johnson has always lived here and is well known, and has many friends.
