### OBITUARY.

Florine Naomi, infant daughter of Simon and Effie Bowers, was born June 13, 1909; died Sept. 8, 1909, age 2 months and 25 days. Father, mother, brother and two sisters, one of which is a twin sister of the same age, are left to survive the dear little one. Early in the dawn of infancy this tender babe has been called to its heavenly home where it shall know no more suffering. It and its twin sister, Laurine Catherine, were baptized on Sept. 6, and we have that blessed consolation that its soul has fled to and been accepted by its maker and keeper our Lord and Master.

Again the Angel of Death has visited our earthly home and taken with it, our darling Laurine Catherine, daughter of Simon and Effie Bowers. Was born June 13, 1909, died Sept. 13, 1909, age 3 months. Mother, father, one brother and one sister are left to mourn the loss of this dear little one. It has been but a few days since the twin sister, Florine Naomi, has been called to join the angels in that heavenly home above. They are gone, our darling babes, but let us comfort our sad hearts with the thought that their souls are resting in blessed peace with our Lord. Their days of suffering have been few in comparison to the trials and suffering of mature years. May this suffice to console us that it is God's will be done, and He has called them to fulfill a holy and more glorious mission on that bright and shining shore.

We loved them, yes we loved them. But angels loved them more; And they have sweetly called them To yonder shining shore.

The golden gates were open.  
A gentle voice said "Come,"  
And with farewells unspoken  
They calmly entered home.
