

# GAS HEATERS

Why not buy a small Gas Heater to make you comfortable these cool mornings and evenings.

It is too early to start your winter fires. It may prevent severe colds and sickness.

You will be surprised how cheap they are and how small an amount of gas they consume. See them at the Gas Office.

Pearl Amusement Company of Fort Wayne Enters the Decatur Field

WITH VAUDEVILLE

And Five Cent Moving Picture Show—Will Open Here Friday Night

The Pearl Amusement Co., of Fort Wayne, has leased the Grand theater and will open same on Friday, October 1st with an entire new program. This company own and control five big moving picture houses in this state, and have the advantage over all other picture men, as they contract for their films in large quantities and use the very best that money can buy, giving the finest service ever in Decatur. They also give you high class vaudeville in connection with the pictures at the one price of admission. They invite you to come and see them Friday, Oct. 1st and guarantee satisfaction and courteous treatment all for 5 cents. The new owners are Loucks & Volland, old show men, who will do all they can to please the Decatur motion picture and vaudeville lovers.

## THE BOOSTERS MET

Decatur and lots of it, and made a splendid talk along that line. Mathias Kirsch talked plainly and said it was time to put on the brakes, that we should step forward and do it at once. J. S. Bowers gave a half hour of plain advice, reminding us of the lectures of a self-made merchant to his son, and his remarks would have been of interest to every citizen of Decatur. It was a speech as the chairman expressed it, that ought to last those who heard it for a hundred years. He told of the many times in his life he had turned defeat into victory, of the way to do it, of past experiences wherein Decatur had suffered because the men behind the gun gave up. He

Sale Now on at a Saving of 10 Per cent to you if you want the best Steel Range made.

A guest in the dining room is saying there is no other range as good as The ROUND OAK CHIEF.

And we knew it all the time

## A Good Point

What a good range can do is set forth in text and illustrations in a deluxe booklet issued by Beckwith, Dowagie which, is yours for the asking or by mail, free on request. It itemizes the reasons why the ROUND OAK CHIEF STEEL RANGE is the first and foremost of its kind. It gives you a foundation to stand on—so to speak—when you go to select a range. You are able to judge the cheap one. You will appreciate the good one, to know how to do this is a satisfaction, and then to experience the pleasure that comes from operating the best range made—why it pays you back something on account every day it works. If the Round Oak folks could make their Chief better they would do it instantly. Come in and look it over. It is a pleasure to show a good range like the Chief, Hard Coal Base Burners and all other heating stoves at reduced prices during this sale. Don't forget to make a trip through our store and see our many bargains on stoves.

# Most Wonderful STOVE

on Earth for burning hard coal will take place  
WEDNESDAY, SEPT. 29th.  
in front of SCAUB, GOTTEMOLLER & CO.

Mr. J. B. Howard, the Inventor, will demonstrate this wonderful stove, on the street in front of our store, burning all sizes of hard coal, Chestnut, stove and egg, and reducing it to gas. This wonderful stove maintains a steady heat, day and night. You set the J. B. Howard Combustion Damper before going to bed, even when temperature is 10 to 20 degrees below zero, and when you get up in the morning there will not be one degree variation in the temperature. Let us send you a Circular and Booklet.
