ing and beyond the comprehension of his friends. The deceased was past thirty years old, unmarried and with all the comforts of one of the best homes in Bluffton. Besides this he was energetic and had accumulated quite a little of this world's goods. His mother is a confirmed invalid and has been for many years, and her health at this time is to say the least precarious. Knowing that she would never survive the shock, she will not at this time be apprised of the death of her son. No funeral arrangements had been made at the time this special was received. For many years the deceased was in the newspaper business, being one of the founders of the Bluffton News, and being engaged in the newspaper work for many years. For the last several years, however, he was associated with his father in the real estate business. Chloroform was used in committing the rash act.

MRS. EVANS HAS DISAPPEARED

Left Home Monday and Took Along the Proceeds of Public Sale.

An unusual case of family troubles comes from the home of Freeman Evans, who has been living on the Habcock farm northwest of town. Recently the farm was sold and Mr. Evans held a sale on last Thursday. It was a very successful one and the proceeds amounted to several hundred dollars. On Monday of this week it is said Mrs. Evans disappeared, taking with her all the notes and money on hands. Mr. Evans who was deeply in love with his beautiful wife, is distracted over the affair and at a loss to understand why she should act so. Mrs. Evans is a daughter of I. L. Babcock, a former resident here and now living at Frankfort and by many it is supposed she has gone to her parents home. Her brothers were here over Sunday and this leads Mr. Evans to fear that the desertion of him was a prearranged affair. He has not decided what course to pursue.

GOT McCARTY IN A SACK

Made Him Testify After a Running Battle.

Rev. McCarty, of Portland, whose wife got a divorce from him a year ago and who then brought suit for a settlement, has at last been bagged by Eichhorn & Vaughn, attorneys for his former wife, so that they can get his sworn statement under oath. On several occasions the Rev. McCarty was asked to be present to give his deposition, but each time he failed. On one occasion the summons were not served by an officer and although it was thought that the procedure was legal the local attorneys did not go into the matter, preferring that the service be gotten in the regular way. W. H. Eichhorn and Judge Vaughn both went to Portland today for the purpose of taking the deposition and to attend to some other legal matters.—Bluffton Banner.

CURES REMOVE DOUBT

ABOUT ECZEMA CURE
Read What Your Druggist Says About Oil of Wintergreen Compound.

Druggists Smith & Yager submits the following to the readers of the Democrat:

For several years we have announced, with our recommendation, that we had found a positive cure for eczema; a simple skin wash, oil of wintergreen compounded with other healing ingredients.

Yet we know there are people right in this town who have eczema, and still have never tried this remedy. We have, therefore, arranged with the D. D. Laboratories of Chicago for a special offer of a trial bottle at 25 cents instead of the \$1.00 bottle as regularly sold.

We offer this trial bottle with our recommendation and assurance that just as soon as the patient washes his itching skin, this mild liquid will take the itch away instantly. Smith & Yager Drug Co.
