## OLD Adams Co. Bank

Mr. Investor:-

We have a nice little property of three acres with a snug little home on it and a few small outbuildings, within ten minutes walk from the court house, that can be bought mighty reasonable. The house has six rooms and is in good repair and there is an attractive lawn and plenty of room for an ambitious gardner.

If you have anything like this in mind, a ten minute walk to see it will be profitable. Our phone is 35.

Respectfully  
The Bowers Realty Co.
