

Have You Tried?

Lydia E. Pinkham's Vegetable Compound? We can furnish positive proof that it has made many remarkable cures after all other means had failed.

Women who are suffering with some form of female illness should consider this.

As such evidence read these two unsolicited testimonial letters. We guarantee they are genuine and honest statements of facts.

Gardiner, Maine.—"I was a great sufferer from a female disease and weakness. The doctor said I would have to go to hospital for an operation but I could not bear to think of it.

"Lydia E. Pinkham's Vegetable Compound completely cured me in three months."—Mrs. S. A. Williams, R.F.D. No. 14, Box 39, Gardiner, Me.

So. West Harbor, Me.—"I suffered for years with painful periods, backache, headaches, nervousness, irregularities and inflammation. I consulted two physicians and one advised me to have an operation.

"I was completely discouraged when I decided to try Lydia E. Pinkham's Vegetable Compound, and it has made me a well woman. I advise all suffering women to take Lydia E. Pinkham's Vegetable Compound."—Mrs. Lillian Robbins, South West Harbor, Me.

Evidence like the above is abundant showing that the derangements of the female organism which breed all kinds of miserable feelings and which ordinary practice does not cure, are the very disorders that give way to Lydia E. Pinkham's Vegetable Compound.

Women who are afflicted with similar troubles, after reading two such letters as the above, should be encouraged to try this wonderfully helpful remedy.

For 30 years Lydia E. Pinkham's Vegetable Compound has been the standard remedy for female ills. No sick woman does justice to herself who will not try this famous medicine. Made exclusively from roots and herbs, and has thousands of cures to its credit.

Mrs. Pinkham invites all sick women to write her for advice. She has guided thousands to health free of charge. Address Mrs. Pinkham, Lynn, Mass.

Many People Heard Evangelist Thompson Last Night

"WHAT IS MAN?"
Another Interesting Discourse Will Be Heard Tonight

Another splendid service last night at the Church of Christ. Evangelist Thompson, as previously announced, spoke from the great question: "Who is God, that I should obey Him?" The speaker began far back in God's calendar before time was. He gave a most fulsome imaginary word painting of the creation and God as the Creator. Next he told of God as the Father, with a father's love. Illustrating the thought by telling of a wife who went down into the mysterious land of motherhood and the babe came back alone. It was a poor idiot child but the father loved it best of all. He pitied its misfortune "like as a father pitied his children" saith Holy Writ. "The Lord knoweth our infirmities." The speaker asserted that the Creator has supreme authority over the creature therefore we must obey Him. Man's first duty is to God. The sermon was closed with a personal experience of the speaker in a railroad wreck, where he heard the flagman as he tried to climb out of the wreckage say, "I must go back and put out my flag," that being his first duty and those his last words, as he fell dead at the speaker's feet. There was one addition to the church at the close of the sermon. The choir had a few more singers and all seemed at their very best. Tonight the subject will be "What is Man." Publicly invited to attend all these meetings and assist with songs and prayers.

KILLED A LARGE TARANTULA

The boys in the grocery department of the True & Runyon store had an exciting experience with a live tarantula a day or two ago. The spider, about a half grown one, was feeding on a bunch of bananas when discovered. He was knocked off and made a lightning dash for safety, but landed under one of the boys' number eight and was crushed to death. The banana on which he had fed for some weeks no doubt, was eaten about half in two.

THE DOCTOR'S QUESTION

Some Advice Against the Use of Harsh Purgatives and Physics.

A doctor's first question when consulted by a patient is, "Are your bowels regular?" He knows that 98 per cent of illness is attended with inactive bowels and torpid liver. This condition poisons the system with waste matter and causes accumulation of gases which must be removed through the bowels before health can be restored.

Salts, ordinary pills and cathartics may be truly likened to dynamite. Through their harsh, irritating action they force a passage through the bowels, causing pain and damage to the delicate intestinal structure which weakens the whole system, and at best only produces temporary relief. The repeated use of such treatments causes chronic irritation of the stomach and bowels, dries and hardens their tissues, deadens their nerves, stiffens their muscles and generally brings about an injurious habit which sometimes has almost, if not fatal results.

We have a pleasant and safe remedy for constipation and bowel disorders in general. We are so certain of its great curative value that we promise to return the purchaser's money in every case where it fails to produce entire satisfaction. This remedy is called Rexall Orderlies. We urge you to try them at our entire risk.

Rexall Orderlies are eaten like candy, they act quietly and have a soothing, strengthening, healing, regenerative influence on the entire intestinal tract. They do not purge, gripe, cause nausea, flatulence, excessive looseness, diarrhoea or other annoying effects and they may be taken at any time without inconvenience.

Rexall Orderlies overcome the drugging habit and safely remedy constipation and associate ailments, whether acute or chronic, except in surgical cases. They are especially good for children, weak persons or old folks. Price, 36 tablets 25 cents, and 12 tablets 10 cents. Remember you can obtain Rexall Remedies in Decatur only at our store—The Rexall Store. The Smith & Yager Drug Co.

Dear John:

I won't be home until 8 o'clock but your dinner is all ready for you. I put it in the Mother's Oats fireless cooker at 11 o'clock this morning and you will find everything hot and steaming just right as always.

you loving wife

Mary.

Why shouldn't Mary have a good time now and then with her friends? John's dinner will be just as well cooked since a Mother's Oats Fireless Cooker is in the house; it will be just as hot and steaming. Mary paid nothing for the Cooker; she saved coupons out of

Mother's Oats

and other Mother's Cereals, and secured a \$3.75 Cooker free. She saves 80% of her fuel bills; she hardly goes into the kitchen at all, and she isn't forced to bend all afternoon over a hot stove; she arises an hour later than usual, and doesn't have to rush down stairs to prepare Mother's Oats for breakfast.

The coupons are found in:

Mother's Oats (regular and family sizes) Mother's Corn Meal (white or yellow) Mother's Wheat Hearts (the cream of the wheat) Mother's Hominy Grits Mother's Corn Flakes (toasted)

Ask your grocer to tell you how to get a Mother's Oats Fireless Cooker free. If he doesn't keep Mother's Cereals, write us today, giving his name and yours, and we'll tell you all about the free Fireless Cooker and send you a useful souvenir free.
