HE DEFENDS TAFT

(Continued from page 1.)

It and which damage all alike. The malodorous muck-raker flourishes for a time, but he has come to be an object of contempt, since his recklessness and insincerity have become manifest. What has been said of the executive applies with like force to the indiscriminate, reckless assault upon the congress. Wholesale abuse, unfounded utterance, respecting the integrity and patriotism of those who frame and administer the people's laws, beget distrust, want of confidence and doubt as to beneficence of the government itself. Of course, if bad men gain entrance there, as from time to time they will, whip them out. But we should differentiate with great care the good from the evil."

THE SOCIAL NOTES

(Continued from Page 2.)

WHAT A SUMMER COLD MAY DO.

A summer cold if neglected is just as apt to develop into bronchitis or pneumonia as at any other season. Do not neglect it. Take Foley's Honey and Tar promptly. It loosens the cough, soothes and heals the inflamed air passages, and expels the cold from the system." The Holthouse Drug Co.

and it is MUCH CHEAPER. There are several different springs, having different curative properties. For Stomach, Liver, Kidney and Bowel troubles and their attendant nervous affections, these waters have produced wonderful results. They allay gastric irritation, render soluble in the body substances that are harmful, and thus free the body of them. Their action on the kidneys and bowels, as well as on the skin, corrects the acidities due to various kinds of fermentation in the body.

An excellent adjunct to these waters is the good air and the opportunity for exercise in the open.

Booklet telling all about the waters and giving list of hotels and boarding houses, with their rates, sent free.

Remember Two Things

When You Paint:

1. The paint is a small part of the cost. It's the painting that counts.
2. It costs less to put on good paint than cheap, because it's made better.

If you use LOWE BROTHERS "HIGH STANDARD" PAINT you get the best results at least cost. You will remember the high quality long after you have forgotten the cost. Get color cards and pamphlets at once.
