## GET CLEAN BILLS

Three Adams County Trustees Get Good Reports From Examinations.

### REPORTS APPROVED

Daniel Hoffman, F. C. Wechter and J. T. Kelley Are All Right.

Adams county fared well from the state accounting board Wednesday, three of the trustees getting clean bills from the board. They are Daniel Hoffman of Preble township, Frank C. Wechter of Blue Creek and John T. Kelley of Jefferson. At the same time Montgomery county got a scoring over troubles there in which one of their townships have thirty thousand dollars' worth of school bonds floating, and which will take them twenty-five years to pay for and place the township where it belongs. The examination of the townships is now going merrily on, that feature of the state accounting work being pushed with a view of covering the state as soon as possible. When the new system of conducting the business of the different townships in the state is complete, it is thought there will be little or no question but that the business will be carried on under the uniform system and that the stringing to the township and the taxpayers will be no little sum.

Johnson in the "Barrier hotel at Marion, at midnight, that he should have the Hartford City postoffice. The consideration was the Backford county delegation, which was lined up there with for John L. Thompson, father-in-law of Neal's daughter. Thompson secured the delegates in but two counties outside of his own," says the Times-Gazette. "Thus Neal traded off Beveridge's patronage in these two counties for the father-in-law of his daughter. This makes it pretty soft for Elam. He has a \$4,000 job for himself, a brother who is postmaster at Jonesboro, a cousin postmaster at Fairmount and various other offices."

holding relatives, and if he succeeds in electing Thompson, will control the patronage in this district for the next two years."

## THE BLIND SINGER

(Continued from page 1.)  
A. S. Keller, William Mitchell and R. McConnell will make a business trip to Paulding, Ohio, Friday.

Monroe can boast that she has more cement sidewalks and crosswalks than any other town of its size in the state. Marshal Merriman has just completed and opened up for travel, two fine cement crossings and a large number of sidewalks have been put down this

season, and now you can travel in any direction on cement walks instead of sawdust and plank walks. Our citizens are in favor of improvements and do not hesitate to assist in beautifying and making Monroe one of the neatest, cleanest and up-to-date towns which can be found in this part of the state.

The busiest places here at this time are the grain elevators, a large amount of new wheat, barley, rye and oats are coming in every day. It is reported that the oats crop never was better, and the wheat is of a good quality.

FOR SALE—A small electric fan in good condition; at this office. 155-6 fresh cows at reasonable prices. 143-130 SCHEIMAN & BUTLER
