

## A GOOD HEALTHY RO-LICKING AMERICAN BOY

---needs shoes that will stand a lot of kicks and knocks. Then again, such a boy don't want a shoe that looks like it was made in a saw mill, but he wants all the style he can get mixed with good wear. Our boys shoes are made with the old fashioned wearing leather modeled on new and stylish lasts. We have them in Gun Metal Button and Blucher made on Hi-To short vamp lasts. Bring the boys here for shoes.
