## You Can't Get Something for Nothing!!

That's just as true today as it was a hundred years ago.

When you think you have a fine suit at a lower price than you ought to pay

### BE CAREFUL

For that "good look" suit may not wear—Nine times in ten, it WON'T wear. The few cents you save on the initial suit are poor compensation for an ungainly appearance—a coat that pinches or binds over the chest,—trousers that are too tight over the thigh are not satisfactory. WHEN YOU PAY US

**\$15.00 \$18.00 \$20.00 \$22.50 or \$25**

### FOR A SUIT OR OVERCOAT

You get a good deal more than the price represents—

### You Get All-wool Fabrics

hand-tailored clothes that fit, wear and keep their shape. Come in and see them.

### TEEPLE, BRANDYBERRY & PETERSON

"Cater to the Man who Cares."

### FARMERS ATTENTION!

The Bowers-Niblick Grain Co. at Decatur are now ready to buy new corn and want all they can get, but remember, Mr. Farmer, that we have no place we can sell musty, moldy, soft or rotten corn and for that reason can't buy that kind of corn, and expect to get rid of it. Should any one know of any firm wanting that grade of corn, please let us know. We will furnish him all he wants to his heart's content. What we want is a fair grade of merchantable corn, for which we expect to pay full market price and anxious to get it. Bring it along any time, or call us up by phone and we will gladly talk to you. Hoping to hear from you often we gladly remain,

Yours truly,  
BOWERS-NIBLICK GRAIN CO.
