An effort to have every voter in Adams county who has not done so to register on October 7th, two weeks from today, is being made. It is the last chance and you should aid in the work. One or two men cannot accomplish this, and every citizen should be interested in this work. It is an effort to make the ballot box speak the will of the people and there is no just argument against it. While it works a hardship on some communities, it is absolutely necessary, and as Mr. Adair said in his speeches, it is not probable that the youngest person in Adams county today will live long enough to see the law repealed. There is therefore nothing for you to do, but to register, unless you want to disfranchise yourself. You can't afford that, and you don't want to.

We believe that every voter in Adams county should cast his ballot next November for Lew Ellingham for secretary of state. He is an Adams county citizen. During his term as that official he has made good, and he is deserving of a vote in this county that will endorse his work. He is your neighbor and friend, and no difference what your politics, he will do anything in reason to aid or accommodate you. It is a big advantage that he should be your secretary of state, and modesty shall not keep us from asking you to do so. He is the same old Lew that he was when he scribbled the editorials and items of news interest here. He is still your friend and as much a part of us as if he was still on the job. We believe you owe him your vote, and shall not hesitate to ask that you give it to him, and upon merit. Vote for Lew Ellingham.

American democracy in its purity was intended to mean, and I believe does mean, something more than voting, something more than selecting of floors. Like the sunlight, we cannot see it, yet we cannot see without it. And like the sunlight, it has not only bathed this republic in a sea of beauty and glory, but it has warmed and nurtured every fruitage planted in the garden of universal brotherhood. American democracy does not depend upon caste or creed or condition, upon race or color, upon wealth or poverty, upon success or failure. But unerringly, it does depend upon the inner life of the individual citizen. It is an inspiration and an aspiration. It does not always depend upon the ticket which a man votes. It does depend always upon the motive back of the

ballot.—From Governor Marshall's speech accepting the democratic nomination for vice president, August 20, 1912.

Free trade! Free trade! Thus shouteth the hard-pressed republican and progressive papers and campaigners. And that condition is to be brought about, they cry, if Wilson is elected president. There is nothing in the democratic platform to that effect, nothing in Wilson's speech of acceptance to that effect, and it is very certain that the democratic party would not enact a free trade tariff law if it could. The purpose of all the noise is to frighten and deceive the people. The democratic party is proposing to revise the tariff laws of the country, just as the republicans and the progressives are proposing to do. Republicans promised to do this years ago, but they always revised the tariff upwards and the people have grown tired of that kind of revision and will let the democrats try it. But don't believe for a minute that there is to be any free trade right away or any other time.—Columbia City Post.

MUCH INTEREST

Is Being Manifested in the Young Demonstration Now on in This City.

STAYS ALL WEEK

Has Headquarters at Holt-house Drug Store—Began There Last Saturday.

Because of the great interest the people took in Young and the Harshone root and herb plan of ridding the system of disease last Saturday at the Holt-house drug store, and because he was unable to meet a large percentage of the sick who are anxious to have a talk with him, he was prevailed upon to stay here until next Sunday. Therefore, those who were disappointed in not meeting him last Saturday will have an opportunity of doing so any time this week at the drug store. Although Young was very busy last Saturday, explaining the Harshone medicine and producing proofs of its great merits, he found time to give out the following information for publication.

"I am accustomed to meeting so many people who are in need of, and are anxious to take our great medicine, that the crowds which called to see me today were not a surprise. I know that here as elsewhere, are hundreds of ailing people who are badly in need of our Harshone roots and herbs, and that they will gladly take the great medicine when they hear me explain its merits, and let me produce the great bulk of evidence which is in my possession. I have great faith in our remedy. Why shouldn't I? I see hundreds who take it, but I never see one, who gives it a fair trial who does not praise it. Harshone cleans the stomach, liver, kidneys and bowels of all impurities, and the great tonic, invigorating constituents of the remedy soon impart health action to those great organs of digestion and secretion. How can one be sick without a cause? When the stomach, liver, kidneys and bowels are restored to healthy action, when those great organs work in harmony, any number of painful and disagreeable symptoms cease to exist because the cause has been removed. A dollar case of Harshone roots and herbs will be sold in this drug store for fifty cents, but the special price will not last long. Therefore, those who need health should call as soon as possible. I will be glad to meet them, I will be glad to explain our remedy to them. I will be glad to prove all we claim."

IN MEMORIAM.

Eva Scheumann, sick a week, died at her home, Friday, September 20th, at 3:40.
We miss you from your place, Dear Eva.
We see your vacant cot.
We miss you in our home Dear Eva,
We miss you everywhere.

Farewell, Dear, but not forever,
For we shall meet again:
Not in this world of pain and sorrow,
But in that bright and happy land.

Where pain and death doth come no more,
But all is bright and fair,
Where heartaches are all over,
And there will be no vacant cot.

Like Walking On Air

Dr. A. Reed Cushion Shoe

That's what every one of our customers that wears a Dr. A. Reed Cushion Shoe says: "It's like walking on air—my feet haven't ached for ages!"

And we're mighty sure that you'll say the same thing—if you wear Dr. A. Reed Cushion Shoes for just one day. For they're the easiest shoes on earth. Nothing else like them for folks that walk much. They fit easily the first time you try them on.

And then the soft cushion insole shown in the illustration spreads into and fills the hollows of your foot—supports it with a cushion—and distributes your weight so evenly that you walk on the whole sole of your foot instead of just the toes and heels. That's the secret of its comfort. That's why people that wear Dr. A. Reed Cushion Shoes never suffer from aching, burning feet.

Why not drop in tomorrow and see the line we have—many new styles and comfort guaranteed in every pair. Will you let us "show you" tomorrow?

BEAUTIFUL HAIR AT SMALL COST.

A Simple Remedy Beautifies the Hair, cures Dandruff, Stops Falling Hair.

What a pity it is to see so many people with thin, wispy hair, faded or streaked with gray, and realize that most of these people might have soft, glossy, abundant hair of beautiful color and lustre if they would but use the proper treatment. There is no necessity for gray hair under sixty-five years of age, and there is no excuse for any one, young or old, having thin, straggling hair, either full of dandruff or heavy and rank smelling with excessive oil.

You can bring back the natural color of your hair in a few days and forever rid yourself of any dandruff and loose hairs, and make your hair grow strong and beautiful by using Wyeth's Sage and Sulphur Hair Remedy. For generations common garden sage has been used for restoring and preserving the color of the hair; and sulphur is recognized by scalp specialists as being excellent for treatment of hair and scalp troubles.

If you are troubled with dandruff or itching scalp, or if your hair is losing its color or coming out, get a fifty cent bottle of Wyeth's Sage and Sulphur from your druggist, and notice the improvement in the appearance of your hair after a few days' treatment. m-ws

Contesting Will

(Continued from Page 1)

The witnesses and jurors assembled at the court house this morning, but Judge Heaton did not arrive until the 11:15 car. The trial came to naught, however, when the plaintiffs filed petition to make Amos Reusser of Berne a defendant, which was granted, and also filed a second paragraph of complaint. A writ was ordered returnable October 5th, and the trial was postponed at the cost of the plaintiffs.
