WEATHER FORECAST

Cold wave tonight with snow.

John Schug was at Hoagland today on business.

Earl Sowers went to Fort Wayne this morning on business.

J. S. McCrory made a business trip to Fort Wayne this morning.

C. H. Schafer of the Ward Fence company was a business visitor at Ft. Wayne today.

Miss Irene Jackson went to Berne this afternoon to spend a few days visiting with her aunt, Mrs. Baumgartner.

F. E. France has recovered from his operation of several weeks ago and is able to be down town again, greeting his friends.

Mrs. J. R. Zimmerman of Indianapolis and her mother, Mrs. Lena Yager, of Berne, are here for a few days' visit with their sister and daughter, Mrs. John C. Moran.

Miss Irene Russell is among the mumps victims.

Lee Yager made a business trip to Berne this afternoon.

Henry Schlickman has returned from a business trip to Hammond.

Dan Link of Auburn, state tax commissioner, was here this morning on business.

Charles C. Schug and Ferd Mettler, the automobile men from Berne, were business visitors here today.

Catherine Sheridan of New York City, who visited here yesterday with Mrs. John Colchin, went to Ft. Wayne yesterday afternoon.

Mrs. Albert Moyer, who had been quite ill with stomach trouble and a complication of diseases, and was at one time at the point of death, is better.

Mrs. Dr. H. E. Keller and son, Raymond, and David Teeple went to Ft. Wayne this morning, where Raymond Keller will have his eyes treated, for glaucoma.

Rev. J. M. Dawson of the Andrews Christian church, formerly of this city, preached his first sermons there since his operation for appendicitis a week ago last Sunday.

Miss June Knoff went to Ft. Wayne yesterday afternoon.

Tom Gallogly made a business trip to Hoagland this morning.

The Rex theater will treat every child who attend the matinee Saturday afternoon. Real and candy eggs will be given. A good show. Come.

Miss Ireta Erwin went to Berne this afternoon to attend a house party which will be given there this evening by Miss Electa Stengel, in honor of a lady friend from New York City.

Every child in town is invited to attend the Rex theater Saturday afternoon, when an Easter treat will be given, real and candy eggs being given to each child. Big show. All children should attend.

The Bluffton News says about Fred Zurcher, the insane young man: "During his wanderings when he left his wagon at Linn Grove he passed through Bluffton and lost a mud-boat on Mann street in this city."

Rev. W. H. Gleiser, who is assisting his father, Rev. Gleiser, at Watseka, Ill., in the holy week services, writes of splendid meetings being held there, and sends his announcements for the Easter services here on Sunday.

Mrs. F. M. Schirmeyer left today for Van Wert, Ohio, to attend the rendition of an Easter oratorio by the choir of the First Presbyterian church this evening. The choir will also give this as a pre-Easter musical offering and has also made arrangements for special Easter music. Mrs. Schirmeyer will remain over Easter.

Earl Robinson and family will leave here tomorrow for Saginaw, Mich., where they will make their future home. Mr. Robinson has been one of the field men for the sugar company here and has resigned to accept a position in the co-operative department work of the government, being stationed at Saginaw. Mr. Robinson is an expert agriculturist and will make good in his new work.

Mrs. S. S. Magley sends word to relatives from Indianapolis that her son, Lloyd, is much better and will recover rapidly it is thought. She was called to Indianapolis Tuesday by a telephone message that he was quite ill with pleurisy and a deep-seated cold. His cold is now loosening up and whereas a physician had called twice in one day, his calls are now made every other day.

Orval Harruff has received word of the safe arrival of his sister, Miss Opal Harruff and her friend, at Fort Worth, Texas. The wedding was then set to take place Wednesday, March 19, which was Miss Opal's nineteenth birthday anniversary, but no details have been received since the wedding. The groom is Downey Marshall, formerly of Fremont, Mich. The young ladies went a few days in advance of the wedding to attend the stock show at Fort Worth.

Miss Glen Lake was hostess last evening when she delightfully entertained the Eureka club at her home on Ninth street. Several questions were put before the club and were decided upon. After the meeting was dismissed by the president, Mrs. J. J. Foughty, they enjoyed themselves by gossiping and playing games. Miss Glen was assisted in serving refreshments by her mother, Mrs. G. Lake. The members present were: Misses Bertha Deam, Vida Chronister, Leah Hammond, Nina Chronister, Lelah Hill, Hope Hoopengardner, Ethel Potts, Glen Lake, Marie Harb, and the president, Mrs. J. J. Foughty. The guests were Misses Ethel Deam and Lena Dellinger. Miss Ethel Potts will be hostess next week.

Be sure and have a case of Centilver Book brought to your home for Easter. Call 'phone 622—Jos. Tonmeller, Agent.

See How Good This Sherbet is—Try It Today!

It is not only attractive and delicious, but digestible as well. All desserts made with Knox Gelatine are bound to be good. The only flavoring used is such as you put in—from fresh fruits or pure fruit juices.

Knox Fruit Sherbet
1/2 envelope Knox Sparkling Gelatine. 1 lemon. 3 cups rich milk. 1 1/2 cups sugar.
Grate the outside of both orange and lemon. Squeeze out all the juice, add to this the sugar. When ready to freeze, stir in the milk slowly to prevent curdling. Take part of a cup of milk, add the Gelatine. After standing five minutes, place in a pan of hot water until dissolved, then stir into the rest of the milk and fruit juice. Freeze. This makes a large allowance for five persons.

Two Packages—Plain and Acidulated. Both Making Two Quarts (1/2 gallon) of Jelly.
With the Plain Sparkling, lemons are used for flavoring; but with the Acidulated package comes an envelope of concentrated lemon juice—a great convenience when too busy to squeeze lemons. Both contain a tablet for coloring.

Let us send you the Knox Recipe Book and enough Gelatine to make one pint

—enough to try most any one of our desserts, puddings, salads, jellies, ice creams, sherbets, candies, etc.

Recipe book free for your greater name—pint sample for 25 stamps.

You Should Know All About it—

We sell paint—so we must know a good deal about it. You pay for it, therefore you ought to know as much or more than we. Do you know there are scores of points on the market loaded with adulterants? We do. That's why we recommend

PHOENIX
WHITE LEAD
(Dutch Boy Painter Trade-Mark)

and urge you to have your painter mix your paint on the job. You need no further guarantee of purity when you see the Dutch Boy Painter on a White Lead package. White lead paint has been the standard for years. It lasts long and protects the wood thoroughly. Come to us for your paint supplies, and

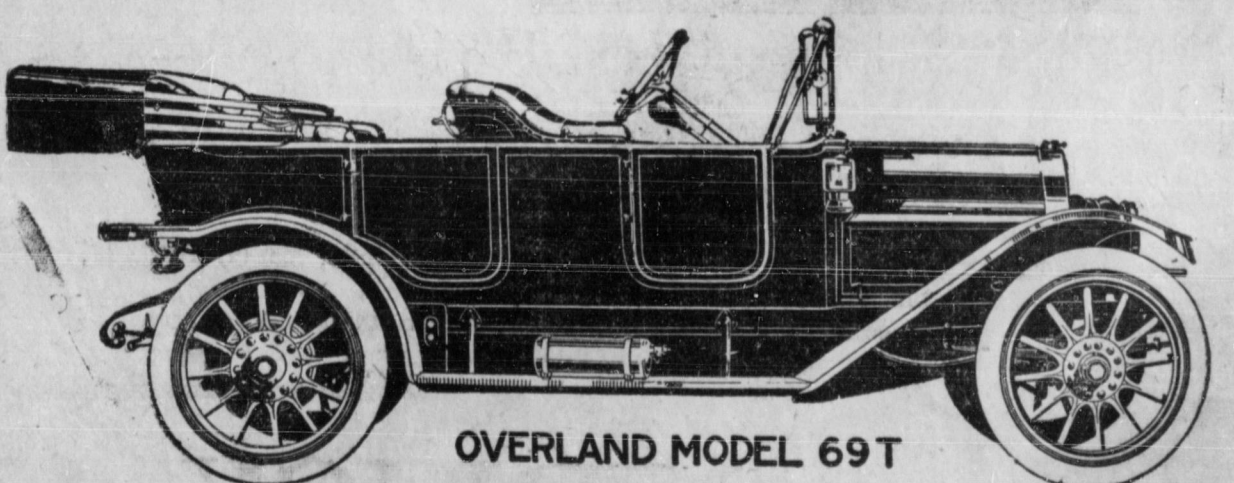

Ask for our Painting Points containing color schemes and many helpful painting suggestions.

\$985 Completely Equipped. **Overland** \$985 Completely Equipped.

40,000 people buy this car and reduce the cost for each other

Were only one automobile made by a factory it would come sky high to the lone purchaser. It would cost thousands of dollars.
But when 40,000 people insist that their car be built in one factory—each car comes at the rock bottom price—less than one thousand dollars a piece.
This accounts for the exceptional value Overland buyers secure. Combined buying power—the 20th century economy factory—is the key. This is the reason folks talk "Overland" from Seattle to Savannah and Portland to Pasadena. Never before has there been such a car at such a price. It astonished the civilized world.
The Overland 69T is the direct result of evolution. A limited output of good cars was the acorn from which the oak grew. The better Overlands became known—the more folks wanted them. The more Overlands made—the less each cost. Because the more raw material bought—the less the unit expense. Thus, every year, Overland prices have been reduced.
Realize the tremendousness of this Overland production; try to visualize a procession of 40,000 Overlands. This drum type, internal expanding and external contracting brakes—13 inches contracted for 39,000 cars before a public announcement was ever made. Our output is 150 cars a day—nearly 1,000 a week.
How else—were it not for this wonderful production efficiency—could \$985 buy the highest priced features in motor car construction? See the big quality features down on paper; balance them up in other cars; compare them; study them; you cannot match them for less than \$1200 in any other factory in America. Size, strength, seating capacity, wheel base, chassis construction, comfort, beauty and finish—this model matches any \$1200 car manufactured.
Where, in a car at less than \$1200 can you secure a thirty-horse power motor—a wheel base of 110 inches—center control, three-quarter floating rear axle and drop-forged I-beam front axle, fitted with expensive Timken and Hyatt bearings? The double set of ternal, contracting brakes—13 inches—contracting for 39,000 cars before a public announcement was ever made. Our output is 150 cars a day—nearly 1,000 a week.
Consider the economy in buying equipment for 40,000 cars. Here on this \$985 car you get the very finest accessories manufactured—those placed on \$5000 cars. It has a Warner speedometer—the best made; it has a clear vision windshield; it has a self-starter and Prestolite tank. And all for the one price; there are no "extras."
Our greatest problem is in supplying the demand. The entire 1913 Overland output is contracted for. If you want an Overland we advise quick action.
