

HOW, WHEN AND WHY A SECOND ADVENT

Denver Divines on Right Track,
Says Pastor Russell.

No World-Burning—Satan to Be
Bound—Sin, Sickness and Death to
Be Conquered—Man to Be Delivered.
The Power Vested in Messiah—His
Kingdom Near—How It Will Appear.

Denver, Dec. 1.—
This city is stirred!
Seventeen pastors of all denominations have been discussing The Second Advent for a month. Now comes Pastor Russell telling us all that "The Earth abideth forever"—that it will never be destroyed by literal fire.

According to him the great event of Christ's Coming will bring blessings such as we all desire. He seems to have the Bible and logic on his side too!

Pastor Russell declared that false concepts of the Second Coming of Christ had done great injury. The view set forth in all orthodox creeds is that Christ will come again in the flesh. The resurrection will take place within twenty-four hours. The saintly will rise in the air to meet the Lord. Then fire will come down from heaven, and consume the whole earth. Premillenials claim that Christ will reign in fleshly glory a thousand years to bless the living. The majority of Christians disown this as ridiculous nonsense because they believe little of creed or Bible. A minority perceive its inconsistency with the Bible.

What Bible Students Now See.
The "fire of that day" is symbolical, already kindling in society, the elements of which, Capital and Labor, are getting hotter. Soon they will melt, the symbolical "earth" will be consumed with the "heavens" also, the ecclesiastical powers. Their passing away will usher in a "new earth," or social order, and "new heavens" in Church in glory.

The Second Coming of Christ is associated with blessings. Messiah will abolish the curse and bring in wonderful blessings. The Day of Christ will be the "last Day,"—the great Seventh Thousand-year Day. All humanity will be blessed, including the dead who will then be awakened.

Christ Comes to Reign.
As the redemption was necessary for man's salvation so Messiah's Kingdom is necessary to accomplish restitution. The delay of more than eighteen centuries is Scripturally explained: (1) God designed Six Great One Thousand Year Days to teach mankind the exceeding sinfulness of sin. He purposed that on the Seventh Day the blessing of Messiah should come. (2) An important work has been done since Calvary. An Elect Church has been gathered out of all nations—saints made perfect through suffering, a Little Flock, the "Church of the First-borns." These are to become the Bride of Christ at His Second Advent. The Second Coming of Jesus is to claim His Bride class, and to exalt them. As regards the world, He comes to bind Satan, to overthrow sin, and to uplift fallen humanity. St. Peter tells that Restitution work, not a literal burning of the world, awaits the Second Coming of Jesus: "Times of refreshing shall come from the presence of the Lord."—Acts III, 19-21.

Christ's Kingdom to Be Spiritual.
One great mistake we have all made is in not noticing that Jesus was human for only thirty-three and a half years. He was a glorious spirit being before He was made flesh; and He was resurrected to a spirit condition—higher than His original one. How foolish we were to think of Jesus as a man (a little lower than angels) in the midst of the Heavenly host. He is now partaker of the Divine nature; His Church is to be "changed" and made "like Him." As His descent was from a higher to a lower, so His ascent was from a lower nature to a higher, "far above angels." His is the exceeding glory which "no man hath seen nor can see" —"which no man can approach unto."

It is this glorious Being whose Kingdom is about to be established. He and His Church will be as invisible to men as are Satan and the fallen angels. The appearances of Jesus in the flesh after His resurrection were materializations, to prove: (1) that Jesus was no longer dead; (2) that He was changed, born of the Spirit, able to go and come like the wind.

Parousia, Epiphany, Apocalypsis.
Messiah's Kingdom will have earthly representatives—the faithful saints of previous ages, raised to human perfection instantly. Through these the invisible Messianic Kingdom will operate. Jesus said, "Ye shall see Abraham, Isaac, Jacob and all the prophets in the Kingdom."

The parousia of Jesus will come first—present but invisible. The world will continue with the ordinary affairs of life (while He is gathering the Church), as in the days of Noah.

After the gathering of the Church, there will be an epiphany and an apocalypsis of Jesus. He will shine forth, He will be revealed—not in flesh, but "in flaming fire," the trouble of that Day, in which the present order will be consumed in anarchy, giving place to the Kingdom Dispensation.

BOHUMIR KRYL AND THIRTY OF HIS ARTISTS COMING HERE CHAUTAUQUA WEEK

Photo made in Orchestra hall, Chicago.

A LEADING feature of Chautauqua Week in this city will be the appearance of Bohumir Kryl and his band. This band will comprise thirty or more artists. Mr. Kryl, in addition to leading the band, will appear in cornet solos at each performance.

Bohumir Kryl is today acknowledged to be one of America's five greatest bandmasters, and as a cornet player, according to the Los Angeles Times and other great newspapers, he has no superior in America.

Last summer Kryl and his band appeared on all Redpath Chautauquas in Tennessee, Kentucky, Michigan and Indiana. The demand was so vigorous that he should return to these cities that the Redpath would have been un-

grateful indeed had it disregarded the people's requests. Everywhere Kryl Band Day drew big crowds and created great enthusiasm.

This year the band will be augmented by several more players than last year. One of these will be the widely known harpist, Leo Zelenka Lerando, who has toured throughout Germany, Austria, Italy, Denmark and England.

With further reference to Bohumir Kryl, it will be recalled that he laid down the sculptor's chisel after completing the statue of General Lew Wallace at Crawfordsville, Ind., and made music his life work thereafter at the suggestion of Sousa and that he immediately sprang into great prominence.

Ed Kelley, the Erie Workman, Struck by Train Wednesday Night

MAY GET WELL
Report That He Died on Way to Huntington
Proved to be False.

"The dead may come back to life again." "Ed," "Pat" or "William" Kelley, the Erie construction workman, struck by the Erie fast train No. 13, Wednesday night west of this city, and picked up for dead, and carried to Huntington, did not succumb to injuries on the way there, as reported later to those living west of the city who had helped pick him up. When the train reached Huntington, the injured man was transported to the Huntington hospital in an ambulance. After a thorough examination, although the man was unconscious, no serious injuries could be ascertained by surgeons, but they refused to state the outcome of the accident until developments were revealed.
