June is never so delightful as in the country. With its spacious lawns, its flowering shrubs and cooling breezes, the James K. Niblick home, east of the city, was an ideal place Wednesday afternoon for the entertaining of the St. Vincent de Paul society. Automobiles and other carriages were pressed into use in taking the thirty members to the home and as the weather was so warm, all work was laid aside for the day. A number

of contests, however, were given, bearing out the idea of the rose, as June is considered the month of roses. In one words, ending in "rose," were guessed. Mrs. E. X. Ehinger guessed all correctly and was given a pitcher for a prize. In a guessing of the number of rose petals in an envelope, Mrs. Mary Wemhoff and Mrs. Herman Tettman tied. Mrs. Tettman finally winning in the cutting. Her prize was a cup. Cooling refreshments of tea cream and cake, with coffee were served. Mrs. Mary Wemhoff will have the July meeting.

Mr. and Mrs. Arthur Cook and family of Blue Creek township, are guests today of Mrs. Cook's parents, Mr. and Mrs. J. W. Merriman of the south part of the city. The color scheme of pink and white was carried out, and carnations were the floral decorations. Miss Rose Fuhrman Doing Well Since Operation at Lutheran Hospital.

Lon Klopfenstein, sixteen-year-old son of Mr. and Mrs. Jeff Klopfenstein, of Preble, underwent a very serious operation Wednesday afternoon between 4 and 5 o'clock at the Hope hospital, Fort Wayne, for the removal of his appendix. Lon was in a very serious condition at the time of the operation and had been that way since last Sunday, he having suffered a severe attack, at which time the attendants thought that probably the appendix had broken. The operation was performed by Dr. Duemling and from the present outlook it was a very successful one. Mr. Klopfenstein has been a sufferer from appendicitis since last April and had three attacks during that period, the fourth coming during that period, the fourth coming to improve and be able to return to his home in about three weeks. Mrs. Klopfenstein is at the hospital with her son.

## POLICE COURT NEWS

Five knights of the road were drinking beer, singing songs, and carousing about in general this afternoon in the alley back of the library when a telephone call brought Marshal Peterson on the scene and they were taken before Mayor Teeple. While waiting on the prosecutor to make out affidavits, one of them managed to slip out of the door, down the back stairway and out into the alley. Two men started out in pursuit, but the "hobo" proved to be longer winded than the pursuers and made his escape across the Erie bridge. The other four were given fines of \$5 each and costs and will lay out fifteen days in jail.
