

THE ONE WHO CANNOT WORK

In many, very many households, there are those who cannot work will never be able to do much toward earning their living. It is hard upon the healthy to be thrown upon the world without money what then about these afflicted ones? If there is such a one in your home perhaps the dearest one you have—are you providing for its future when the hour comes when time for you will have become eternity? That man alone can die in peace who has provided protection for his family when he is no longer able to protect them himself

NOSTRILS AND HEAD STUFFY FROM A COLD OR CATARRH

My Cleansing, Healing Balm Instantly Clears Nose, Head and Throat—Stops Nasal Catarrhal Discharges. Dull Headache Goes.

Try "Ely's Cream Balm." Get a small bottle anyway, just to try it—Apply a little in the nostrils and instantly your clogged nose and stopped-up air passages of the head will open; you will breathe freely; dullness and headache disappear. TRANSPARENT SLEEVES DISTINGUISH MANY OF THE NEW BLOUSES

Great is the vogue of the blouse this season. In chiffon, net and delicately patterned laces they are worn with skirts of moire, silk poplin, duvetyne and the numerous other supple drapery stuffs so smart at the moment.

Simple in line and design many of the blouses depend more or less for effect upon odd frills, quaint collars, vest effects and decorative materials. One distinguished little model (7913) has an oversleeve with slightly low shoulder that would be most attractive in flowered chiffon. The underblouse, which has a full length sleeve, could be in one of the finely figured laces that are used so much just now. These laces are often dipped and tinted slightly to harmonize with the skirt or suit for which they are intended. A narrow frill finishes the neck prettily.

A most becoming conceit to wear the low cut blouse is a narrow band of satin or velvet ribbon not wider than a quarter of an inch, tied around the throat very high in the back. 1913 may be copied in size 36 with 2 1/4 yards of 26 inch material. Another blouse in peasant design is perfectly plain without tuck or plait. The V shaped neck is finished with a softly folded fichu. Embroidered net or figured crepe is suitable for the model. Size 36 will require 2 yards of 26 inch material.

Loose and comfy to a degree are the blouses that slip on over the head, without opening front or back. No 7933 is an attractive design in this style, the pointed peplum is a new fashion detail this season. This design requires for size 36, 2 1/4 yards of 26 inch material. Each pattern 15 cents.

To obtain either pattern illustrated fill out this coupon and inclose 15 cents in stamps or coin. Be sure to state number of pattern and size, measuring over the fullest part of the bust for dimensions. Address Pattern Department.
