NOTICE TO THE PUBLIC.

We wish to take this means to apprise the laity of Decatur and Adams county that the United Doctors are far from being the wonderful specialist and cure-alls that they claim to be. Their well-worked, misleading, paid for advertisements are undoubtedly their greatest assets. The American Medical Association, among whose members are the most ethical, high minded and greatest men in medicine and surgery of the present day, has this to say of the United Doctors:

"United Doctors is the name for a business originated and owned practically by one man. It is not a professional organization but a business concern. 'The Great Specialists' are professional renegades, hired at a small salary, old and young, many of them with the most meager equipment training and experience. Others have been failures in the regular practice of various reasons have been induced to engage in this form of quackery."

What this association says you can rely on. Go to your family physician and ask him to tell you the truth about this slick game of graft.

Some of the testimonials published by some of the United Doctors are no only untrue, but published without the knowledge of or the consent of the patient. This statement is proven by sworn statements in the hands of the A. M. A. by the patient or other close relatives.

Now, Mr. and Mrs. Patient, this article is published that the honest laity may be informed correctly about this form of graft.

Your home physician is capable to take care of your every ailment and when he needs help he will call in or take you to a highly capable ethical physician or surgeon who puts health above the dollar mark.

We believe the laity of this community is entitled to this information which is given in all sincerity.

ATTRACTIVE HAIR

Always Fascinates — Parisian Sage Makes Hair That is Dull, Faded or Thin, Abundant and Gloriously Radiant.

Every girl and woman, too, wants to be beautiful and attractive—it's her birthright—but unsightly, or thin and characterless hair destroys half the beauty of the most attractive face.

If your hair is not fascinating, is thinning out, full of dandruff, dry or of the scalp itches and burns, begin at once the use of Parisian Sage. It will double the beauty of the hair, cool and invigorate the scalp and the first application removes dandruff. It is the hair tonic par excellence, con-

taining the proper elements to supply hair needs and make the hair soft, wavy, lustrous and abundant.

Parisian Sage as sold by the Holt-House Drug Company at Decatur in 50 cent bottles is pleasant and refreshing, daintily perfumed — neither greasy or sticky.

DOINGS IN SOCIETY

WEEK'S SOCIAL CALENDAR.

Friday.

Westminster Guild—Lucile Spith. Christian Ladies' Aid—Mrs. W. C. McKinney.

Enterpean—Mrs. J. W. Tyndall.

The Chinese Theater was interestingly discussed by Miss Bessie Boyers in her paper before the Tri-Kappa oratory at the home of Miss Jean Butler Tuesday evening. The roll call drew responses about Chinese music, and a reading "Nothing New Under the Sun" proved appropriate for this old empire with its customs that remained unchanged for so many hundreds of years.

Mrs. Mary Christen and her sister, Mrs. Mina Nickey, of Buffalo, N. Y., went to Portland to spend the day with Mrs. Mary Numbers and daughter, Mrs. Till Harris.

Edward C. Bleeke, the prominent Union township farmer, was given the surprise of his life yesterday evening or his fiftieth birthday anniversary. The affair was planned by his wife and guests were a large number of relatives and friends. Mr. Bleeke had been in town during the afternoon. On returning home he had just taken himself settled in the house to warm after his long ride, when the company burst in upon him, having previously assembled at the Otto Bleeke home. He was so surprised that he did not need any further warmth, but recovered sufficiently to join with the others in the good time. At 6 o'clock Mrs. Bleeke served a delicious supper and the evening was spent socially. Mr. Bleeke was presented with a handsome gold watch by his wife and a number of other gifts from the others. His brother, Ferdinand Bleeke, and wife from this city, were among those attending. Others were Rev. Hoffman and family, Mr. and Mrs. Otto Bleeke, Mr. and Mrs. Henry Bleeke, Mrs. Ferdinand Reinking, Mrs. William Bleeke, William Barrone and family, Mr. and Mrs. William Reidschach of Convoys, Ohio; Herbert Bleeke and Miss Hulda Schmidt, Ft. Wayne.

The G. W. C. Club had a splendid time last evening when Miss Anna Glinley entertained them.

Mr. and Mrs. Alva Jungmans of Vincennes are guests of the Peter Kirsch family at dinner and supper today. They were recently married and are here on their wedding trip.

The Poinsettia club girls had a splendid time with Miss Frances Coffe last evening, where they played cards and talked and enjoyed the delicious luncheon at the close of the evening. Prizes were won by the Misses Ode Fullenkamp and Bess Toneller. Miss Stella Bremerkamp will entertain the club next week.

A jolly time over their needlework was had by the girls of the Elite Embroidery club last evening when Miss Agnes Costello entertained. The good time will be continued next week with Miss Mildred LaDelle hostess.

When Mrs. Oscar Lankenau entertained the Orient club yesterday afternoon she invited a number of guests also. They were Mrs. Morton Stults, Mrs. Charles Hower, Mrs. John Selig and Mrs. Herb Lachot. Besides the regular amusements Mrs. Lankenau provided a clever contest. Outlines of states were drawn and the names of the states were to be guessed. Mrs. Charles Hower won the prize.

Miss Irene Eady gave a delightful dinner party today noon, her guests being the Misses Frances Mougey, Stella David, Ruth Daniels and Esther Enos.

Mrs. S. P. Sheets gave a dinner party for Mr. and Mrs. Charles Johnson, Mr. and Mrs. W. A. Fanner, Mrs. Ed Johnson and sons, Frank and Glenn.

The Eureka club will meet Thursday evening at the home of Mrs. J. Foughty on Ninth street. Each member is urged to be present at this meeting.
