SALTS FINE FOR ACHING KIDNEYS.
We eat too much meat which clogs Kidneys, then the back hurts

Most folks forget that the kidneys, like the bowels, get sluggish and clogged and need a flushing occasionally, else we have backache and dull misery in the kidney region, severe headaches, rheumatic twinges, torpid liver, acid stomach, sleeplessness and all sorts of bladder disorders

You simply must keep your kidneys active and clean, and the moment you feel an ache or pain in the kidney region, get about four ounces of Jad Salts from The Holthouse Drug Co. Take a tablespoonful in a glass of water before breakfast and in a few days your kidneys will act fine. This famous Salts is made from the acid of grapes and lemon juice combined with lithia, and is harmless; inexpensive; makes a delightful effervescent lithia-water drink which everybody should take now and then to keep their kidneys clean, thus avoiding serious complications.

A well-known druggist says he sells lots of Jad Salts to folks who believe in overcoming kidney trouble while it is trouble.

Practical Fashion Hints
By Alice Gibson

An extremely dainty one piece night-gown is shown in No. 7267. The design is simple enough to be made in an hour.

One of the most practical materials for lingerie is the washable cotton crepe, which has come into favor for so many things during the past season. This crepe requires no ironing—in fact, would be spoiled by ironing. It washes easily and wears better than nainsook or thin lawn. Quite an attractive find just now is to have one's lingerie in some delicate shade—pink, blue or lavender. This crepe comes in all of these shades as well as in white.

With a material such as this, which is apt to pull when being stitched, an excellent way of finishing the seams is to bind with a narrow bias strip of this muslin. It saves time, stitch it in with the seam on one side, then fold it over and run a second line of stitching along the outer edge.

Size 36 in this gown may be made with 3 1/2 yards of 40 inch material. The pattern is cut in 4 sizes, 32 to 44.

This Is a Perfect Pattern.

Be sure to state right size, measuring over the fullest part of the bust for dimensions.

It may be obtained by filling out the coupon and inclosing 15 cents in stamps or coin to the Pattern Department of this paper.

TURN HAIR DARK WITH SAGE TEA
If Mixed With Sulphur It Darkens so Naturally Nobody Can Tell.

The old-time mixture of Sage Tea and Sulphur for darkening gray, streaked and faded hair is grandmother's treatment, and folks are again using it to keep their hair a good, even color, which is quite sensible, as we are living in an age when a youthful appearance is of the greatest advantage.

Nowadays, though, we don't have the troublesome task of gathering the sage and the mussy mixing at home. All drug stores sell the ready-to-use product called "Wyeth's Sage and Sulphur Hair Remedy" for about 50 cents a bottle. It is very popular because nobody can discover it has been applied. Simply moisten your comb or a soft brush with it and draw this through your hair, taking one small strand at a time; by morning the gray hair disappears, but what delights the ladies with Wyeth's Sage and Sulphur is that, besides beautifully darkening the hair after a few applications, it also produces that soft lustre and appearance of abundance which is so attractive; besides, prevents dandruff, itching scalp and falling hair.

HYOMEI RELIEVES IN FIVE MINUTES.
Help Comes Quickly When Hyomei is Used for Catarrh, Bronchitis and Cold in the Head.

If you suffer from raising of mucous, husky voice discharge from the nose, droppings in the throat, sniffles, or any other symptoms of catarrh, or have bronchitis or cold in the head surely use Hyomei. It will banish the disease germs in the nose, throat and lungs, and give quick and permanent relief or money refunded by the Holthouse Drug Co. at Decatur.

The Hyomei treatment gives a tonic healing effect to the air you breathe, destroys the catarrhal germs, stops the poisonous secretions, soothes and makes a marked improvement in the general health.

The complete outfit, including inhaler and bottle of liquid, costs \$1.00; extra bottles of liquid, if later needed, 50 cents.

THE SEASONS GREETING

In rapid succession the days and weeks and months have rolled by, until we again approach the eve of a new year. It seems but a short time since we said "hello" to 1913 and now we say "good-bye." We hope that it has been a prosperous and happy year for you and that 1914 soon to be ushered in will be more so.

During the past year The Daily Democrat has tried to fill its mission, to furnish you as near as possible all the news of the county all the time. Its a big job and one that can never be entirely perfected, but we enjoy this work of trying to please you by each day furnishing you the items of most interest to you—the court news, the markets, the society, the events of big and little moment, particularly in Adams County and incidentally all over the world.

How well we have succeeded must be judged by our readers, but we feel that they agree with us that we have at least partially succeeded, and our proof is that our subscription list has grown several hundred during the past year. We hope it will continue to do so and we want you to keep on taking the Daily Democrat and to have your neighbor and friends do so.

JANUARY IS SUBSCRIPTION MONTH

Several years ago we set apart the month of January as the one during which we make a special effort to renew our subscription list. This year we offer you our promise of a better paper and in addition we will give to all those who pay for the Democrat during the month of January, renewing up to 1915, a handsome gift—"A Valuable Paper Wallet."

This wallet is bound in leatherette and contains eight heavy envelopes, "a place for everything and everything in its place." It retails in the city stores for \$1.00 and is worth it. You get it free if you pay your subscription to January 1, 1915 and pay it during the month of January.
