THERE ON THURSDAY

Bride Was Formerly Miss
Beulah Engel--Will Live
At Wayland, Mich.

Mr. and Mrs. Joseph Fuhrman arrived late last night from Plymouth for a honeymoon visit with the groom's parents Mr. and Mrs. Samuel Fuhrman of Root township.

The bride was formerly Miss Beulah Engel, a well known young lady of Plymouth. Their wedding was solemnized Thursday evening at the Episcopal parsonage at that place by the minister of the Episcopal church.

Mr. Fuhrman formerly had an interest in the True & Runyon store this city and also served as a clerk there during that time. He is a telegrapher by profession and it was while stationed at Plymouth in that capacity several years ago, that he became acquainted with Miss Engel.

He is now stationed at Wayland, Michigan, as telegrapher for the Grand Rapids & Indiana railroad and it is there that they will make their home.

Both Mr. Fuhrman and his bride are of the best character and their marriage is bringing them many congratulations from their friends.

DOINGS IN SOCIETY

WEEK'S SOCIAL CALENDAR.

Mrs. Clark Spahr, assisted by Mrs. Harve Smith entertained the Mite society of the Methodist church at her home yesterday afternoon. No business came before the society and after the devotionals, a social time was in order and refreshments were served.

Mr. S. B. Nicholas who has been in this city the past week the guest of his sister, Mrs. Hannah Sudduth and children left this morning on the 3:35 train for Chicago, thence to Colorado Springs to spend a couple of months and if his health will permit he will go on to California. Mr. Nicholas lost his wife abroad a year ago and from loneliness and poor health he takes this trip. He has been a shoe dealer in Columbus for twenty-seven years but he has retired from that business and now owns a large rooming house near the university. His son Harry and wife are caring for the house during his absence. The probabilities are he will be gone a year. Mr. and Mrs. Aaron Devinney entertained their uncle Mr. S. B. Nicholas of Columbus, Ohio, at a picnic dinner on their lawn. The other guests were Mr. and Mrs. Elmer Tricker and son, Richard. He was entertained at supper by Mr. and Mrs. Elmer Tricker, other guests being Mr. and Mrs. A. Devinney.

The wedding of Tom Thumb and Jenny June at the Methodist Sunday school room last evening was a very successful one. For an hour and a half the large audience was thoroughly delighted. The platform was arranged in the form of a church with its seats and aisles, and the little guests, the old maid aunts, uncles and cousins and grandparents of the couple, in costume, were brought in one by one, or in couples, by the two ushers and seated. When all had been assembled, the bridal party entered. Miss Dorothy Walters at the piano played for the entire wedding. There were songs by Ruth Smith, Beulah Nichols, Lois Peterson, Oliver Gattshall, Bernice Leonard, the old maid aunts—Victoria Mills, Helen Stephenson, Donna Parrish and Dorothy Walters—besides choruses. The songs were character songs and were well given, as indeed was every part of the wedding. The bride was Katherine Kaufman and the groom Arthur Hower Ford. The entire cast was announced before. The little serving girls at the conclusion of the ceremony, served each child who took part, a cup of ice cream.

The Mite society ladies announce that their receipts were \$54. of which they received half. This is quite a good profit as they had not a cent of expense.

WOMEN TO VOTE

In Every State in the Union
Within Next Three Years
Said Speaker Clark.

ARE STILL HOPEFUL

Administration is Confident
That Mexican Problem can
Be Settled Peaceably.

Washington, D. C., June 27.—(Special to Daily Democrat)—Speaker Clark today declared that by 1917 or a little later, women will be voting in every state of the union. Vice-president Marshall would not make so satisfactory a promise. Both were approached by suffragettes bearing petitions with over 100,000 names from 38 states. "Women suffrage is an inevitable as the rising sun of tomorrow. I hope you will continue as peaceful a way as you have started," said the speaker. "We feel our method is slow," said Dr. Anna H. Shaw, "and that more progress would be made if congress encouraged the states. For six thousand years men have been trying to run this world and some of them think we have been making a bad mess of it," said Clark. When the women told Marshall that congress should get away from its masculine calm, Marshall drawled, "My dear lady I can't get away from my wife. You know Mrs. Marshall is not a suffragette and I don't want her to be."

Washington, D. C., June 27.—(Special to Daily Democrat)—The constitutional delegates in the United States have no immediate intention of taking part in the proposed conference with the Huerta delegates for a settlement of the Mexican problem. This intention was stated today by one of the delegates who said that Carranza's representatives probably would remain in Washington for several weeks. The administration is so confident that the factions can settle on peaceful terms that General Wood has been ordered to assume duty as commander of the eastern division on Governor's Island.

Paris, June 27.—(Special to the Daily Democrat)—Frank Moran arrived today to find the betting three to one against him. He will meet Jack Johnson this evening. Moran said that the first three or four rounds may be against him but by the fifteenth round he would have the "smoke" coming his way.

Zacatecas, June 27.—(Special to the Daily Democrat)—The federal army fleeing before Villa's cavalry was today near Aquas Palientes. Laggards of the one powerful army were overtaken and several skirmishes resulted. The federals deserted their positions and destroyed great quantities of food and ammunition.

Maden, N. D., June 27.—(Special to Daily Democrat)—Business men and clerks today began the work of raving merchandise caught in the flood caused by a cloud burst which made a rise in the river flowing through the town of six feet in two hours. The water is still four feet deep in the main street and all boats and canoes available are being pressed into service.

POLICE COURT

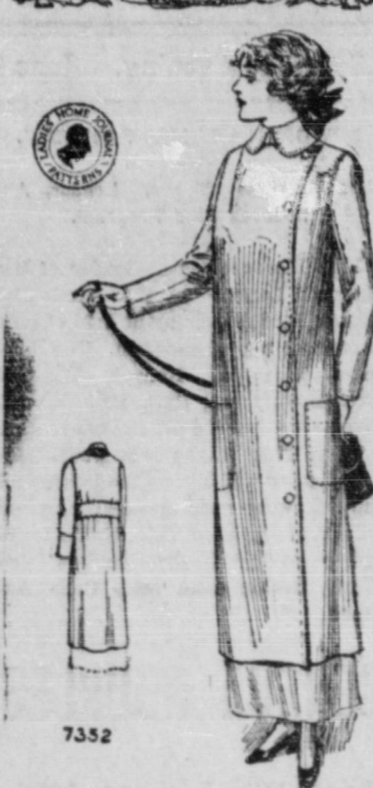

Frank Roop was arrested this afternoon by Marshal Melch on an affidavit sworn out by his wife, charging him with public intoxication. The affidavit was sworn out on June 24, but Roop could not be found until today. Mrs. Roop has not been living with Mr. Roop for several months. On June 24, while in a badly intoxicated condition, Roop went to the house in which Mrs. Roop is living and started trouble. The police were called but when they arrived Roop had taken to the woods. Mrs. Roop was ill at the time and Prosecutor Parrish made an affidavit. A charge is also filed against Roop by his stepson, John Smith for surety of the peace. Roop was taken before Squire Kintz and furnished bail for his hearing next week.

Practical Fashion Hints

By Alice Gibson

Coat making at home does not possess the difficulties of some seasons ago, when to attempt one at home was to court failure owing to the numerous paddings and stiffenings required to produce a smart effect. Quite the opposite is modish this season. Every thing must be soft and clinging. For thinner materials an interlining of lamb's wool is the only thing necessary aside from the regular lining.

7352 is a design that is well suited to the reversible materials, plaids and double faced fabrics. An economical and attractive fad this season is to finish both sides equally well and turn the coat according to the costume worn. For instance, one of the new reversible materials ranging in price from \$2 to \$8 a yard is a soft tan on one side and white on the other. Made after a design like the coat shown here, the seams are strapped and stitched on both sides, tan strips on the white and white on the tan. When worn with the tan side out the collar and wide turned back cuffs are white and vice versa.

To make this coat in size 36 it requires 4½ yards of 42 inch material, with ¾ yard of satin or velvet for the collar and cuffs.

The pattern is cut in 6 sizes; 32 to 42.

This Is a Perfect Pattern.

Be sure to state right size, measuring over the fullest part of the bust for dimensions.
