Entered at the postoffice in Decatur, Indiana, as second class matter.

Governor Ralston's speech to the editors at Evansville a few evenings ago was a sound and convincing argument that cannot be met by the republican press. Watch them try it.

Billy Blodgett did not get very far with his story that Donn M. Roberts was to announce himself as a candidate for governor. Just a little personal affair between those two men and Billy couldn't resist the opportunity to embarrass the Terre Haute mayor.

Bob Tucker, special correspondent of the Inquirer predicts that Indiana will be carried by the democrats this year by a majority of from 65,000 to 100,000. Others place the estimate at a much higher figure, but every body concedes that the victory will go to the democrats.

The reception given the democratic editors at Evansville last week was hospitable to a degree that defies competition. The heat was rather excessive but it failed to prevent the editors and those of the party from enjoying the many forms of entertainment provided for them.

Merrill Moores has been nominated as the republican nominee for congress in the seventh district which includes the city of Indianapolis. Mr. Hibben, the progressive nominee is out with a statement that Moores is a part of the old Watson-Hemeway machine and will fight him to the last ditch.

The Fort Wayne Journal-Gazette, should at least have learned the truth before it made an attack upon several Decatur business institutions in its report of a strike here. The story as printed in last Sunday's paper was exaggerated, untruthful in at least several of the statements and very much unwarranted. We fail to see how it will help the cause they espouse in any way.

The democratic state committee have secured the services of Betty Blythe, one of the most talented newspaper feature writers of the state to prepare special stories from this time on until the close of the campaign. Her articles will be along the line of the "whose who and why" stories of the magazines and will be an entirely new form of political writing in this state. The stories will be printed in every democratic paper in the state.

Jack Nolan, Fred Lowenstein, Mayor Bosse and the other boys who do things in Evansville sure know how they left nothing undone to convince

the editors that they were welcomed at Evansville. Its a live city, with a future which seems brightest of any city in Indiana. With a population of 75,000, a splendid manufacturing and wholesale business, good railway facilities, a park system equalled in but few cities and the canalization of the Ohio river, it can and will improve rapidly.

The pleasant and immaculate kitchen of Miss Victoria Stone was thrown open at three o'clock yesterday afternoon to a company of twelve ladies for a domestic science demonstration, the ultimate purpose being the demonstration of several specialties of Wear-ever aluminum, by the representative of the company, Lyman Overshiner, a medical student of Indiana University. The gas range was lighted and the roasting of meat on top of the stove was demonstrated, as well as the making of pancakes on a griddle without the use of grease, the boiling of milk, the poaching of eggs and other things. The use of the aluminum, its care and cleansing was also explained, and after the demonstration questions were answered. The roast was then served in sandwich form. The afternoon's lesson was instructive as well as entertaining. Mr. Overshiner has spent two summers representing this line and came here this time, having become acquainted with Clem Steigmeier and Paul Myers, Decatur boys who are students at I. U. Each lady attending was given a Wear-ever stew pan as a souvenir. Several similar affairs will be given. Those present were: Mrs. J. C. Patterson, Mrs. Fred Patterson, Mrs. Burt Mangold, Mrs. Nosh Mangold, Mrs. Claude ong and daughter, Louise, Glennys Mangold, Mrs. Arthur Fisher, Mrs. George Planders, Mrs. Charles Myers, Jessie Magley. This is the same line of aluminum handled by John Brock of this city but the specialties introduced by Mr. Overshiner are exclusive pieces.

Mrs. P. B. Thomas has issued invitations for a flag party for Wednesday afternoon from three to five to be given on the Thomas lawn in compliment to her grandchildren, Helen and Tommy Haubold of Prescott, Arizona. The affair promises to be a splendid one and will be much enjoyed by the little folks.

The country home of Mrs. Elizabeth Heidemann was given over today to the entertainment of ladies who had a splendid time. They were Mrs. Margaret Meibers, Mrs. J. H. Voglewede and Mrs. B. Uhl of Toledo, O.

Miss Hattie Studebaker has invited a number of the friends of Miss Emily Numbers, formerly of Decatur, now of Austin, Texas, to meet her informally

at her home this afternoon. Miss Numbers has been visiting with her sister, Mrs. George Beers at Fort Wayne, and came today for a several days visit with Miss Studebaker. Mrs. Beers' daughter, Mrs. McKay, and the Misses Catherine and Margaret Vesey of Fort Wayne are also here. The old friends of Miss Numbers will be welcomed received during her stay at the Studebaker home and pleasant associations of the days of her residence here will be renewed.

An informal private dance at the K. of C. hall was given last evening in compliment to Mr. and Mrs. Ed Geis of Brookville, who will return home tomorrow after spending their honeymoon here. Twenty couples attended and the music was provided by Bertha Kohne and Elmo Smith.

Miss Lydia Miller entertained at supper last evening in compliment to Mr. and Mrs. E. Geis of Brookville. Covers for the delicious dinner were also laid for Mr. & Mrs. Joe Lose, Ode and Letta Fullenkamp, Ed Weisling and Tony Hackman.

Mr. and Mrs. Rudolph Weiland entertained the following young folks Sunday evening at their beautiful country home in Union township. The following were present: Messrs. Walter Puelling, Ralph Lossen of Root township, Adolph and Robert Marbach, Roland Grote, Aaron Weiland and Herbert Reinking and the Messrs Edith and Sophia Puelling, Luella Conrad, Flora Berger, Ruth Brokaw of Root township, Ruth Marbach of Decatur, Viola Grote, Cordula Weiland and Louise Marbach. Although they all had been to the Bleeke picnic in the afternoon where they had had refreshments of all kinds, they all ate heartily of the most delicious supper, served by Mrs. Weiland. Games were played, songs sung, and jokes told until a late hour.

The wedding of Miss Dorothy Whit- neck and Frank Hartup, was solemn- ized Saturday evening at the Methodist parsonage, Rev. A. S. Preston officiat- ing. Miss Whitnecker, who is the daughter of Mrs. Martha Whitnecker, of Ridgeville, has been a nurse in this city for several years taking her train- ing as a nurse at the county hospital and since her graduation being employed as nurse in private cases and also at the Portland and Pennville hospi- tals. Mr. Hartup is the son of Mrs. Em- ma Hartup near Pennville and the young couple have gone to house-keep- ing on a farm near that place.—Port- land Com. Review. Miss Whitnecker has often visited here with Miss Lily Gerard, Miss Gerard having served as superintendent of the Jay county hospi- tal.

In these days of family gatherings and reunions, the Ruf tribe can re- port their first. It was small when num- bers are considered, but that fact in- to way hindered its success. Gallon- O., was the place of the event, and Canal Winchester has been designat- ed for this annual next year. The attendance was perfect—eighteen in- all. They came from Indiana and Michigan into this good old Buckeye state. Rev. Frank Ruf, a former pas- ter here, and his wife, were host and hostess, providing a mighty fine chick- en dinner, Friday, June 12. The fam- ily had not been together for several years, and the meeting was most hap- py indeed. The following were pre- sent: Rev. and Mrs. B. Ruf of Bay City, Mich., Rev. and Mrs. George Longaker and children of Canal Win- chester, O., Rev. and Mrs. F. B. Ruf and daughter of Gallon, O., Rev. and Mrs. L. C. Gain of Fifteen Miles---

Court Notes.

Adams county's share of the auto- mobile license money will be greater this year than last. According to the law, asking that this be done July 1, Auditor Baltzell has ready for sending to the secretary of state, the number of miles of macadam or gravel roads under the county repair supervision, July 1. The sum received from the auto licenses is apportioned according to the mileage. This year the num- ber of miles in Adams county is 455; last year it was 440. As the law was new last year, the license sums were paid for only a half year. This year, the full years is paid for, hence the draw will be double that of last year plus the amount for gain of mileage.

Washington, June 30.—(Special to Daily Democrat)—The administration today is using every influence to pre- vent an open break between Carranza and Villa but it is believed that a re- volution within a revolution cannot long be averted. This will bring rough inter-national trouble as the foreign powers would at once demand that this government protect their citizens.

## BIG EATERS GET KIDNEY TROUBLE

Take a glass of Salts before breakfast if your Back hurts or Bladder bothers you.

The American men and women must guard constantly against Kidney trouble, because we eat too much and all our food is rich. Our blood is filled with uric acid which the kidneys strive to filter out, they weaken from overwork, become sluggish; the eliminative tissues clog and the result is kidney trouble, bladder weakness and a general decline in health. When your kidneys feel like lumps of lead; your back hurts or the urine is cloudy, full of sediment or you are obliged to seek relief two or three times during the night; if you suffer with sick headache or dizzy, nervous spells, acid stomach, or you have rheumatism when the weather is bad, get from your phar- macist about four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush and stimulate clogged kidneys; to neutralize the acids in the urine so it no longer is a source of irritation, thus ending bladder disorders.

Jad Salts is inexpensive; cannot in- jure, makes a delightful effervescent lithia-water beverage, and belongs in every home, because nobody can make a mistake by having a good kidney flush- ing any time.
