

## ALWAYS LOOKING FOR THE BEST

You've read about "Top Notch" rubbers in the magazines and farm Journals and you've at least, made up your mind that you'd like to see a rubber about which the manufacturers are making such seemingly extravagant claims of wear. We have them here for your inspection, some cut open to show construction, some that were worn last winter-showing the actual wear. You needn't buy, just look.

The Everett, Hite & Hunsicker fruit company is busily engaged today removing the stock from the building on Madison street to the new quarters at the corner of Third and Monroe streets into the Weber building formerly occupied by the Ward Manufacturing company's offices.

Two big moving picture features, one "The Million Dollar Mystery," at the Crystal, and the other "The Trey of Hearts," at the Rex, will be shown this evening. "The Trey of Hearts" is on its second series, while "The Million Dollar Mystery" just starts this evening. Both shows are very interesting and are causing a great deal of comment.

The funeral services of Mrs. Leonard Doty and her twin daughters, whose death occurred Sunday night at the family home on North Meridian street, were held on Wednesday afternoon. The services were held from the Evangelical church, in charge of the pastor, Rev. George S. Lozier, and burial took place in Green Park cemetery. The deceased was thirty-four years of age and leaves a husband and six children.—Portland Sun.

The annual report of Gaylor M. Saltzger, commissioner of pensions which was issued Monday, shows that during the fiscal year, ending June 30, 1914, pensions were paid to 47,858 Indians and that the total amount distributed to these Indiana pensioners was \$10,514,339.04. Indiana was fifth among the states in the amount of pension money paid out, being exceeded by the following states: Ohio, \$16,312,133.60; Pennsylvania, \$15,907,263.26; New York, \$14,361,155.52; Illinois, \$11,880,748.64.

William Brown, of Defiance, O., was seriously injured by the premature explosion of dynamite being used in hunting musk rats along the river. He was struck in the face and hands by the full force of the charge. It was found necessary to amputate the right forearm as the hand was completely blown off and one of the fingers was blown into the abdomen inflicting a serious wound, but fortunately did not penetrate the abdominal cavity. Mr. Brown also suffered the loss of one eye and possibly both. His face and chest is a mass of laceration.

Huntington was visited last week by "Uncle Oliver Jones," of Warren. Uncle Oliver, was ninety-four years old a few days ago, is the last one of the noted Johnny Jones family, whose home on the Salamoine was for years the stopping place of every Indian and white man who passed that way. Oliver Jones lived in the old home, until a few years ago, since when he has lived in Warren. He had not been in Huntington for a number of years, and expressed great surprise at the growth of the city, as he was driven over it. In spite of his years Uncle Oliver is in full possession of his faculties and evinces great interest in everything.

### OSTEOPATHY FOR THE SEDENTARY WORKERS.

Osteopathy is a boon to the man of sedentary habits and to the overworked business and professional man or woman. The osteopathic physician is especially trained and fitted to find and remove the little mechanical derangements of the body-mechanic, which interfere with the normal blood and nerve supply of the organs and tissues of the body.

These derangements are the small beginnings of disease. The osteopathic physician offers to the busy man an opportunity to retain his fitness to increase his efficiency, add years to his life and in his later days escape such foes as rheumatism, Bright's disease, arterio-sclerosis, nervous prostration and prostatic troubles.

For these conditions osteopathy is not only the surest preventative but the best means of cure.

### HOW FRENCH PEOPLE CURE STOMACH TROUBLE.

A household remedy of the French peasantry, consisting of pure vegetable oil, and said to possess wonderful merit in the treatment of stomach, liver and intestinal troubles, has been introduced in this country by George H. Mayr, who for twenty-five years has been one of the leading down-town druggists of Chicago and who himself was cured by its use. So quick and effective is its action that a single dose is usually enough to bring pronounced relief in the most stubborn cases, and many people who have tried it declare they never heard of anything to produce such remarkable results in so short a time. It is known as Mayr's Wonderful Stomach Remedy and can now be had at almost any drug store. It is now sold here by all druggists.

## Free Trip To Florida

YOU CAN HAVE AN INCOME OF \$10,000.00 PER YEAR

LET US ASSUME THE RESPONSIBILITY AND RISK OF SHOWING AND PROVING TO YOU AS A HOME-SEEKER OR INVESTOR THAT 40 ACRES OF OUR FAMOUS HIGH RIDGE LAND AROUND DUNDEE, FLORIDA, DEVELOPED TO ORANGE AND GRAPE FRUIT TREES, ASSURES YOU A MINIMUM INCOME OF \$10,000 PER YEAR. IF WE CAN NOT DO THIS MY COMPANY WILL CHEERFULLY REFUND YOU THE EXPENSE OF YOUR TRIP TO SEE THIS LAND.

For many VITALLY IMPORTANT REASONS THAT NO ONE CAN AFFORD TO IGNORE, THESE ARE THE BEST CITRUS FRUIT LANDS IN THE U. S. A. (Let me tell you why) and we are selling it at a VERY LOW PRICE CONSIDERING its actual and potential value.

As a matter of fact 10 acres of this land developed to Citrus fruit by anyone, with or without living there, will MAKE THEM ABSOLUTELY FINANCIALLY INDEPENDENT FOR LIFE AND ASSURE THEM A LARGE PERMANENT ANNUAL INCOME. Trees planted in this DEEP FERTILE SOIL SHOULD LIVE 100 YEARS and they BEAR FRUIT EVERY YEAR.

THIS KIND OF LAND IS VERY LIMITED IN EXTENT and it is the candid opinion of the most reliable business men, homeseekers and investors that have been there with us from both North and South, that the remaining unimproved land will be having plenty of purchasers within a few years at from \$500.00 to \$1,000.00 per acre. This will appeal to you as being very probable, when we consider the fact that this land CAN BE DEVELOPED TO GROVES AT A SURPRISINGLY LOW COST and made to pay average annual DIVIDENDS OF FROM 15 PER CENT TO 25 PER CENT ON A VALUATION OF \$5,000 PER ACRE. (Note carefully) these are not PROBLEMATICAL OR THEORETICAL FIGURES, BUT ARE BASED ON ACTUAL EXPERIENCE AND RESULTS.

Citrus Fruit Lands of inferior quality are being sold in California for \$500.00 to \$1,500.00 per acre and they require irrigating, which is very expensive and mostly undependable and the ultimate profits much smaller.

A good 5-year-old grove at this time is worth approximately \$1,000.00 per acre. A huge increase in value above actual cost of development, which 4th and 5th year crops should pay for entirely. Ten (10) year old groves are worth approximately \$2,500 per acre.

### They Increase in Value and Income Paying Capacity Every Year. Think Of It

And everybody has the SAME CHANCE while it lasts. It's the best there is and a sure thing. WHO CAN AFFORD TO MISS IT?

Hundreds have been there with us and are now enthusiastic owners of thousands of acres and are sending their fathers, sisters, relatives and

friends with us in large numbers every trip.

These lands are steadily and rapidly increasing in price. Go with us now, buy at present prices and incidentally get choice of location, which is invariably very important.

The climate is equable, healthy;

cures Rheumatism, Asthma, Catarrh, etc., and is all that can be desired.

Land is high, rolling and dotted with many crystal clear spring-water lakes full of large game fish, which are easily caught. Some of the finest hunting grounds in the U. S. A. are within easy reach.

### DR. J. H. ROSS

Formerly of Kokomo, Ind., at this time owner of a large grove in our district and President of the CITRUS FRUIT EXCHANGE OF FLORIDA, says he can remove all but one tree on each acre of his grove AND THAT EACH

ACRE WITH BUT ONE TREE LEFT ON IT WILL THEN PAY HIM A LARGER PROFIT than the BEST BLACK SOIL FARM LAND IN INDIANA, ILLINOIS OR IOWA PAYS THE FARMER. These BLACK SOIL FARMS sell for from \$150 to \$200

PER ACRE. HE HAS 50 TREES TO THE ACRE IN HIS GROVE. THINK OF IT, 50 times the profit, less work and an almost ideal place to live. We sell this land in tracts as small as three acres.

### Our Next Trip is on October 20th.

and we expect to have thirty people from this city and vicinity. HAVE PRIVATE CAR. Wonderful trip through the beautiful historic South and its many famous battlefields. R. R. Fare Round Trip, \$31.20.

YOU CAN'T AFFORD TO WAIT OR PASS UP THIS OPPORTUNITY. WE ASSUME ALL THE RESPONSIBILITY

OF PROVING OUR STATEMENTS AND THE FACT THAT THIS IS YOUR OPPORTUNITY. It won't be in our power to prolong this offer indefinitely as the LAND IS SELLING VERY RAPIDLY. WHAT'S THE USE OF WAITING OR EXCUSE FOR NOT SEEING US NOW. LET ME REFER

YOU TO SOMEONE WHO HAS SEEN THIS LAND.

CALL, WRITE OR 'PHONE ME AT ONCE. I'll be glad to furnish free literature, and information desired or to have private interview with you, even if you cannot go on the 20th. Don't hesitate. You are WELCOME.

THIS AD MAY ONLY APPEAR ONCE. SO BE SURE SAVE IT IF YOU ARE INTERESTED.
