

AGED MAN DEAD

Abraham Debolt, Well Known Resident of Root Township Died Today.

WAS ILL LONG

Was Seventy-six Years Old
--Mrs. Eleanor Johnston to be Brought Here.

Abraham Debolt, a well known resident of the county, died this morning at 4:15 o'clock at his home in Root township, after a long period of declining health. Mr. Debolt had reached the age of seventy-six years and three days, having been born June 29, 1839, being a native of Ohio.

For nearly half a century he has been a resident of this county, having been a resident of Union township for the greater part of the time. About five years ago he moved to his present home in Root township.

While he has been ailing for several years of Bright's disease, he has been bedfast only about four months. The widow, Sarah Debolt, is living; also the following children: Samuel Debolt; Mrs. Libbie Betz, Ft. Wayne; Jacob, living between Ohio City and Van Wert, Ohio; Jesse, eight miles east of Decatur; Alpheus, five miles northwest of Decatur; Dora, of this city. A daughter, Mrs. Henry Stevens, passed away during last winter.

There are also three brothers: Isaac Debolt, George Debolt, this city; David, of Willshire, Ohio. Mr. Debolt was a man of many good qualities, and he was a devoted Christian man, being a member of the Liberal United Brethren church.

The funeral will be held Sunday morning at Clark's chapel, leaving the house at 9:30 a. m.

Mr. Debolt was a veteran of the civil war, and served well. The following war record was written by Robert Blackburn:

Abraham Debolt enlisted in Company C, 11th Indiana cavalry volunteers, December, 1863, and was mustered out September, 1865. His regiment was sent into Alabama and remained there till the fall of 1864, when it was assigned to General Wilson's cavalry corps and took an active part in the fighting till its arrival 1864. When General Thomas formed his army for battle he placed the cavalry on the extreme right. On the morning of December 15 the battle commenced with General Wilson's cavalry pushing the enemy back, forming a left wheel, taking all the forts in their front. The next day General Thomas won the battle, driving the enemy out of the state of Tennessee, the cavalry driving Hood's army as far as Groves Springs, Ala. After taking an active part in General Wilson's last raid, his regiment was sent into Missouri, and thence to Kansas to guard the overland trail where it remained until mustered out of service. Comrade Debolt was with his command during its entire service and participated in all its battles, marches, etc.

Here for Burial.
Definite word has been received here that the body of Mrs. Eleanor Johnston, aged seventy-five, a former Decatur lady, whose death occurred yesterday at the home of a daughter, Mrs. Florence Starkweather, at Newark, Ohio, would arrive here tomorrow afternoon at 3:20 over the Erie. It will be taken at once to Pleasant Mills, where burial will take place. Mrs. Johnston was the widow of Jacob Johnston, and formerly lived here. She has a son, Frank Johnston, living on First street, this city, and another son, Lee, living at Columbus, Ohio.

RANDALL OBJECTS TO CANAL.

Chicago, Ill., July 2.—(Special to Daily Democrat)—The army engineers who comprised the board which has been looking into the project of the Toledo-Chicago canal, completed its preliminary work today. They announce they would convene in the near future and formulate a report. At today's meetings, a dozen or more business men favored the project, to spend \$135,000,000 for the canal which would connect Lake Michigan with Lake Erie at Toledo. One objection came from P. A. Randall, a Fort Wayne lawyer, in the form of a letter, read by A. M. Rotes of Fort Wayne. Randall contended the sum named was too great. He declared that if \$135,000,000 were expended, there would be enough to "feed the Tammany Tiger" to the extent of \$10,000,000. This was believed to be referred to the graft charges made in connection with the New York state canal.

ANNOUNCEMENT.

At this time, ten months since the beginning of my illness, I find it will be a period of many months at least before I may attain that state of health which would make it non-hazardous for me to proceed with the strenuous special work for which I had planned and prepared. I am, however, able to do a certain amount of work and will open an office opposite the Monroe State bank about July 7.
