She demonstrated the making of candy and tomorrow will demonstrate the aluminum roaster, which is set on the top of the stove, and in which it is necessary to use no water.

Mrs. Jonas Cline and daughter, Mrs. Charles Magley, entertained at dinner today for Mrs. Albert Magley of Indianapolis.

The Good Times club will be entertained Thursday evening by Mrs. Charles Brodbeck at her home on Seventh street. The affair will be a shower for Mrs. Owen Davis, formerly Miss Vera Hunsicker who was recently married.

The following names were unintentionally omitted from the list of those present at the birthday party Sunday for Mrs. Grim: Mr. and Mrs. Piliy Wible and son, Edward, Bluffton; Mrs. Joseph Elzey and granddaughter, Christena Ault, Ossian.

Mr. and Mrs. J. W. Robinson will leave next week for a two weeks' visit at Galion, Ohio. They will attend a family reunion of Mrs. Robinson's relatives while there.

Graduating exercises for the teachers' training class in the Christian Sabbath school at Linn Grove were held at the Christian church there Sunday evening and a class of eleven young ladies who have completed the standard course in teachers' training work received their diplomas. The exercises were well attended and enthusiastic. Rev. Hiley Baker presented the diplomas to the members of the class and the class address was delivered by Rev. W. D. Samuel of the Six Mile church. Rev. D. R. Hile took a part in the program and the county secretary of the Wells county Sunday school organization, Mr. C. W. Burkett, gave a short talk on the teachers' training work and also sang a solo. There were musical numbers by a ladies' quartet and the male quartet from the Old Salem and Linn Grove Christian churches. The Misses Mesberger were in the program for an instrumental solo.

The Do Your Best Class of the United Brethren Sunday school will meet Friday evening with Mrs. Dick Hill.

Little Lee Anna Vance was given years old Saturday and a number of little neighborhood girls were her guests at a lovely party in the afternoon, given by her mother, Mrs. O. L. Vance. They played games on the lawn, and LeeAnna's aunt, Miss Della Selemeyer, told and read them stories. They also listened to a number of Riley's poem stories on the phonograph, such as "Out to Old Aunt Mary's," "The Raggedy Man," and the bear story and others before the dainty refreshments were served.

Mr. and Mrs. O. L. Vance and daughter, LeeAnna; Mr. and Mrs. Jesse Selemeyer and daughter, Martha, motored to Bluffton, where they spent a few hours Sunday evening with Mr. and Mrs. Tom Miller.

Section two of the United Brethren Ladies' Aid society will meet Wednesday afternoon at two o'clock with Mrs. M. F. Martz.

The Misses Helen and Geraldine Everett, Mrs. John Myers and son, Clyde, were entertained Sunday by Mrs. Oliver Johnson.

BRONZE LIBRARY PLATE

The new bronze plate for the library has arrived and will be placed soon. It will be placed inside the library. It is inscribed as follows: "This building was erected in 1905, the gift of Andrew Carnegie. The lot was donated by the David Stubbaker heirs and the citizens of Decatur. The library is maintained by public taxation."

GREAT EXCITEMENT

In Town on Next Monday Night—Pies.

Ever eat them? Just think of the good, old-fashioned kind that "mother used to make," and your mouth will water like a Kentuckian's in a dry state. An auction of pies—the good old kind and every other kind—will be held next Monday night under the auspices of the Presbyterian Progressive class. Big pies, little pies, covered pies, uncovered pies, round pies, high pies, white pies, brown pies, yellow pies, berry pies, pumpkin pies, in fact so many pies and things that it will be great sport to buy one, and more fun to eat one after you buy it. This great aggregation of pies will be offered for sale at

Public Auction to the highest bidder, at the Evening Herald office next

Monday, August 16, at 7:30 o'clock, p. m. Come early and avoid the rush. John J. Baumgartner will be auctioneer, and what he can't tell about pies will not be worth knowing. John likes pie himself.

Remember the date—and the pies—and your pocketbook—and the place—and come—whether your are "pleus" or not. Come.

MEAT CAUSE OF KIDNEY TROUBLE

Take a glass of Salts if your Back hurts or Bladder bothers—Meat forms uric acid.

If you must have your meat every day, eat it, but flush your kidneys with salts occasionally, says a noted authority who tells us that meat forms uric acid which almost paralyzes the kidneys in their efforts to expel it from the blood. They become sluggish and weaken, then you suffer with a dull misery in the kidney region, sharp pains in the back or sick headache, dizziness, your stomach sour, tongue is coated and when the weather is bad you have rheumatic twinges. The urine gets cloudy, full of sediment, the channels often get sore and irritated, obliging you to seek relief two or three times during the night.

To neutralize these irritating acids, to cleanse the kidneys and flush off the body's urinous waste get four ounces of Jad Salts from any pharmacy here; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush and stimulate sluggish kidneys, also to neutralize the acids in urine, so it no longer irritates, thus ending bladder weakness.

Jad Salts is inexpensive; cannot injure, and makes a delightful effervescent lithia-water drink.

RUNS INTO WIRES

Nathan Ehrman and Daughter Badly Cut and Suffered Electric Shocks.

AND ALSO BURNS

When Automobile Runs Into Telegraph Wires Blown Across Road.

Nathan Ehrman, a well known Kirkland township farmer, was in town today, being able to be out for the first since a very painful accident which he suffered Sunday morning about ten o'clock. He and his daughter, Mrs. Hampel, of Fort Wayne, had just left the Ehrman home by automobile on the way to Fort Wayne. A telephone pole at the Clover Leaf, near Mr. Ehrman's home, which had rotted off at the base, had blown over, and six of the wires from the pole were stretched low across the road. Into these Mr. Ehrman's automobile ran, before he could see them, and stop the machine, the windshield being up.

Two of the wires passed over the machine, breaking the windshield. These wires caught both Mr. Ehrman and his daughter about the head. The wires were charged with electricity and besides cutting them quite badly, they were burned about the head, face and hands. Mr. Ehrman's wrist was cut, severing a large vein, and he suffered much also from loss of blood. Mrs. Hampel was quite badly shocked and did not recover for some time, it is said. Dr. Granstaff was called, and attended to their injuries.

ABOUT THE SICK.

J. S. Lower who has been very ill of kidney trouble is reported as being very low today.

Mrs. Rebecca Eady will leave tomorrow morning for Indianapolis where she is called by the serious illness of her sister, Mrs. Anna Buhler. Mrs. Buhler underwent a second operation a short time ago, the first having been a year ago.

DRINK HOT TEA FOR A BAD COLD

Get a small package of Hamburg Breast Tea, or as the German folks call it, "Hamburger Brust Thee," at any pharmacy. Take a tablespoonful of the tea, put a cup of boiling water upon it, pour through a sieve and drink a teacup full at any time during the day or before retiring. It is the most effective way to break a cold and cure grip, as it opens the pores of the skin, relieving congestion. Also loosens the bowels, thus driving a cold from the system.

Try it the next time you suffer from a cold or the grip. It is inexpensive and entirely vegetable, therefore safe and harmless.

RUB BACKACHE AND LUMBAGO RIGHT OUT

Rub Pain and Stiffness away with a small bottle of old honest St. Jacobs Oil

When your back is sore and lame or lumbago, sciatica or rheumatism has you stiffened up, don't suffer! Get a 25 cent bottle of old, honest "St. Jacobs Oil" at any drug store, pour a little in your hand and rub it right into the pain or ache, and by the time you count fifty, the soreness and lameness is gone.

Don't stay crippled! This soothing, penetrating oil needs to be used only once. It takes the ache and pain right out of your back and ends the misery. It is magical, yet absolutely harmless and doesn't burn the skin.

Nothing else stops lumbago, sciatica and lame back misery so promptly!

OPEN NOSTRILS! END A COLD OR CATARRH

How To Get Relief When Head and Nose are Stuffed Up.

Count fifty! Your cold in head or catarrh disappears. Your clogged nostrils will open, the air passages of your head will clear and you can breathe freely. No more snuffling, hawking, mucous discharge, dryness or headache; no struggling for breath at night. Get a small bottle of Ely's Cream Balm from your druggist and apply a little of this fragrant antiseptic cream in your nostrils. It penetrates through every air passage of the head, soothing and healing the swollen or inflamed mucous membrane, giving you instant relief. Head colds and catarrh yield like magic. Don't stay stuffed-up and miserable. Relief is sure.

POLICE COURT.

Charles Painter, a junk dealer, hailing from the vicinity of Wilshire, couldn't withstand the temptation offered by a bottle of "Red-eye" late yesterday afternoon and as a result became beautifully "pickled." He was picked up by Policeman Reynolds shortly after six o'clock at the corner of Adams and Third streets, lying in the bed of his wagon with his feet elevated in the air over the seat. He appeared this morning before Mayor Christen and at first pleaded not guilty to the charge, but later changed his mind and received a fine of \$1 and costs, amounting in all to \$11, which he stayed.

John Falk was arrested Monday evening by Policeman Reynolds on the charge of parking an automobile on Second street longer than the allotted thirty minutes. In the trial, however, the defendant pleaded that the actual time of parking had been only twenty-nine minutes and as there was also some question as to the ownership of the machine, the court gave the benefit of the doubt to the defendant and acquitted him.

Harry McGill this morning began duty as special health officer to enforce the small pox quarantine on the homes of Delma Elzy on Tenth street and Will Baker on Seventh street.

Much annoyance has been caused the residents on South Third street by a number of boys who persist in running up and down the sidewalks on two-wheeled "gliders." Some of the boys became very rude when asked to move away from in front of a residence containing a sick baby, and it was necessary to send in a call for Policeman Reynolds.

TO GIVE SOCIAL.

There will be a ten-cent social held by the Christian Endeavor of the United Brethren church at Mr. U. S. Drummond's, on West Adams street, next Thursday evening. Other interesting features will be in connection. A general good time is expected. A splendid committee of young ladies are planning entertaining features and a good time is assured all who can come. 189t3

Regular meeting. Business of importance in relation to new quarters.

SAGE TEA KEEPS YOUR HAIR DARK

It's Grandmother's recipe to bring back color, thickness and lustre—Everybody is using it again.

Gray hair, however handsome, denotes advancing age. We all know the advantages of a youthful appearance. Your hair is your charm. It makes or mars the face. When it fades, turns gray and looks dry, wispy and scraggly, just a few applications of Sage Tea and Sulphur enhances its appearance a hundred-fold.

Don't stay gray! Look young! Either prepare the tonic at home or get from any drug store a 50 cent bottle of "Weyth's Sage and Sulphur Hair Remedy." Thousands of folks recommend this ready-to-use preparation, because it darkens the hair beautifully and removes dandruff, stops scalp itching and falling hair; besides, no one can possibly tell, as it darkens so naturally and evenly. You moisten a sponge or soft brush with it, drawing this through the hair, taking one small strand at a time. By morning the gray hair disappears; after another application or two, its natural color is restored, and it becomes thick, glossy and lustrous, and you appear years younger.
