**MASONIC CALENDAR FOR WEEK ENDING JANUARY 8.**

Friday Evening, 7:15 O'clock.

The Eastern Star will meet Friday evening at 7:15, prompt. Two candidates will receive the work; also the officers will be installed for the ensuing year. All members please take notice.

**Look and Feel Clean, Sweet and Fresh Every Day**

Drink a glass of real hot water before breakfast to wash out poisons.

Life is not merely to live, but to live well, eat well, digest well, work well, sleep well, look well. What a glorious condition to attain, and yet how very easy it is if one will only adopt the morning inside bath.

Folks who are accustomed to feel dull and heavy when they arise, splitting headache, stuffy from a cold, foul tongue, nasty breath, acid stomach, can, instead, feel as fresh as a daisy by opening the sluices of the system each morning and flushing out the whole of the internal poisonous stagnant matter.

Everyone, whether ailing, sick or well, should, each morning, before breakfast, drink a glass of real hot water with a teaspoonful of limestone phosphate in it to wash from the stomach, liver, kidneys and bowels the previous day's indigestible waste, sour bile and poisonous toxins; thus cleansing, sweetening and purifying the entire alimentary canal before putting more food into the stomach.

The action of hot water and limestone phosphate on an empty stomach is wonderfully invigorating. It cleans out all the sour fermentations, gases, waste and acidity and gives one a splendid appetite for breakfast. While you are enjoying your breakfast, water and phosphate is quietly extracting a large volume of water from the blood and getting ready for a thorough flushing of all the inside organs.

The millions of people who are bothered with constipation, biliousness, stomach trouble, rheumatism; others who have sallow skins, blood disorders and sickly complexions are urged to get a quarter pound of limestone phosphate from the drug store, sufficient to make one year's use, but is sufficient to make anyone a pronounced crank on the subject of internal sanitation.

**DR. BURNHAM'S SAN-YAK** Acts as a Living Antiseptic in the Stomach and Intestines.

San-Yak prevents self poisoning, that serious illness from which so many persons of sedentary habits and advanced age suffer.

San-Yak prevents clogging of the colon and caecum; hence its great value in destroying germs from undigested animal food which are a factor in the true cause of poisonous decompositions of the bowels, causing appendicitis, rheumatism, typhoid, dysentery and arterio sclerosis or hardened arteries.

Take San-Yak; it is the greatest medicine yet known for man, woman or child. \$1.00 per bottle.
