

"No!—
I Said
Calumet!"

DRINK A GLASS OF REAL HOT WATER BEFORE BREAKFAST.

Says we will both look and feel
clean, sweet and fresh
and avoid illness.

Sanitary science has of late made
rapid strides with results that are of
untold blessing to humanity. The latest
application of its untried research is
the recommendation that it is as
necessary to attend to internal sanitation
of the drainage system of the human
body as it is to the drains of the house.

Those of us who are accustomed to
feel dull and heavy when we arise,
splitting headache, stuffy from a cold,
foul tongue, nasty breath, acid stomach,
can, instead, feel as fresh as a daisy
by opening the sluices of the system
each morning and flushing out the
whole of the internal poisonous stagn-
nant matter.

Everyone, whether ailing, sick or
well, should, each morning before
breakfast, drink a glass of real hot
water with a teaspoonful of limestone
phosphate in it to wash from the stom-
ach, liver and bowels the previous
day's indigestible waste, sour bile and
poisonous toxins, thus cleansing,
sweetening and purifying the entire
alimentary canal before putting more
food into the stomach. The action of
hot water and limestone phosphate on
an empty stomach is wonderfully in-
vigorating. It cleans out all the sour
fermentations, gases, waste and acidity
and gives one a splendid appetite for
breakfast. While you are enjoying
your breakfast the phosphated hot
water is quietly extracting a large vol-
ume of water from the blood and get-
ting ready for a thorough flushing of
all the inside organs.

The millions of people who are bother-
ed with constipation, bilious spells,
stomach trouble, rheumatic stiffness;
others who have hollow skins, blood
disorders and sickly complexions are
urged to get a quarter pound of lime-
stone phosphate from the drug store.
This will cost very little, but is suffi-
cient to make anyone a pronounced
crank on the subject of internal sani-
tation.

STOP CATARRH! OPEN
NOSTRILS AND HEAD
Says Cream Applied in Nostrils
Relieves Head-Colds at Once.

If your nostrils are clogged and your
head is stuffed and you can't breathe
freely because of a cold or catarrh, just
get a small bottle of Ely's Cream Balm
at any drug store. Apply a little of
this fragrant, antiseptic cream into
your nostrils and let it penetrate
through every air passage of your head,
soothing and healing the inflamed, swollen
mucous membrane and you get in-
stant relief.

Ah! how good it feels. Your nos-
trils are open, your head is clear, no
more hawking, snuffling, blowing; no
more headache, dizziness, or struggling
for breath. Ely's Cream Balm is just
what suffers from head colds and cat-
arrh need. It's a delight.

Our lease expires February 1, and
we are compelled to pack our stock.
