

## HOW MRS. BEAN MET THE CRISIS

Carried Safely Through Change of Life by Lydia E. Pinkham's Vegetable Compound.

Nashville, Tenn.—"When I was going through the Change of Life I had a tumor as large as a child's head. The doctor said it was three years coming and gave me medicine for it until I was called away from the city for some time. Of course I could not go to him then, so my sister-in-law told me that she thought

Lydia E. Pinkham's Vegetable Compound would cure it. It helped both the Change of Life and the tumor and when I got home I did not need the doctor. I took the Pinkham remedies until the tumor was gone, the doctor said, and I have not felt it since. I tell every one how I was cured. If this letter will help others you are welcome to use it."

—Mrs. E. H. BEAN, 525 Joseph Avenue, Nashville, Tenn.

Lydia E. Pinkham's Vegetable Compound, a pure remedy containing the extractive properties of good old fashioned roots and herbs, meets the needs of woman's system at this critical period of her life. Try it.

If there is any symptom in your case which puzzles you, write to the Lydia E. Pinkham Medicine Co., Lynn, Mass.

## BETTER THAN CALOMEL

Thousands Have Discovered Dr. Edwards' Olive Tablets are a Harmless Substitute

Dr. Edwards' Olive Tablets—the substitute for calomel—are a mild but sure laxative, and their effect on the liver is almost instantaneous. They are the result of Dr. Edwards' determination not to treat liver and bowel complaints with calomel. His efforts to banish it brought out these little olive-colored tablets.

These pleasant little tablets do the good that calomel does, but have no bad after effects. They do not injure the teeth like strong liquids or calomel. They take hold of the trouble and quickly correct it. Why cure the liver at the expense of the teeth? Calomel sometimes plays havoc with the gums. So do strong liquids.

It is best not to take calomel, but to let Dr. Edwards' Olive Tablets take its place. Most headaches, "dullness" and that lazy feeling come from constipation and a disordered liver. Take Dr. Edwards' Olive Tablets when you feel "drowsy" and "heavy." Note how they "clear" clouded brain and how they "perk up" the spirits. At 10c and 25c per box. All druggists.

## BOOSTER FOR B. B.

Bluffton Man Writes of Wonderful Cure Burdg Bros. Ointment Made.

## SUFFERED FOR YEARS

Spent Hundreds of Dollars and Tried Many Remedies

—B. B. Did Work.

The following letter has been received by Burdg Bros. of this city, who manufacture B. B. Ointment, and is so strong in its praise of that well known remedy that it is published: "Bluffton, Ind., Jan. 9, 1916.

"Burdg Bros.—I wish to say a few words in regard to the B. B. Ointment. I have been a sufferer from eczema for the past four years. I have doctored with noted specialists which has cost a good sum of money, and have tried a numerous amount of supposed cures for eczema, but found no results whatever until I heard of B. B. Ointment and of course no results whatever until I heard of B. B. Ointment and of course thought like all the rest I would give it a trial. Got a box, thought 50 was a pretty good price, started in using it and I want to say I got relief at once and within a few days, started to heal; I got a second box and so on, and now I am entirely well, but one little spot on lip which is healing fast.

"Now I want to say something about my awful eczema. When I was a small child but two or three years old I had eczema which covered my entire body. My father got eczema doctors from here, Chicago, Fort Wayne and tried every remedy, finally securing a cure at a cost of hundreds of dollars. Maybe you understand, but they claim there are fourteen stages of eczema, of which I had the worst. Mine was not the white scaly kind, but was large, black running sores, thick and heavy, would break and bleed. I am now thirty years of age and four years ago the same effect of eczema started on me. My ears, mouth, head and breast was a mass. I had to have my head shaved and commenced on B. B. Ointment and today I am free from eczema, all but one small spot on lower lip which I expect to have healed in a few days. Of course it takes time to heal eczema for it is one of the slowest skin diseases to heal even with the best remedy which is B. B. Ointment. I have been without a doubt one of the worst eczema sufferers living and can back and prove it by any doctor or resident in Bluffton.

"I wish I had the power and privilege of handling and inducing all eczema and sufferers from skin diseases to use it. I will gladly answer any remark concerning the use of B. B. Ointment.

"Yours truly,  
"HERSCHEL R. SAWYER,  
"Bluffton, Ind."

## ANOTHER WONDERFUL RECOVERY FROM KIDNEY TROUBLE.

For nearly nine years I was a great sufferer from what my doctor said was kidney trouble and my blood was out of order; enduring all that time excruciating pain in my back and across my bowels. I was drawn down so that I could only walk with my hands on my knees. My doctor said he could do nothing for me. I tried many kinds of medicine, but all to no avail. A friend told me about Dr. Kilmer's Swamp-Root, and as I had tried everything else that I heard of, I bought a bottle of Swamp-Root and it did wonders for me. I prize it higher than any other medicine and I shall recommend it to my friends. I wish to add here that after using Swamp-Root for two months I began to straighten up and am now sound and well, and feel like I might live a long time yet to tell what your medicine has done for me.

Yours very truly,
