## WHY WOMEN WRITE LETTERS

To Lydia E. Pinkham Medicine Co.

Women who are well often ask "Are the letters which the Lydia E. Pinkham Medicine Co. are continually publishing, genuine?" "Are they truthful?" "Why do women write such letters?"

In answer we say that never have we published a fictitious letter or name. Never, knowingly, have we published an untrue letter, or one without the full and written consent of the woman who wrote it.

The reason that thousands of women from all parts of the country write such grateful letters to the Lydia E. Pinkham Medicine Co. is that Lydia E. Pinkham's Vegetable Compound has brought health and happiness into their lives, once burdened with pain and suffering.

It has relieved women from some of the worst forms of female ills, from displacements, inflammation, ulceration, irregularities, nervousness, weakness, stomach troubles and from the blues.

It is impossible for any woman who is well and who has never suffered to realize how these poor, suffering women feel when restored to health; their keen desire to help other women who are suffering as they did.

DOCTOR SAVES A BLACKSMITH.

Some time ago I was taken with kidney trouble which caused me to give up my work as blacksmith. I lost my appetite and could not sleep, from the dreadful pains that would come over me, from my kidneys. I was treated by a physician for about three months. He could not help me so finally he prescribed Dr. Kilmer's

Swamp-Root. I started taking same and before I had finished taking the first bottle I began to eat and sleep better than I had in a long time. I continued to take same until I was entirely cured and took on considerable weight.

I am now back working at my trade again and never felt better in my life. I appreciate what Swamp-Root has done for me and will recommend it to anyone who suffers with their kidneys. When physicians fail to give relief and then prescribe Swamp-Root, they sure know of its merits. I am, Very truly yours, S. A. HALE.

State of New York, County of Monroe, ss:

S. A. Hale, of Henrietta, N. Y., being duly sworn deposes and says that he is the person who wrote the foregoing testimonial letter to Dr. Kilmer & Co., and knows the facts stated therein to be true.

Subscribed and sworn to before me this 20th day of July, 1909.

MORRIS T. GRIFFIN,  
Notary Public.

Letter to Dr. Kilmer & Co., Binghamton, N.Y.

NOTICE.

The county assessor wishes to call the attention of those desiring to take advantage of the mortgage indebtedness law, that the law requires that such persons shall file with the auditor of the county wherein the real estate is situated a sworn statement of the amount of such mortgage indebtedness existing and unpaid on the first day of March, giving the name and address of the mortgagee, the name and address of the assignee or bona fide holder or owner of such mortgage, the record and page where the same is recorded, and a correct description of the real estate.

The county assessor wishes to notify all persons interested that such affidavit must be properly made, executed and filed with the county auditor between the first day of March, 1916, and not later than April 29, 1916, and must state plainly and correctly all of the above facts, or the affidavit will not be considered and no exemption will be allowed. No one will be permitted to change or correct any such affidavit after April 29, 1916.

**\$675 Mogul 8-16 \$675**  
Kerosene-Burning Tractor

**MOGUL 8-16** is the only tractor of its size that we know of that works on low-grade kerosene. That gives it two big advantages over other tractors.

**Mogul 8-16** burns any oil that can be burned in an engine. Since you can always get naphtha, benzine, motor spirits, kerosene, or some of the low-grade distillates, you are sure of a plentiful supply of fuel at all times. That's one advantage.

The other is that kerosene and the other oils cost less and, in all probability, always will cost less than gasoline. You know the difference in price now, and you can easily figure the saving in burning low-grade oil. That's another advantage.

Kerosene is not explosive. Gasoline is. Gasoline requires a separate tank. If you buy a Mogul 8-16, your one kerosene tank will be all you need.

We have a sample Mogul 8-16 right here in the store. Come in and have a look at it. We believe when you have seen it, and know all it will do for you, that you will want one for your spring work, especially when you realize that it costs you only \$675 cash, F. O. B. Chicago.
