DOINGS IN SOCIETY

WEEK'S SOCIAL CALENDAR.

Friday.

Ben Hur Aid—Ben Hur Hall.
Philathea—Mrs. Paul Sessenguth.

Along the Road.

I walked a mile with Pleasure.
She chatted all the way.
But left me none the wiser
For all she had to say.

I walked a mile with Sorrow,
And ne'er a word said she;
But, oh, the things I learned from her,
When Sorrow walked with me!
—R. B. Hamilton in Century.

One of the pretty social affairs of the week was the 500 party given by Mrs. Otto Green and Miss Tonk Meibers at the home of Mr. and Mrs. C. L. Meibers on Third street last evening, in compliment to Mrs. Wal Wemhoff and her guests, the Misses Ora and Frankie Weber, of Indianapolis, and Helen Holloub of Chicago. The appointments were of many flowers in the various rooms, with pink and white peeping from masses of greenery. Crystal vases of pink and white roses on pedestals and piano and mantels; jardiniere filled with scarlet blossomed shrub shoots and the grill work of the arches intertwined with the white-blossomed syringa branches made a pretty setting. There were ten tables for games. First and second prizes were won by Mrs. Arthur Mangold and Miss Georgia Meibers; the slam by Miss Frankie Weber; and the guests' prize by Miss Ora Weber. A musical program given at intervals during the games consisted of piano solos by Miss Martha Tucker and songs by the Misses Frankie Weber and Agnes Meibers. The luncheon in two courses was provided cafeteria style, at the table in the dining room. The centerpiece was a large cut crystal bowl filled with pink and white peonies. The white cloth of the table was outlined with green myrtle and the dome blanketed with white syringa blossoms and foliage. Out of town guests were, Miss Tid Grove, Bluffton, Ind.; Miss Ina Wright, Fort Wayne,

Indiana; Mrs. Thomas Brown, Chicago, Ill.; Miss Ora Weber, Indianapolis; Miss Frankie Weber, Indianapolis; Miss Helen Hollub, Chicago, Ill.; Miss Ethel Uhlir Toledo, O. Other guests were: Mrs. Wal Wemhoff, Miss Georgia Meibers, Celestia Wemhoff, Margaret Gerard, Miss Bess Tonnelier, Miss Rose Tonnelier, Miss Leona Bosse, Miss Vera Clark, Miss Frances Deininger, Miss Margaret Smith, Miss Agnes Kohne, Miss Lena Meyer, Miss Agnes Costello, Miss Louise Brake, Miss Lorena Keller, Miss Bertha Kohne, Miss Ode Fullenkamp, Miss Lett Fullenkamp, Kynt Voglewede, Marie Gass, Celia Smith, Martha Lucke, Mrs. May McMahon, Mrs. Fred Schaub, Mrs. Ed Coffee, Mrs. Dr. E. A lovely thimble party was given yesterday afternoon by Miss Winifred Burk for her guests. Miss Dorothy Westphal, of Joliet, Ill.; Miss Isabel Carleton, of Rochester; and Miss Pauline Herman of Tell City. The spacious porch of the G. T. Burk home was the setting for the party and a most enjoyable time was spent by the girls as they sewed. The hostess was assisted by Miss Vivian Burk and Mrs. Sim Burk in serving the luncheon. Guests were the Tri Kappa girls and a number of other friends, including the Misses Ireta Eryin and Irene Smith and Miss Sarah Mitchell who is Miss Naomi Dugan's guest.

Mrs. Robert Edington has received word of the wedding of her sister Miss Agnes Butcher of Bryant, which took place at high noon last Sunday at Wilbur LaRue, of Bourbon. A dinner was served at the home of the groom's parents. They will live in Fort Wayne where Mr. LaRue is a barber.

Messrs. Leo Ehinger and Eckland and the Misses Mary Corbett, Elizabeth Langworthy, Jane Long, Frances Mougey, Mildred Johnson, Blanche Riggs and Naomi Gass, who motored to Bluffton last evening to attend the Phi Delta dance at Sturgis hall, had a delightful time. of citizenship reposes in him and is disloyal to his country.

The majority platform declares for an army fully adequate to the protection of the nations rights and a navy worthy to support the great naval traditions of this nation.

The course of the Wilson administration in European affairs is approved as well as the Wilson Mexican policy. Necessity of American troops remaining in Mexico until order is restored is emphasized.

The Philippine independence bill as passed by the house is endorsed. The Seamen's act passed by congress is endorsed and the party is pledged to the enactment of a federal child labor law, the creation of a federal bureau of safety and the extension of the powers of the federal bureau of mines.

PRESIDENT IS SATISFIED.

Washington, D. C., June 16—(Special to Daily Democrat)—The last possible chance of any real differences between President Wilson and the party platform carpenters having been removed by accepting verbatim of his ringing plank on hyphenism, thereby making harmony a total winner in every event, President Wilson today became an active candidate for re-election.

It became known only today now determinedly the president insisted on that Americanism plank. When the intimation reached the white house last night that certain members of the resolution committee in St. Louis were showing signs of balking on the president's language, the president immediately notified his personal representatives at St. Louis that he was running on the plank he outlined and that he would not consent to any sort of pussy-footing on this plank, nor would he stand even for "the crossing of a 't' or the dotting of an 'i'." If necessary the president's representatives were told he would carry the fight to the convention floor.

Score of congratulatory telegrams poured into the white house today. Among the first to arrive was one from Vice President Marshall, who wired from Indianapolis as follows: "In the fight which you are to win I am always at your command."

PLATFORM WAS READY.

(By Perry Arnold.)

Coliseum, Saint Louis, June 16—(Special to Daily Democrat)—After one of the longest sessions in the history of the party, marked by bitter discussion on the framing of some issues, the resolutions committee announced at eight o'clock today that the platform upon which Woodrow Wilson will make his second campaign for the presidency was practically completed, and would be ready to submit to the convention when it convened for its final session at eleven o'clock.

Chairman Stone of the committee announced that the principal planks of the platform as agreed upon by the committee had been read to President Wilson over the telephone and that the president declared they were satisfactory.

Though the platform was announced as completed there was one question which was scheduled to be carried to the floor of the convention. This was in relation to woman's suffrage. The committee fought out the equal ballot pledge for hours. It defeated 20 to 22 a plank for a straight out declaration in favor of a federal constitutional amendment to give women the vote. It adopted by a vote of 25 to 20 the following statement:

"We recommend the extension of the franchise to the women of the country by the states upon the same terms as the men."

Language of the Mexican plank or that referring to the democratic foreign policy were also stumbling blocks but there was expected to be little opposition in the convention to these planks as framed.

COLONEL KEEPS QUIET

(United Press Service.)
New York, June 16—(Special to the Daily Democrat)—Colonel Roosevelt today received and read very carefully the "pro-American, anti-hyphen" plank of the democratic platform but declined to comment saying: "I am in private life and wish to be treated as a man in private life. I do not wish it to appear that I have gone back on anything I have said."

SAVING THE SPUDS

vines become so large they cover the ground between the rows. If potato beetles become troublesome, paris green should be added at the rate of one-half pound to fifty gallons of the mixture, or arsenate of lead, three pounds to fifty gallons. If one has only a small patch it may be more convenient to buy a commercial bordeaux paste or powder, with or without a poison as desired. The amount of mixture to be applied per acre varies with the size of the vines. In general it will be from fifty to seventy-five gallons or more. For large fields, a traction sprayer that will maintain a pressure of seventy-five pounds or more is most satisfactory. For small fields, a compressed air sprayer holding four or five gallons, with a long hose attached, is satisfactory.

The results of extensive experiments in New York, Vermont and elsewhere have demonstrated that spraying with bordeaux mixture will not only prevent blight and rot in epidemic years, but also, in dry years when this disease is not severe, the yield from sprayed plants will be increased more than sufficiently to pay the cost of spraying. Potato growers should consider spraying a necessary operation, no more to be neglected than cultivation.

Notable Distinction. A true friend is one who can see your faults and spare you useless reminders of them. A true friend is not always a truthful one.
