## CANT STOP US:—

By the Underwood tariff law this administration has taken the tariff out of politics; by the new tariff commission it proposes to take politics out of the tariff.

Speaking at a banquet of the Republican club in New York City last January, by virtue of his life-long allegiance to the republican party, Mr. Schiff declared:

"I want to explain that nothing can stop the great prosperity we now have except a renewal of tariff agitation in the next campaign. Standing here on holy republican ground I say without fear or favor if you renew in the next presidential campaign the tariff agitation of the past, if you threaten the country and show it you want a renewal of special privilege and high protection, the people will have none of it. The people have learned; the workmen and the farmers have learned and they can not be misled any longer. I do not say that because I love the republican party less, but because I love it more. My heart is for the republican party, but my common sense makes me a democrat."

And in these words Mr. Schiff voices the opinions of men with whom special interest is secondary to the welfare of all.—From Governor Glynn's Keynote speech at the St. Louis Convention.

The hunger after office may have something to do with the roscate predictions of republican politicians, but their hunger is as nothing compared to the ravenous appetite of the lobby that Wilson scoured from the capitol. The lobby is for Hughes—unanimously and then some!

Swimming pools for the boys and girls is now the most popular form of out-door amusement in many cities and it has its merits. Every youngster should know how to swim and besides there is no healthier sport or one more thoroughly enjoyed. Why not have one in Decatur?

Every great piece of constructive legislation enacted during the Wilson administration has received republican support in both houses of congress, support given in recognition of the wisdom of the legislation. It is awkward now for these same statesmen to follow their candidate and criticize their own votes.

Keep on fighting for Decatur. Don't spend a dollar somewhere else if you can spend it in Decatur for then you have a chance to get that dollar

again yourself and you haven't if you send it to some distant city. Why there are some people here who even send away for their printing and we know we can do it just as good and for less money than can the city printer. Keep your money at home.

Who dares to say that patriotism is dead in this country, when all along the lines over which trains of soldiers are being rushed to the front hundreds of people gather to cheer the khaki lads and to get a glance at these brave boys as the trains speed through? When there is cause to fight the men of this nation will give a good and sufficient account of themselves.

#### Life.

The common problem—yours, mine, every one's—

is not to fancy what were fair in life. Provided it could be, but, finding first. What may be, then find how to make it fair.

Up to our means—a very different thing. My business is not to remake myself. But make the absolute best of what God made.

—Robert Browning.

Life is a leaf of paper white Whereon each one of us may write His word or two, and then come night.

Greatly begin. Though thou have time But for a time, be that sublime. Not failure, but low aim, is crime.

—James Russell Lowell.

Mrs. William Trim of east of the city arranged a nice chicken dinner for her husband to remind him of his fortieth birthday anniversary. His daughter, Miss Lucile Trim, and her niece, Naomi Case, of Decatur, served strawberry shortcake and ice cream for his supper. An enjoyable time was had by all, who wished Mr. Trim many more happy birthdays like this.

A very pleasant surprise party was given at the home of Mr. and Mrs. Clyde Ainsworth Thursday evening, June 22, in honor of Clyde's birth anniversary. All came with well filled baskets and after the delicious supper was served, to which all did ample justice. Then came the mule contest in which Denison Krick won the prize, Jim Krick coming second. Those present were Mr. and Mrs. Clyde Ainsworth, Mr. and Mrs. Roy Tope and daughter, Cecelia; Mr. and Mrs. Peter Sheets, Mr. and Mrs. Denison Krick, Mr. and Mrs. Henry Ainsworth, Mr. and Mrs. S. E. Welker, Mr. and Mrs. William Tope, Mr. and Mrs. William Parker, Mr. and Mrs. Lawrence McMichael and daughter, Eulalia; Mrs. Emma Miller, Mrs. M. F. Tope, Miss Jennie Sheets, Chloe Sonderland, Clea and Luetta Krick, Elsie Miller, Vera Bookman of Fort Wayne, Ernest Tope Jimmie Krick, Dewey, Basil and Owen Ainsworth, Glen and Floyd Sheets and Russell Tope.—Contributed.

The Royal Neighbors will go to Ft.

Wayne Friday afternoon on the 2:30 car to be the guests of the Fort Wayne lodge. They will initiate a large class of candidates and a big banquet will be given at six o'clock.

Miss "Tonk" Meibers was the guest of Mr. and Mrs. Otto Green at dinner yesterday.

A company of relatives gathered at the home of Mrs. John Thompson last evening to visit with their aged aunt, Mrs. Mary Griffith, of Detroit, Mich., who is visiting there and to say good-bye to her before she left today for Fort Wayne. The party included Mrs. Clara Seigman of Ashtabula county, Ohio; Mrs. Nellie Seigman and children of Continental, Ohio; Mr. and Mrs. Will Spade of Vera Cruz; Mrs. Frank Spade of near Peterson, Mr. and Mrs. Sam Howard.

Mrs. Fred Smith and son, Clark William, went to Marion yesterday to attend the annual reunion picnic of the girls who were students with her at college at Oxford, Ohio. There were about twenty-five in the company. The picnic was held at the soldiers' home grounds.

A large barn dance was given at the Charles Dirksen home north of the city last evening, about one hundred fifty attending. The barn is an ideal place, the music good and the company congenial. A fine lunch of sandwiches, pickles, cake, ice cream and salad was provided. Among those from here who were out were Genevieve Bremerkamp, Georgia Meibers, Tonk Meibers, Mayme Harting, Drusilla Gandy, Agnes Costello, Ethel Uhl, Kunt Voglewede, Minnie Alexander, Marguerite Gerard, Adelaide Delinger, Raymond Harting, Leo Ehinger, Paul Reinking, Fred Schurjer, Bernard Brake, Gregg Neptune, Walter Winkinson, Mr. and Mrs. W. R. Dorwin, Mr. and Mrs. Henry Sprunger, Joe Johns.

Because of the heat the St. Vincent de Paul society transacted very little business when they held their regular meeting at the hall yesterday but devoted themselves chiefly to a social good time, sewing and talking. Refreshments were served by the hostess, Mrs. Dan Vail.

Miss Agnes Kohne was hostess to the Delta Theta Tau sorority last evening, the girls attending the Masonic dance at the close of the session. Reports of the national convention held recently at Muncie, were given by the Misses Frances Delinger and Glennys Mangold. A luncheon followed the business meeting. Miss Glennys Mangold will entertain next Monday evening.

The June session of the Evangelical Ladies' Aid society entertained sixty-five yesterday afternoon at the home of Mrs. C. E. Hocker. A short program was given, a parcels post sale held, and the sum of \$51 was turned into the treasury by the June session.

# Greatest enemies of your TEETH

—are Pyorrhea and decay.

Both usually develop only in the mouth where germ-laden tartar is present.

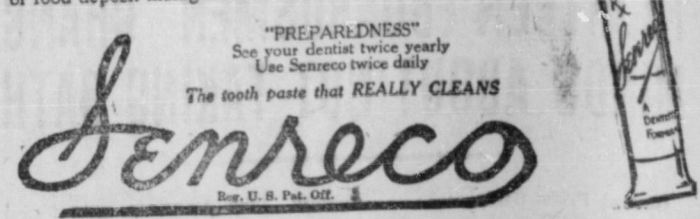

"But I brush my teeth," you say. Yes, you brush them, but do you REALLY CLEAN them?

Tonight, after brushing your teeth, go to the mirror and examine them. In all probability you will find an accumulation of tartar on the enamel and bits of food deposit hiding in the crevices.

Senreco, the formula of a dental specialist, REALLY CLEANS. It embodies specially prepared, soluble granules unusually effective in cleaning away food deposits. Moreover, it is particularly destructive to the germ of Pyorrhea.

Go to your dealer today and get a tube of Senreco—keep your teeth REALLY CLEAN and protect yourself against Pyorrhea and decay.

## TO THOSE INTERESTED

### IN REAL ESTATE LOANS.

Dear Friends:—

Are you contemplating making a farm loan? Have you in mind the purchase of a farm, or making improvements, or buying additional acres to that which you already own? If so, the thought comes, "Where can I do the best in borrowing money for my needs?" "Where can I get what I want and get it at the best possible advantage to me?"

If you come into our office (next door to postoffice) and talk it over with us, we believe we can help you. We will loan as much per acre as prudence and good judgment will permit. We will loan you 5 per cent money or 5 1/2 per cent money, charge you a very reasonable commission,

or we will loan you 6 per cent money and charge no commission. We think this 6 per cent loan is a dandy. You pay simply 6 per cent interest, no commission, and at any interest paying time you can pay part or all of the loan. Do you need money this summer or fall? We would be pleased to have you come in and see us. We will do our best to be of service to you.

May we also call your attention to our business of making abstracts of title? We have full and complete records in our office and many years experience in making abstracts and our charges are very reasonable.

Respectfully,

THE BOWERS REALTY COMPANY
