WHAT DOES

HUGHES WANT?:

When Candidate Hughes emerged from the seclusion of the supreme court and observed that while he had been cloistered the country had grown prosperous, he shouted: "It is the wrong kind of prosperity; it can't last."

When Candidate Hughes looked somewhat more about him and saw that the country had been kept from war, he exclaimed: "It is peace, but a shameful peace; it's the wrong kind."

When Candidate Hughes took notice that there had not been and was not to be a conquering invasion of Mexico, he shouted: "We are not fighting, but we are kept from fighting by the wrong method; it is a great humiliation and a blush."

When Candidate Hughes beheld the enactment of the child labor law, he derided: "The democrats seem to think they discovered the children; I was for that nine years ago. We must really do something for the children."

When Candidate Hughes witnessed the success of the president and congress in averting the greatest industrial war of all history, he was vastly alarmed: "This will never do; it is ominous of a dissolution of the country. I am for the fellows that labor, and we don't want a great strife, but mercy me! I wouldn't do it that way."

Mr. Hughes bawls and squalls about the Wilson foreign policy, about the Wilson Mexican policy, about the strike prevention. But he sets up no policy of his own. He leaves the anti-German Roosevelt to abuse the German vote to drive in other votes, while he shies constantly away from that issue to hold the German support he was promised. He is slawhanging away on Mexico, but when asked if he would have supported Huerta shrieks his frightened disclaimer: "Now, I didn't say that."—Ft. Wayne Journal Gazette.

Vice President, Marshall—at Decatur—at three o'clock p. m.—Monday, September 18th. Come and hear the distinguished hoosier.

Thomas R. Marshall will be here at three o'clock on Monday the eighteenth and his speech here will be the only one he will make during the campaign in the eighth district. It will be an important event, a speech worth while, an occasion that you cannot afford to miss if you are interested as you should be in the great

questions of the hour concerning your government.

Edison, the worlds greatest inventor, former progressive and independent, has declared for the reelection of Mr. Wilson and he does not hesitate to give his reasons for so doing. His reasons ought to be sufficient for any one else, who will give the questions a little or a lot of study.

Teddy Roosevelt is still pounding away in Maine, though apparently some what discouraged and disgusted with Hughes. It's a queer arrangement any way and its about impossible for any one to read Roosevelt and Hughes tirades and understand why any one could vote against President Wilson.

WEEK'S SOCIAL CALENDAR.

Eastern Star Initiation—At Hall. Tri Kappas—Ruth Patterson. Do Your Best Class—Mrs. George Hill.

Wednesday Afternoon Club—Mrs. Frank Barthol.

Saturday.

Home Guards—Victoria Mills.

Work exorcises three great evils—boredom, vice and want.—Voltaire.

The Home Guards of the Methodist church will meet Saturday afternoon at 2:30 o'clock with Miss Victoria Mills. As this is a new time, all are requested to come prepared to pay their dues. A good attendance is desired.

With an attendance of thirty-five ladies and a collection of nearly forty dollars a splendid lesson and entertainment features, the Woman's Home Missionary society of the Methodist church had a splendid meeting at the home of Mrs. J. M. Miller yesterday, associate hostesses being Mesdames George Roop and Charles Elzey. In the absence of Mrs. Odell, who was called to Lima by her father's illness, Mrs. F. V. Mills conducted the study. Consideration of plans for the conference convention to be held here the first week in November, was also in order. The conference comprises the six districts of Fort Wayne, Wabash, Logansport, Richmond, Goschen and Muncie and a large area will be represented here.

The Presbyterian Ladies' Aid society met again yesterday after a July and August vacation, with Mrs. Jacob Atz. While no meetings were held, the ladies have not been idle, but have been working on things that will take the place of their regular bazaar. Report of this was made. The collection was more than \$8. Refreshments were served.

The second party of the week given by Mrs. L. A. Holthouse, Mrs. Dan Niblek, Mrs. E. G. Coverdale, Mrs. Robert McMahan was the card party of last evening at the Holthouse home. The rain spoiled the plans for a picnic supper at five o'clock in the yard, but the scene was hurriedly transferred to the home, where the delicious repast was just as much enjoyed. Five hundred games, concluded a delightful entertainment in which the sixty guests, with several from out of town, shared. The first honors went to Mrs. A. Kohne; the second to Mrs. Fred Schaub and the slam to Mr. John Wilson. Garden flowers and golden rod made lovely decorations. Out of town guests were Miss Callie Schabacher,

San Francisco, Cal.; Mrs. F. Christin, Chicago; Mrs. Lesh, Chicago; Mrs. Fred Schaub, Fort Wayne; Miss Zellers, Mansfield, O.

Irvin Goldner entertained at a dinner party last evening at his home at Preble for the Misses Ruth Bowers and Mary Frisinger and Mr. Dwight Peterson.

Not the New Jersey Kind.

REGISTRATION LAW

A Few Reminders.

The Board.

An Inspector, appointed by the Board of Commissioners of the county at its regular August session preceding the election; he must at time of appointment, be either a voter and resident freeholder of the township in which the precinct is situated, and have resided in said township continuously for one year immediately prior thereto, or a resident householder and voter of the precinct with continuous residence in the precinct for at least two years immediately prior thereto.

Two Registration Clerks, to be appointed by the Inspector not less than five (5) days before the day of registration. These clerks must be voters and residents of the precinct. They can not both be adherents of one and the same political party. There is no provision as to what parties they must belong to, except that, in writing, and at least ten (10) days before the registration session, one of these clerks may be nominated by the county chairman of each of the political parties which cast the second highest and third highest vote in the county at the last preceding general election, and upon receiving such nomination, the Inspector shall so appoint. (Section 3, Acts 1915, page 532.)

The Session.

Held on Monday, the 29th day before the election, which this year is October 9, 1916.  
The law does not provide for any other session. Begins at 6 a. m. and ends at 9 p. m., of that day, except when necessary to accommodate the voters it may be prolonged one (1), the next day, during like hours, upon a request in writing, signed by ten voters of the precinct, three of whom are freeholders, filed with the Registration Board.

Permanent Registration.  
If the registration books of any precinct, used in 1914, have been destroyed, or are mutilated or inaccessible, or for any other cause unfit to be used, there has to be a registration of every voter in that precinct, upon proper notice posted by the Inspector, but otherwise, any voter resident in the precinct, whose name appears on the registration books of his precinct, and who has continued to reside in the precinct in which he is registered, and who shall not be disfranchised, and who has voted at the last preceding general election, shall not be required to register again.

In addition to the necessity of re-registering where the books are unfit for use, it may occur that the boundaries of a precinct are changed (which can not be done later than the March session before the election) and in this event voters should satisfy themselves on registration day that their names are on the permanent list, or will be on the permanent list being prepared by the board, and if necessary, register for that purpose.

In case of omission, inadvertently or otherwise, of the name of a voter that registered and voted in 1914 at the general election, he can be reinstated by filing a sworn statement, provided for in Section 8 of Acts 1915, at page 539, this statement to be endorsed by two freeholders of the precinct, and should be made out on blanks substantially in the language of the statute. This statement can be filed with the auditor of the county any time before he has delivered the registration books to the Inspector of the election, board, or can be made and filed with the election board on the day of the election, and the voter will be entitled to vote.

Absent Voters—Registration by Affidavit.

Any voter, required to register, may when the facts justify, register by sworn application, containing:

All matters required of applicants in person. A statement that on the day or days of registration he is, or will be, unavoidably absent from the county, stating his whereabouts on such day or days, or that he is sick, or quarantined, as the case may be. That thereby and by reason thereof he is prevented from registering in person at said session of said board. The application must be sworn to before some officer authorized to administer oaths and having an official seal. Two freeholders residing in the precinct must certify, on the application, that they are acquainted with the applicant, that he is the person he represents himself to be, and that the facts stated in the application by him are true.

The application, when so sworn and certified, shall be delivered to the board of registration of the precinct where applicant resides, by any registered voter of the precinct, on the day or days that the board is in session to receive applications for registration. Minors—Aliens.

If, on election day, any male person will be of the age of twenty-one years, and, if, being foreign born, and required to do so, he has at least filed his declaration of intention to become a citizen of the United States, and, if, in either instance, he will on election day have acquired a sufficient residence in the United States, the state of Indiana, the township and precinct, he may register, if required to do so in order to qualify him to vote. The registration law makes no new qualifications for voting, except that of registration.

We put it up to  
Hundreds of Dentists

Long before SENECO was offered to you we submitted it to hundreds of dentists, requesting that they put it to every test. Told them that we believed Seneco to be an unusually good dentifrice, especially as to its cleansing qualities and its remedial action on sore, soft, bleeding gums; in the treatment of Pyorrhea, etc. Submitted the formula and asked them their opinion. They tested Seneco from every angle; some going even so far as to make a chemical analysis—

And They  
Voted Yes

With practically one accord—said:

"Seneco appeals to me more than any dentifrice I have ever seen." "I cannot say too much for Seneco. It's one of the best I have used." "I can recommend Seneco as the best." "Makes the teeth glisten and is free from injurious ingredients, including purgative and grit." "I am indeed glad to get a tooth paste that does the work." "Congratulate you on formulating a dentifrice that gives one a new idea of mouth cleanliness, etc." (These quotations are from the dentists' reports. Originals on file at our office.)

With such endorsements from the men who know why not go to your dealer today and get a tube of SENECO—25c. Keep your teeth REALLY CLEAN, and protect yourself against Pyorrhea and decay.

A copy of the folder, "The Most General Disease in the World" together with a liberal trial size tube of SENECO will be mailed you for 4c in stamps. The Sentinal Remedies Co., Inc., Dept. 8, Masonic Temple, Cincinnati, Ohio.
