Mr. Adair will discuss political issues here Monday. Hear him yourself.

Register Monday, October 9th. It is necessary for you to do so if you want to vote November 7th, and of course you do, for no man can afford to disfranchise himself.

Hear John A. M. Adair in one of his six speeches in Adams county next Monday. You ought to be interested in the questions he will discuss and you ought to listen to his address in this very important campaign.

When Vice President Marshall came here he traveled in a solid Pullman ordinary train. He is a common, every-day citizen. When Mr. Hughes came here he traveled in a solid Pullman train of eleven cars. He is an aristocrat. Think it over, Mr. Voter!

Mr. Goodrich seems to have let up on his argument that the patients of state institutions ought to be kept for five cents a day. He is also neglecting to explain why he pays taxes on but \$800 worth of personal property in Randolph county, though it is known he is worth several hundred thousand dollars. Jim has a good "skinning" coming and he is going to get it November 7th.

The aristocratic Mr. Hughes is rushing through New York state today in his million-dollar train, telling the man who works with his hands that he is opposed to the eight-hour law and to everything else the democrats have done. Can you beat it? How do you suppose the distinguished friend of the millionaire expects the ordinary man to vote for him and his pals?

The Enquirer's straw vote taken on the streets of Decatur last week showed ninety to forty-three in favor of Wilson. In the entire vote taken in the state New leads for senator, while Kern is second, and it should be remembered that in judging the vote that the poll was taken in Indianapolis, Richmond, Winchester, Kendallville and Portland, where the republicans in the old days had large majorities and the fact that the total vote is close shows that when the totals are counted in November the democrats will have a walkaway. Keep on working, boys!

YOUR DAY.

Today is your day and mine, the only day we have, the day in which we play our part. What our part may signify in the great whole we may not understand, but we are here to play our part, and now is our time to play it. This we know. It is a part of action, not of cynicism. It is for us to express love in terms of human helpfulness—David Starr Jordan.

A dispatch from Sandusky, Ohio, says: Let some society dame step forward as a volunteer to lower the h. c. l. Her medium would be grasshoppers with which she could lower the price of beef and frogs legs. Professor Chester Bliss, of the state normal school and curator of the museum, recommends grasshoppers as a delicacy. He declared today that if a woman of social prominence would start the fad the entire country would take it up; the new morsel would appear on the bill of fare of every hostess and the grasshopper industry would spring into prominence. Professor Bliss enthusiastically declared that as a sandwich the grasshopper is par excellence.

It is desired that all members of the Loyal Workers class of the Evangelical church be present at the meeting Saturday afternoon at 2:15 o'clock at the home of Mrs. Fred Linn. The annual barrel opening will take place at this time and other important business will be considered. Mrs. Ed Whitright, president; Mrs. Arthur Hoogen, secretary.

Miss Helen Niblick entertained the Tri Kappas last evening at their business meeting and social. Luncheon in two courses was served. The study will begin at the next meeting at the home of Mrs. Avon Burk, when Mrs. Jean Smith will be leader.

Mrs. John Everett and Mrs. Cal Peterson entertained the Baptist Ladies' Aid and Missionary society yesterday twenty being present. Mrs. C. V. Vandergrist and daughter, Margaret of Warsaw, who are guests of her sister, Mrs. C. E. Bell; and Mrs. Howard Burd were guests. A committee for the religious canvass was named and comprises Mesdames S. E. Shamp, H. Shroll, Cal Peterson, H. Sikes, E. G. Rogers and C. E. Bell.

Among those from here who attended the state medical association in Fort Wayne yesterday were Dr. and Mrs. S. D. Beavers, Dr. and Mrs. S. F. Hoffman and Dr. and Mrs. E. G. Coverdale. While the physicians were in session, the ladies were royally entertained. The headquarters were the Anthony hotel. Beginning at six o'clock, a tour of the city was made in sixteen automobiles. They visited the residence district, the parks and also visited a shirt waist factory, and then went to the Country Club, where a fine five course dinner was served. A musical program, closed the afternoon.

At a meeting of the Hard to Beat class of the Evangelical church with Mrs. J. H. Rilling last evening, the

annual opening of the mite barrels took place, this sum to be reported at rally day next Sunday. In a penny contest, Mary Fuhrman won the honors. Mrs. Fred Bandtall of Ft. Wayne was an out of town guest. Fine refreshments were served.

The Helping Hand society of the Reformed church served dinner at the sale at the Strahm farm yesterday, taking in \$56.05.

Miss Flora Fledderjohann of Columbus, Ohio, who is visiting here, was the guest of honor at a picnic supper and party given by the Daughters of Dorcas last evening at the home of their teacher, Mrs. Harve Smith. The supper was spread at six o'clock, and consisted of chicken, veal loaf, macaroni and cheese, potato salad, celery, pickles, olives, hot rolls, cherry preserves, cranberry jelly fruit salad, coffee, ice cream, cake and wafers. Places were found by cards bearing adjectives descriptive of the person, the adjective beginning with the initial of the person. A delightful visit followed. Present besides the Smith family, were the Misses Fledderjohann, Ruth Gay, Florence Haney, Vera Howell, Irene Smith, Hazel Tumbleson, Ethel Tumbleson, Electa Baltzell.

BURIAL SERVICE

(CONTINUED FROM PAGE ONE)
and the fatal contact was effected. Many from here will go to attend the funeral. They will take the 11:30 car, and on arriving in Fort Wayne, may take the East Washington car to the corner of Harmar and Washington streets, at which place the funeral will be.

EVANGELICAL RALLY DAY.

Sunday is Rally Day for the Evangelical church. It will be observed both morning and evening. In the Sunday school at 9:15 there will be the usual interest that has made this day the greatest day of the whole year. Not only will the Sunday school "rally," but the membership and friends of the church will be there in large numbers. Provision is being made to take care of the overflow. There will be but one service in the morning, beginning at 9:15. No preaching. A good program will be rendered instead. A lively, but friendly contest is on as to what class will get the largest offering and having all members of the class present. Look out for the surprises. At 7:00 p. m. the Y. P. A. will have a "rally" meeting. At this hour and day all of the Young People's Alliance of the church will celebrate the twenty-fifth year of its organization. It will be a big day for the young people in all lands wherever the church is represented. A program appears in today's issue of this paper. Both of the above services will be held in the public library. At 9:15 a. m. and 7:00 p. m.

"ONLY 'GETS-IT' FOR ME AFTER THIS!"

It "Gets Every Corn Every Time—Painless—Nothing More Simple." "I'll tell you what, I've quit using toe-eating salves for corns. I've quit making a package out of my toes with bandages and contraptions—quit digging with knives and scissors. Give me 'GETS-IT' every time!"

When You See These Pretty Girls in Your Druggist's Window It's a Good Time To End Your Corns.

That's what they all say the very first time they use "GETS-IT." It's because "GETS-IT" is so simple and easy to use—put it on in a few seconds—because there is no work or corn-fooling to do, no pain that shoots up to your heart. It gets your corns off your mind. All the time it's working—and then, that little old corn peels right off, leaves the clean, corn-free skin underneath—and your corn is gone! No wonder millions prefer "GETS-IT." Try it tonight.

"GETS-IT" is sold and recommended by druggists everywhere. 25c a bottle, or sent on receipt of price by E. Lawrence & Co., Chicago, Ill.

PEOPLE SAY I LOOK BETTER

Neighbors of Mrs. Agnes Irons Make Her Improvement Common Subject.

Fort Wayne, Ind., Sept. 28—"The neighbors are talking about the improvement in my condition," Mrs. Agnes Irons, 54 years old, a well known Fort Wayne woman, who lives at 704 Davis street, said a few days ago. "They say I look so much better since taking Tanlac," she continued.

"For six years I had kidney trouble and rheumatism bothered me for two years. I felt draggy all the time. Shortness of breath bothered me. Pains were severe across my back and in my left hip and my limbs.

"The draggy feeling began to leave after I had taken a half bottle of Tanlac. I have taken three bottles of Tanlac now. The shortness of breath bothers me no more. I can walk around as well as any one now. My improvement is a common subject of talk in my neighborhood."

Tanlac, the Master Medicine, is especially beneficial for stomach, liver and kidney trouble, catarrhal complaints, rheumatism, nervousness and the like, and is a fine blood purifier. Tanlac is now sold exclusively in Decatur at the Smith, Yaker & Falk drug store.—Adv't.

Owing to the increased cost of production, the manufacturers of CINCO Cigars, OTTO EISENLOHR & BROS., INCORPORATED, have advanced their selling price to the dealers, and, in future, this cigar will be sold to the consumer absolutely at five cents straight, instead of six for a quarter, as heretofore.

The CINCO Cigar has attained a national reputation, and, through the maintenance of a high standard of quality, has become the largest seller in the world, and the manufacturers deemed it advisable to advance the price rather than sacrifice its long-established high quality. f&m

Don't Dye Your Carpets or Rugs

Dyeing carpets and rugs is an expensive and often unsatisfactory operation, for it is impossible to dye them lighter in color.

Instead of dyeing them, it is far better to restore the original color to carpets and rugs with Olsonite.

OLSONITE is easy to apply. Just brush it over the surface of the carpet, then wipe off, and your carpet will look like new.

Olsonite renews the natural oil of the fibers and lengthens the life of carpets and rugs. Saves many dollars compared with cost of cleaning and dyeing.
