WHY MEN CHEW TOBACCO

It's the Only Way That Real Tobacco Hunger Can Be Entirely Satisfied

"OLD KENTUCKY" IDEAL CHEW

Since tobacco was first introduced to civilization, nobody has ever discovered so supremely satisfactory a way to get all the flavor and enjoyment out of it as chewing it. And no other form of chew can give you the hearty, wholesome, juicy flavor that you get from a delicious high-grade plug tobacco like Old Kentucky.

The secret of the greatest chewing satisfaction lies in the selection of your chew. Among plug tobaccos the brand that gets the most enthusiastic endorsement is undoubtedly Old Kentucky. The reason for this is not hard to find.

Old Kentucky is made exclusively of ripe Kentucky Burley—the most richly-flavored chewing tobacco that grows. Still more, only the very choicest of all the Burley leaf is used for Old Kentucky.

This choice leaf is selected with the most painstaking care, is stemmed by hand, is thoroughly washed free of all foreign matter and is pressed into plugs so slowly that not a drop of juice or an atom of flavor escapes. Moreover, Old Kentucky is made under the most rigid, cleanly and sanitary conditions.

The result is a sweet, mellow, luscious, satisfying chew that cannot be obtained in any other tobacco than Old Kentucky.

Try a 10c pocket plug to-day.

The Rex Theatre TODAY

LILLIAN GISH with an all star support in

"DAPHNE AND THE PIRATE"

A play of complications, duels and sensational climaxes. Lillian Gish's chief charm is her natural poise. She seems to live in the part she portrays and is unrivaled in the art of conveying her emotion to the camera without resorting to artificial gestures or unnatural facial expressions.

TOMORROW

A two part Keystone, "DIZZY HEIGHTS AND DARING HEARTS," will also be shown. This is a thriller that outtops war pictures. Aeroplane mishaps, leaps for life, and dynamiting of smokestacks. MARVELS ALMOST PAST BELIEF. THIS IS SOME SHOW.

COMING THURSDAY—HELEN HOLMES.

CINCO CIGARS.

Now Five Cents Straight.

Owing to the increased cost of production, the manufacturers of CINCO CIGARS, OTTO EISENLOHR & BROS., INCORPORATED, have advanced their selling price to the dealers, and, in future, this cigar will be sold to the consumer absolutely at five cents straight, instead of six for a quarter, as heretofore.

The CINCO Cigar has attained a national reputation, and, through the maintenance of a high standard of quality, has become the largest seller in the world, and the manufacturers deemed it advisable to advance the price rather than sacrifice its long-established high quality. f&m

Painting Costs Less Now

To postpone needed painting means big repair bills as exposed wood soon rots. Once decay does set in, there is the carpenter as well as the painter to pay. Why not paint now and save the carpenter's bill? We can supply the necessary materials.

Examine Your TEETH Tonight

—after you clean them.

You will find, in all probability, an accumulation of tartar on the enamel and bits of food deposit hiding between the crevices. YOUR DENTIFRICE does not FULLY CLEAN! Loss of teeth is caused usually by one of two conditions—Pyorrhea or decay, both of which develop, as a rule, only in the mouth where germ-laden tartar is present.

SENRECO, the recently discovered formula of a dental specialist, is two-fold in its action. First, it REALLY CLEANS, embodying specially prepared, soluble granules unusually effective in cleaning away food deposits. Second, it is perfectly safe, containing neither injurious chemicals nor hard grit. Avoid Pyorrhea and decay. Get Senreco from your dealer today. In large tubes, 25c. Send 4c to Senreco, 304 Walnut Street, Cincinnati, Ohio, for liberal-sized trial package.
