Voters of Adams county should register next Monday. If you don't you can't vote. Every one must register either by affidavit or in person and there is no backing up. In other counties this is not necessary, but here you must register whether you have done so before or not. Don't overlook it or you lose your vote.

If you want to vote at the November election see that your name is on the registration book in your precinct.

Those who cannot register in person next Monday must do so by affidavit. Don't lose your vote by not registering.

Your first duty on next Monday morning will be to register. The registration polls will be open from six a. m. until nine p. m. See that your name is put on the books.

When Mr. Hughes hangs his head in shame he perhaps is thinking of the occasion when President Taft sent a message to the governor of Arizona in response to the latter's request for protection against Mexican attacks.

Said the then republican president: "I must ask you and the local authorities, in case the same danger recurs, to direct the people of Douglas to place themselves where bullets cannot reach them, and thus avoid casualty!" Thus while the democratic method is to call the national guard to colors, the republican method appears to be to order the citizens to crawl into their cellars.

Democratic managers, accepting 10 per cent of the Roosevelt vote in 1912 as the progressive increment for Wilson—which is what republican managers concede to them—add 400,000 to 6,238,019. Then on the assumption that Benson cannot hold Deb's 1912 socialist vote this year, they add 450,000 more to their total. The result is a popular vote for Wilson of 7,143,019. Subtracting 300,000 from the combined Taft-Roosevelt vote in 1912, one gets a Hughes total of 7,204,463. The difference in the popular vote of the two candidates, on that basis, is about 60,000 in a total vote of over 14,000,000. One can modify the figures in various ways. Ten per cent of the Roosevelt vote in 1912 seems too small to concede to Wilson, because it has usually been estimated that fully 10 per cent of the Roosevelt vote was democratic in its origin. On the other hand it seems excessive to claim half of the socialist vote of 1912 to Wilson. The complete loss of normally democratic German-American votes to Wilson must also be considered as probable. Yet the Maine election showed a maximum democratic vote cast for United States senator, indicating neither disruption nor apathy in the normal democratic strength.—Springfield Republican.

A DECATUR WOMAN COMES TO THE FRONT.

Every Decatur resident should read what a neighbor says. Her testimony can be relied upon. Here are her own words:

Mrs. W. F. Rice, 704 N. Second St., Decatur, says: "My back was weak and sharp pains often went through it. I had a general feeling of stiffness through my joints. I often had to change for larger shoes, because my ankles swelled so badly. At times I was nearly frantic with headaches and pains through the back of my head. I was taken with dizziness and became nervous and run down. I got Doan's Kidney Pills from Smith, Yager & Falk's drug store and they did a great deal of good for me."

Price, 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Rice had. Foster-Milburn Co., Props., Buffalo, N. Y.—Adv't.
