ADAMS COUNTY

BANKERS MEET:

A splendid county bankers association was perfected at a meeting held in Decatur, Adams county, March 20. Dinner was served at 6:30, after which addresses were delivered by Chas. H. Worden, Fort Wayne, W. H. O'Brien, Lawrenceburg, and others. Representatives of every bank in Adams county were present, and left no doubt of the part they will take in the support of the Third Liberty Loan Drive. One of the most patriotic speeches of the evening was that of E. W. Busche, President Monroe State Bank, who said, "I was born in Germany, have brothers fighting in the German army, but I believe they would not think I was doing right if I did not stand by America, the country of my adoption. I believe a country that is good enough to live in is good enough to fight for. I AM FOR AMERICA—The Hoosier Banker."

Hon. Abram Simmons, of Bluffton, who has ably represented the district, Adams, Blackford and Wells counties, announces today, in a telegram to this office, that he will not be a candidate for reelection. We believe the office should come to Adams county this year and that if a candidate is announced here that he will not have opposition from the other counties. The names of several have been suggested but so far we are not authorized to announce any names. The honor is a worthy one and the candidate if selected will have the opportunity to serve his people during one of the most important sessions ever held in the state.

The Liberty Day celebration in this city will be a glorious event, we honestly believe the biggest day ever known here. There will be speaking, bands, singing by choruses and the crowd, a wonderful parade, perhaps some soldiers, enough program to make you feel that we are at war. Don't miss it. Bring the children. If you don't you will miss a day that will be talked about in the years to come. This is not an ordinary occasion but a war event. It's your duty to help make it as big as possible.

This is the final week for preparation for the Third Liberty Loan drive which starts next Saturday. It will open with a big celebration in this city. Boost as you have never boosted before. The watch meetings Friday evening, the speaking over the county, the Paul Revere rides, the big meeting here Saturday should arouse our people to a point of patriotism never before known.

fore known. Help put it over.

Buy Liberty Bonds. That's the slogan this week. Remember it—talk it—sing it. We must support the war, we must pay the debt and if we don't do it one way we must another. Which do you prefer, a Liberty Bond or a tax receipt? The answer ought to be easy.

Well it didn't rain Easter and so we ought to have seven beautiful Sundays according to all the reliable weather prophets of the ages past.

"America's Easter Guest" or "The Cross Beside the Flag" was a very impressive patriotic Easter service given at the Christian church last evening. The lights were hooded in red, white and blue, taking on the form of the beacon lights to be burned during patriotic week; and the church was decorated with the national colors in other ways, and with Easter flowers. The Easter program told the story of the ultimate triumph of Christianity in the present war. The program may be repeated soon.

The men of the Evangelical church will entertain the ladies this evening at seven o'clock. The ladies fear an April first joke, but have been assured that such is not the case. However, the men are keeping the nature of the entertainment a secret.

to her reward, when Mrs. Margaret Jane Hilpert, wife of Frederick Hilpert, of Bobo, died Saturday evening at 8 o'clock, from tubercular trouble. Born in Guernsey county, O., a daughter of Joseph Merrill, July 6, 1856, she had reached at the time of death, the age of sixty-one years, eight months and twenty-four days of age. Practically all of her life was spent in the community where her death occurred. She leaves husband and two sons, Milton, of this city, and William, at home.

Funeral services will be Tuesday afternoon at two o'clock at the United Brethren church at Rivarrie, interment being in the Decatur cemetery. War Veteran Called.

Aaron Zerke, well known Decatur civil war veteran, died last Thursday at LaGrange, at the home of Isaac Raver where he lived for several years.

The following obituary was sent to this office today by the Isaac Raver family:

LONG BOY.

Bill Herschell's famous song which is being used everywhere for the Liberty Loan drive. It has the pep. Cut it out and save it so you can sing with the rest of Adams county.

We was just a long, lean country gink
From 'way out west, where the hoptoads wink;
He was six feet two in his stockin' feet,
An' kept gittin' thinner th' more he'd eat.
But he was as brave as he was thin,
When the war broke out he got right in;
Unhitched his plow, put th' mule away,
Then th' old folks heard him say:

CHORUS.

Goodby, Ma! Goodby, Pa!
Goodby, mule, with yer old hee-haw!
I may not know what th' war's about,
But you bet, by gosh, I'll soon find out.
An' O my sweetheart, don't you fear,
I'll bring you a King fer a souvenir;
I'll git you a Turk an' a Kaiser, too,
An' that's about all one feller could do.

One pair of socks was his only load
When he struck fer town by th' old dirt road.
He went right down to th' public square
An' fell in line with th' soldiers there.
Th' sergeant put him in uniform,
His gal knit mitts fer to keep him warm;
They drilled him hard, they drilled him long,
Then he sang his farewell song:

CHORUS.

Aaron Zerke, was born in Auglaize county, O., Oct. 21, 1844; died March 28, 1918. Age seventy-four years, five months and seven days. His wife having preceded him in death, and having no children, he made his home with Isaac Raver, who kindly cared for him for over six years. He leaves one brother, one step-daughter, and three step-grandchildren. He was a veteran of the civil war being a private in Company A, 81st regiment, Ohio infantry.

Day closes and under the sentinel stars, how many are sleeping that fall in the wars; but glance for a moment from grief to the joys of the land above where brothers and sisters and husbands and wives with the angel of peace by the gate may abide; while high in the Heavens a warrior rides, his glorious raiment is gleaming like gold; so calm and so beautiful he seem eth. God Mars look more like spirit of peace than of war.

JUST WHAT THEY ASK FOR

After today, April 1, Postmaster J. W. Bosse has been notified to receive no more parcels for mailing to the American Expeditionary Forces in France, unless they contain only articles requested by the one to whom they are addressed. Such parcels should have inclosed the written request of the one to whom they are addressed, and over the address of the sender, should be written the following: "This parcel contains only articles sent at the approved request of addressee, which is inclosed." This order, it is thought, is due to military necessity, as a very large amount of mail, including unnecessary articles, have been sent, and it is difficult to handle the same.

ON NEW TORPEDO BOAT

Edwin Overlay, 27, for nine years in the navy, left this afternoon at 1:05 o'clock, for Norfolk, Va., and from there will go to San Francisco, where he has been assigned for duty on the new torpedo boat, U. S. Schley. He has been lately on the Monaghan, a destroyer, and has spent eight months in France. On being sent to the states, to be transferred to the new boat, he was granted a fifteen days' furlough, and took advantage of the same to visit with his mother, Mrs. Abe Whitright, of this city. He had many interesting experiences and brought with him many souvenirs of France and other places.

Margaret Moran, Jr., daughter of Mr. and Mrs. John C. Moran, is confined to her bed with a serious attack of acute appendicitis. Whether an operation will be necessary is unknown at this time. The attack came on Saturday evening, while she was returning from Berne in the jitney. Being a brave little girl, however, she refused to have a physician until this morning, when it was pronounced appendicitis.

Hang out the flag, put up bunting, show your colors. You have been asked to decorate before but never when it was so important that the spirit of '76 be manifested. This is the one great occasion when every American should decorate with the red, white and blue. Help keep the glow in old glory.
