The fifth annual reunion of the Gephart family was held Sunday, August 24th, at the country home of Mr. and Mrs. Philip Gephart, one mile west and one and a half mile south of Pleasant Mills in St. Mary's township. At noon a bounteous dinner was spread under a canvas, on tables, to which every one present did justice. A very beautiful feature of the day was a picture of the entire Gephart family, then a picture was taken of the senior members viz. Christ C.; Adam; Philip John; Mrs. Caroline L. Spuller; Mrs. Margaret Plager and Mrs. Lizzie Helm. This is the first time in several years that all the senior members were present. Including the Gephart relation several visitors and

friends were present, as follows: Rev. and Mrs. S. A. Macklin and daughter, Naomi; Mr. and Mrs. W. H. Morrison, Mr. and Mrs. A. R. Farr of Willshire, Ohio; Mr. and Mrs. Tom Dague of Monroe; Mr. and Mrs. O. J. Suman, Mr. and Mrs. John Geisler and son, Gordon of Pleasant Mills; Mr. and Mrs. G. W. Tumbleton, Mr. and Mrs. James Roop and Mr. and Mrs. Adison Sheets and family of Wren; Messrs. Artie Jackson, George Sheets, Valando Clark; and Misses Cecil and Gladys Dague, Ivalon Sheets, Irene and Leota LeBrun.

What might be termed a reunion or home-coming of the Brodbeck, took place last Sunday at the residence of Mrs. Annie Brodbeck, of Union township, where about fifty relatives met to spend the day. At noon a bounteous repast was served, which is always a prominent feature of such occasions, and the afternoon was spent in a social way, interspersed with music and plenty of refreshments to keep everybody cool and in lively spirits. In the evening, all departed to their several homes, after having had a right royal good time at the old, original Brodbeck homestead, which, for sixty years, has been owned and occupied by members of the family. Although it is quite probable that there will be no plans made for a regular annual reunion of the Brodbecks, yet it is hoped that all may participate in many more occasions such as the one enjoyed by them last Sunday. Guests from a distance were: Mr. and Mrs. Rutherford Walter and son, Rutherford Jr., of South Bend; Mr. and Mrs. John Walter and son, Jack Jr., of Elkhart; Mr. and Mrs. Levi Stark and son, Lynn and Rev. and Mrs. J. M. Dustman, all of Urbana, and Dr. and Mrs. O. E. Brodbeck and little daughter, Barbara, of Elyria, Ohio; Mr. and Mrs. Barbara, of Elyria, Ohio.

A large number of relatives attended the family reunion given at the home of Mrs. Anna Brodbeck Sunday. A delicious picnic dinner was served at noon and in the afternoon ice cream was served. Every one present enjoyed the day immensely and departed expressing the desire that all would meet at a similar gathering in the future. Those present were Mr. and Mrs. Ruford Walters and son, Junior of South Bend; Mr. and Mrs. John Walter and son, Jack of Elkhart; Mr. and Mrs. Levi Stark and son, Lynn, Rev. and Mrs. J. M. Dustman of Urbana; John Brodbeck and family, Mr. and Mrs. Will Brodbeck, Mr. and Mrs. Jacob Helm, James Barkley and family, Mrs. Della Hoffman of Ft. Wayne; Dr. and Mrs. O. E. Brodbeck and daughter, Barbara of Elyria, Ohio; John Helm and family, Floyd Brodbeck and family, Clarence Brodbeck and sons, Lyman Patrick, Joseph Crozier, Mrs. Anna Brodbeck and family, and Mary Brodbeck.

### Senate Flays Peace Treaty

(Continued From Page One)

fight against the Shantung amendment to the peace treaty, senators believed today, following his unexpected call on Senator Swanson in Swanson's office late yesterday.

Swanson today declined to discuss for publication the result of the conference but it was learned that in the 45-minute conference Shantung was the burden of the conversation. The president was said to view with concern the possibility that the action of the foreign relations committee in amending the Shantung provision so as to return the territory to China, instead of giving it to Japan, will be approved by the full senate.

Senators of both parties today agreed that the hostility to the Shantung provision had increased since the committee's hearings began.

The general opinion, however, is that the president regards Shantung as the test, upon which the fate of the whole pact may hang. If the Shantung amendment goes through, senators predicted other provisions will be changed and that, in the president's opinion as expressed to senators, would spell disaster by postponing for months the day of normal things.
