per cent. on many articles of food are common in several eastern cities.

Palmer's amendments provide dealers convicted of profiteering shall be jailed or fined \$5,000 or both. The attorney general is planning to press for jail sentences where convictions are obtained, officials said today.

Fair price committees organized by dealers in many cities are helping Palmer's agents get evidence against retail profiteers. The committees also are framing fair profit lists.

Last Session of Institute. (Continued from page one)

mechanical is of no value and it should be discarded. Busy work should be more than hard work. Give the boys and girls clay to play and work with, using the fingers to teach finger control, not the palms of the hands as they do in the kindergarten. Stack work, letter cards, crayolas, scissors and pasters are other means."

Miss Marlatt conducted the music period, discussing "Rhythm, Contact with Child Life Through Songs and Stories." All her points were brought out thoroughly by the talking machine. She closed her lesson by playing "A Dream," cello solo by Hans Kindler.

Dr. Albert, the next on the program lectured on "Type Study of a Continent" using Africa and locating it in relation to other countries, study of its physiography, and bringing out the story of the life of Livingston as an example of sacrifice and devotion.

All the trustees being present, Supt. E. S. Christen asked them to say a few words, many congratulating the teachers on the opportunity of attending such an excellent institute. Trustee Snow talked to the teachers on cooperation with their trustee and their school officials.
