Callus? "Get's-It" Will Peel It Off!

Nothing on Earth Like Simple "Get's-It" for Corns or Calluses.

A callus, or thickened skin on the sole of the foot, which often makes walking a misery is of the same nature as a corn. "Get's-It" removes it as

"Get's-It" and Dance, Even with Corns easily as it does the toughest corns. By using a few drops of "Get's-It" on the callus, you will be able to peel it off with your fingers, in one complete piece just as you would a banana peel. It leaves the skin free and smooth as though you never had a callus. You need no more fussy plasters, sticky tape, "package" bandages, knives or scissors for corns or calluses. "Get's-It" is the only sure, guaranteed, money-back corn-remover, costs but a trifle at any drug store. Mfd by E. Lawrence & Co., Chicago, Ill.

PLUMBER THOUGHT HE NEEDED NEW PIPES

"My stomach and intestines were always full of gas and I often had severe colic attacks. The pain and soreness caused me to think I needed a new set of pipes. Since taking Mayr's Wonderful Remedy all this has disappeared and my only trouble now is to make enough dough to buy all the food I'd like to eat." It is a simple, harmless preparation that removes the catarrhal mucus from the intestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. Osteopathy is not a remedy. It is not a part of medicine or surgery.

It is not a treatment for some particular class or group of diseases.

It is a complete system of therapeutics, co-extensive with the art and science of healing, applicable alike to all curable diseases.

It is equally as good for fevers, influenza, pneumonia, bronchitis, tonsillitis and other acute diseases as it is for rheumatism, nervous prostration, constipation, asthma, headaches and other chronic affections.

The Scissors Test

One—That's the scissors test. It proves that Norwalk Tubes, red and gray, do not rip. It shows that cuts from puncture or blow-out can always be repaired.

Two—That's the Norwalk floating stock* Tube itself. You will say it's the highest quality tube made.

Three—And then you're ready for the Norwalk Casing. You will ask for it after the Norwalk Tube has proved the Norwalk standard. The Norwalk, either cord or non-skid fabric, has a black tread and snow white sidewalls.
