The Womens Missionary Society of the Evangelical church met with Mrs. E. B. Kern yesterday afternoon. The devotionals were led by Mrs. E. B. Kern. Mrs. Fred Lynn had charge of the lesson study taking up the first chapter of "Battalion Of Life." Her sub topics were given to various members the first the "Church's New Day" by Mrs. L. L. Baumgartner 2nd, Mrs. C. E. Hocker read a letter by a wounded soldier who was in the British Hospital. The theme of his letter was the transformation of his life during his stay in the hospital. 3rd "The Battalion" by Mrs. Fred Linn. 4th, "Needs of the Battalion" by Mrs. L. A. Jackson. 5th "Some Achievements given by Medical Missionaries in Burma" by Mrs. W. S. Mills. 6th "The Life of Dr. Catherine Nahi" by Mrs. E. B. Kern. 7th, "Life of Dr. Clara Swain" by Mrs. E. B. Macy. Offering plans were made for the thank offering program which will be held at the church on the last evening of November by the Missionary society.

The W. C. T. U. will meet next Tuesday afternoon with Mrs. Dan Erwin.

The Shakespeare Club had a most interesting and profitable meeting yesterday afternoon at the home of Mrs. John Tyndall. Mrs. A. H. Saunders had the subject "Training The American Woman For Future Citizenship." She had a group of sub topics relating to the Rulings of the city.

These topics dealt with the taxes, the laws of the city and how the various plants were operated. They were all vital questions and should be known by every woman. Mrs. Olive Peterson gave a most interesting report of the Convention of the Confederation of Clubs which was held at Kokomo. The next meeting will be with Mrs. C. J. Drogman and Mrs. Dan Sprange will have the paper "Re-Conquest of the Holy Land."

Mrs. L. S. Thomas returned last evening from the national jubilee convention of the Methodist Women's Foreign Missionary which was held in Boston. She reports a fine time, and that representatives from China, Japan, Africa and other foreign countries attend the conference.

The Research Club will meet with Mrs. Fred Heuer on Monday afternoon.

## FRANCE TRAVELS ROUGH ROAD

Will Be Long Before the Nation Has Recovered From the Effects of the Great War.

The casual observer sees no want in France. There is no shortage in the hotels, the restaurants or the shops. But the masses have little. France made a pretense of fixing prices, but did nothing to make price fixing effective. In England a starvation schedule existed in the best hotels and restaurants during the war. No one was allowed to have much more than his share, regardless of the size of his pocketbook. France even abandoned her meatless days, because there was plenty of meat. There was plenty because no one could afford to buy it.

During the war people struggled ahead, upheld by patriotism and hope. Now there seems no hope and no stimulus. The cost of living has continued to mount. Butter was \$2 a pound in Paris last winter and eggs the same price per dozen. Meat ranged around a dollar a pound, while vegetables were on a similar level. And there has been no increase in income in most cases in any way proportionate to the increase in expenses. The hotel, restaurant and shopkeepers, who now seem to be reaping a golden harvest, lost heavily for four years, and it will be a long time before they are even. Much of France's invested wealth was in Russia; most of her industries lay in the now devastated regions of the North. To the great majority there seems no chance of beating back. Official Returns From All But 4 Counties Shows Wets and Drys Won a

## FIFTY-FIFTY VICTORY

In Ohio—Ratification and Drastic Crabbe Act Defeated—The Majorities

(United Press Service)  
Cleveland, Nov. 7.—(Special to Daily Democrat)—Complete official returns from 84 of the 88 counties today indicated the wets had won two of the four wet and dry issues voted on in Ohio Tuesday.

Ratification of national prohibition by the Ohio legislature was defeated by a majority of 16,600 in the counties reporting. The Crabbe enforcement act has a wet majority of approximately 29,000.

The effort to repeal state prohibition failed in those counties by a dry majority of 30,000 and the effort to legalize 2.75 per cent beer was voted down by 20,000 majority. The count in the four remaining counties may change these figures somewhat, but they cannot change results both wets and drys agreed.

Wets were jubilant. They believed that in knocking out Ohio's ratification of the federal amendment.

Miss Cora Steele, of west of the city, was here today on business.

Dr. Mary Putman Jacobi in 1868 was the first woman admitted to the College of Medicine in Paris.

## IN MISERY FOR YEARS

Mrs. Courtney Tells How She Was Cured By Lydia E. Pinkham's Vegetable Compound.

Oskaloosa, Iowa.—"For years I was simply in misery from a weakness and awful pains—and nothing seemed to do me any good. A friend advised me to take Lydia E. Pinkham's Vegetable Compound. I did so and got relief right away. I can certainly recommend this valuable medicine to other women who suffer, for it has done such good work for me and I know it will help others if they will give it a fair trial."

—Mrs. LIZZIE COURTNEY, 108 8th Ave., West, Oskaloosa, Iowa.

Why will women drag along from day to day, year in and year out, suffering such misery as did Mrs. Courtney, when such letters as this are continually being published? Every woman who suffers from displacements, irregularities, inflammation, ulceration, backache, nervousness, or who is passing through the Change of Life should give this famous root and herb remedy, Lydia E. Pinkham's Vegetable Compound, a trial. For special advice write Lydia E. Pinkham Medicine Co., Lynn, Mass. The result of its long experience is at your service.

## THANKS IS VOICED BY SEYMOUR LADY

Mrs. Woodward Expresses Deep Gratitude for Trutona Following Quick Relief.

Seymour, Ind., Nov. 6.—"Trutona has relieved me of a great deal of suffering and unpleasantness and I feel that I should recommend it to anyone who is suffering as I did." Mrs. Anna Woodward, a well known Seymour woman, residing at 206 Jeff avenue, said recently.

"Mine was a complication of troubles. My liver and kidneys were out of shape and I had indigestion and was bothered with nervousness. For the past three months I have had severe pains in my sides and frequently had severe pains around my heart. I was nervous and couldn't rest well at night. I usually felt so tired and dizzy that I could scarcely do my housework."

"The pains in my back and sides have been greatly relieved by Trutona and the pains around my heart have disappeared now. My appetite has improved wonderfully and I can again enjoy my meals. I'm not nervous anymore, either, and can rest well at night. And I'm not all tired out after doing my housework these days. I must say I certainly feel stronger and better now and I'm glad to recommend Trutona."

That Trutona is a medicine of unusual merit for the treatment of stomach, bowel and liver troubles, nervousness, general debility and the like hundreds, like Woodward, have publicly testified. Trutona's action is prompt and gentle, and free from any harmful or unpleasant effects.

Trutona is now being introduced and explained in Decatur at Smith, Yager & Falk's.—advtd.

## QUICK RELIEF FROM CONSTIPATION

Get Dr. Edwards' Olive Tablets

That is the joyful cry of thousands since Dr. Edwards produced Olive Tablets, the substitute for calomel.

Dr. Edwards, a practicing physician for 17 years and calomel's old-time enemy, discovered the formula for Olive Tablets while treating patients for chronic constipation and torpid livers.

Dr. Edwards' Olive Tablets do not contain calomel, but a healing, soothing vegetable laxative.

No grating is the "keynote" of these little sugar-coated, olive-colored tablets. They cause the bowels and liver to act normally. They never force them to unnatural action.

If you have a "dark brown, morose" bad breath—a dull, tired feeling—sick headache—torpid liver—constipation, you'll find quick, sure and pleasant results from one or two of Dr. Edwards' Olive Tablets at bedtime.

Thousands take them every night just to keep right. Try them. 10c and 25c.

constitutional prohibition may be deferred for at least one year. They argue it will be necessary for another state to ratify national prohibition before the measure can be made effective.

They are delighted with the defeat of the Crabbe act which leaves Ohio without machinery for the enforcement of the state dry act. The Crabbe act was held the most drastic in the country. It made mere possession unlawful and the principal argument raised by the wets centered around the "sanctity of the cellar" which they said could never be stocked with drinkables without danger of going to jail.

## Asserts New Discovery Brings Blessed Relief To Rose and Hay Fever Sufferers

Can Make It Yourself At Home At Trifling Expense

In spite of all the doubters and scoffers, a man in Kentucky, who changed his annoying and distressing hay fever into less than a mild cold, claims most emphatically that if taken in time hay fever can be conquered or at least made so harmless that it is not even bothersome.

He gave his discovery to scores of other sufferers with the most remarkable results and has recently been prevailed upon to dispense it through pharmacists to all hay fever sufferers who still have faith that nature has provided an effective remedy for this common yet miserable disease.

And best of all this remedy costs almost nothing. Get a one ounce bottle of Mentholized-Arcine at any drug store, pour the contents into a pint bottle and fill the pint bottle with water that has been boiled.

Then gargle as directed and twice daily sniff or spray each nostril thoroughly.

That's all there is to it; so simple that a lot of people will say that it can't do the work; but oftentimes simple natural remedies are the best as you will find after using.

If you will make up a pint and use it for a week or ten days you need not be surprised if your unwelcome yearly visitor fails to appear.

## Foreign Symphony Orchestras As Well as American

SOME of the best records are those of the famous American and foreign Symphony Orchestras. They are recorded on different makes of records.

On The Brunswick you can hear them all—without restriction—and hear them at their best.

This is possible with the Ultona, a new all-record reproducer, and the Brunswick Tone Amplifier.

The Ultona presents to each type of record the proper diaphragm and needle—its correct position on the record—and the degree of pressure necessary to play it at its best.

The Brunswick Amplifier banishes metallic sounds, for it is built entirely of moulded wood like a violin.

We shall be glad to play this super Brunswick for you, and to explain the new Brunswick Method of Reproduction. Drop in when shopping.
