Entered at the postoffice in Decatur, Indiana, as second-class matter.

The war is over so far as this country is concerned except in Washington where a few senators, supposed to be big men, are playing peanut politics and delaying matters in every way possible. It will be interesting to hear them explain their position next year when the campaign is on.

The tax law and the highway commission continue to grow more unpopular with each week and hundreds of cases have come up which go to prove that the Indiana law is by no means an improvement on the Ohio law, the old law in this state or

any other one. You will know it positively when you go to pay next year.

The paper shortage is so serious that the Fort Wayne News last evening announced in big type on the front page that it might be necessary to close down for a week. The demand for paper is greater than the supply and the future looks very dark indeed. However, we take pleasure in announcing that the Daily Democrat will continue to serve you as we have a paper supply sufficient to run many months. Subscribe now.

There are many big problems to be faced in Decatur as well as all over the country and the future of this community is up to us. How big are we? You will have the opportunity to know in the next few months. The year 1920 is to be the biggest in a business way this country has ever known. Will Decatur get her share or will we sit still and permit other cities to race past. Put 'er into high. Let's go. Let's do the things that will make us a real people and make this a better place in which to live and prosper and enjoy life.

Keep up your nerve, put the hammer away, get together men and women of Decatur. Smile often and wider and longer. Don't measure problems by how much you will get out of it or how much it is going to cost you as compared to the other fellow. If we can make Decatur a better city you will get back your investment a hundred times over unless you are dead clear up to the neck. If we don't work together now you can make up your minds we never will. You are at the jumping off place where we either bridge difficulties or go forward.

Mr. and Mrs. C. B. Fohl went to Fort Wayne this afternoon. Mr. Fohl is employed there.

About thirty of the girls who work at the overall and shirt factory, and their friends, last evening went to the home of Mr. and Mrs. Fred Hammond last evening and completely surprised them. The occasion was their fifteenth wedding anniversary. The girls took "eats" with them and all enjoyed a picnic supper which consisted of sandwiches, cakes, fruit and other good things to eat. The evening was spent very pleasantly dancing, singing and playing games. All left at a late hour, wishing them many more such happy wedding anniversaries.

Mrs. A. M. Anker, assisted by several ladies of her section, entertained the Presbyterian Aid yesterday afternoon. About thirty-five were present. Their last rummage sale netted them \$65. They made plans to hold a two cent supper the latter part of November, or the first of December. A nominating committee was appointed, consisting of Mrs. Tom Reid, Mrs. C. J. Dregman and Mrs. Charles Teeple. Following the business a pleasant social hour was spent and refreshments were served. Out of town guests were Mrs. Walkup of Ottawa, O., and Mrs. John Fanner of Fort Wayne.

SCHOOL NOTES

Miss Dorothy Dugan Conducted Interesting Chapel Exercises—Nations

WERE REPRESENTED

Next Friday Night Will be a Great One for Basket Ball—Dedicate Gym

Miss Dorothy Dugan, teacher of history in the Decatur high school, conducted an interesting chapel service this morning, in which the various nations played a prominent part. Various students, in costume of the nations they represented, read interesting papers on the reconstruction of those nations. Ford Tinkham represented England; Florine Michael, France; Dora Marie Magley, Belgium; Noel White, Italy, and the entire school, the United States. The national songs were also sung, and the program throughout was a very enjoyable one.

Next Friday, November 21, will be a big night in high school basket ball circles. Exercises, too, will be held dedicatory of the new gym, all of the details of which will be completed for this occasion. The high school band of twenty-two pieces, and the sixteen-member glee club will make their first appearance and the high school will also render several selections. Four-minute speeches will be given by C. E. Spaulding, of the Columbia City schools, former superintendent of the Decatur schools; Hon. C. J. Lutz and other prominent Decatur men. There will be two games of basket ball. The I-B team will play Tocsin, and the I-A team of this city will meet Columbia City. The program, itself, will be well worth the attention of Decatur people, to say nothing of the games. Everybody is cordially invited to come. The exercises begin at 7:15.

According to a schedule made last March the Decatur high school basket ball team was to go to Huntington to play tonight. For some cause, however, the Huntington team did not know of the contract, so there will be no game.

Corns 'Tween Toes? Use Easy "Gets-It"

Any Corn or Callus Comes Off Peacefully, Gloriously, Never Fails.

It is easy for "Gets-It" to reach "hard-to-get-at" corns, and better yet, it is easy to remove them, because "Gets-It" makes them come right off.

Any Corn Pools Off With "Gets-It"

Just like a banana peel. You can try to dig or drag out your corns with a knife, or slice them with a "bloody" razor, or use bandages and tape and wrap in your toe into a package, but that's the "treat-eks-nough" painful foolish way. Use 2 or 3 drops of "Gets-It" twice the powerful, sure, common-sense way that never fails. You reach the corn easily with the little glass rod in the cork of every "Gets-It" bottle. It does not hurt the corn flesh. Use it, and smile! It's as pleasing, never fails. "Gets-It" is the only sure guaranteed, never-fails, corn-remover. Get it at any drug store. M'd by E. Lawrence & Co., Chicago, Ill.

"Mince Pies for Thanksgiving"

M-m-m-yum! You can almost taste them now. Light, flaky crusts that melt in your mouth. What an opportunity for good cooking! Take no chances—use Valier's Enterprise Flour. With it you can be sure of your Thanksgiving baking. Selected hard wheat, rich in gluten, is the only grain used in

Valier's Enterprise Flour.

This year such grain is scarce, and an unusually high premium has to be paid to secure it. We have cheerfully paid this premium that you might continue to enjoy the same super-baking qualities which have always been a distinguishing mark of Valier's Enterprise Flour.

Valier's Enterprise Flour is an all-purpose flour. Its superiority over ordinary brands is marked. Call up your grocer—get a sack today.

Mince pies are best when made in advance, put in a cool place, and then heated as needed.

"Community" is Valier's high grade popular priced flour. It has made hosts of friends.

Foreign Symphony Orchestras As Well as American

SOME of the best records are those of the famous American and foreign Symphony Orchestras. They are recorded on different makes of records.

On The Brunswick you can hear them all—without restriction—and hear them at their best.

This is possible with the Jitona, a new all-record reproducer, and the Brunswick Tone Amplifier.

The Jitona presents to each type of record the proper diaphragm and needle—its correct position on the record—and the degree of pressure necessary to play it at its best.

The Brunswick Amplifier banishes metallic sounds, for it is built entirely of moulded wood like a violin.

We shall be glad to play this super Brunswick for you, and to explain the new Brunswick Method of Reproduction. Drop in when shopping.
