STOMACH UPSET?

Get at the Real Cause—Take Dr. Edwards' Olive Tablets

That's what thousands of stomach sufferers are doing now. Instead of taking tonics, or trying to patch up a poor digestion, they are attacking the real cause of the ailment—clogged liver and disordered bowels.

Dr. Edwards' Olive Tablets arouse the liver in a soothing, healing way. When the liver and bowels are performing their natural functions, away goes indigestion and stomach troubles.

Have you a bad taste, coated tongue, poor appetite, a lazy, don't-care feeling, no ambition or energy, trouble with undigested foods? Take Olive Tablets, the substitute for calomel.

Dr. Edwards' Olive Tablets are a purely vegetable compound mixed with olive oil. You will know them by their olive color. They do the work without griping, cramps or pain.

Take one or two at bedtime for quick relief. Eat what you like. 10c and 25c.

DON'T DISREGARD A COLD

The influenza and pneumonia that swept the country a year ago were preceded by an epidemic of colds. Foley's Honey and Tar will check a cold if taken in time, and will also stop a cough of long standing. It promptly gives relief, soothes and heals. Mrs. Geneva Robinson, 88 N. Swan St., Albany, N. Y., writes: "Foley's Honey and Tar is the best cough medicine I ever used. Two bottles broke a most stubborn lingering cough." It loosens phlegm and mucous, clears air passages, eases hoarseness, stops tickling throat.—Sold Everywhere.
