Miss Leona Bosse gave an interesting report of her trip to Richmond, Ind. at the meeting of the Grand Officers of the Delta Theta Tau. This meeting was held at the Commercial Club last Saturday. They were entertained at dinner at the Arlington Hotel. Miss Bosse is Grand Inspector. Miss Harting served very tempting refreshments.

The Co-Workers' class of the Methodist Sunday school met at the home of Mr. and Mrs. F. V. Mills on Mercer Avenue last evening and a very fine meeting is reported with about twenty-five in attendance. One of the main business features of the meeting was to organize for more efficient work during the coming revival campaign which starts soon at the M. E. church. This class is a class made up of a bunch of good singers with Mr. Wilson Beery as their singing master, and after the business meeting last evening they practiced a number of songs to be sung at the revival meeting when called upon. They have also consented to sing at the Memorial services of the American Legion to be held at the court room, this city, on Washington's birthday. The members report that they were very royally entertained by the host and hostess, Mr. and Mrs. Mills.

Miss Mathilde Berling entertained at a lovely six o'clock dinner last evening in honor of Miss Vera Rhinehardt, of Portland and Miss Agnes Overman, of Covington, Kentucky. Other guests were Misses Glennys Mangold and Margaret Smith.

TROUBLES FROM MY AGE

Mrs. Baney tells how Lydia E. Pinkham's Vegetable Compound Helped Her Through the Change of Middle Life.

Rochester, Ind.—"My troubles were from my age and Lydia E. Pinkham's Vegetable Compound helped me wonderfully. I took doctor's medicine and other patent medicine but the Vegetable Compound has helped my nerves more than anything I have ever taken. I am thankful to the one who recommended it to me and will surely do my part in telling others what the medicine has done for me."
—Mrs. LETTIE BANAY, 468 East 9th St., Rochester, Indiana.

Such warning symptoms as sense of suffocation, hot flashes, headaches, backaches, dizziness, sounds in the ears, palpitation of the heart, sparks before the eyes, irregularities, constipation, variable appetite, weakness and dizziness should be heeded by middle-aged women and let Lydia E. Pinkham's Vegetable Compound carry them safely through this crisis as it did Mrs. Baney.

QUICK RELIEF FROM CONSTIPATION

Get Dr. Edwards' Olive Tablets

That is the joyful cry of thousands since Dr. Edwards produced Olive Tablets, the substitute for calomel.

Dr. Edwards, a practicing physician for 17 years and calomel's old-time enemy, discovered the formula for Olive Tablets while treating patients for chronic constipation and torpid livers.

Dr. Edwards' Olive Tablets do not contain calomel, but a healing, soothing vegetable laxative.

No griping is the "keynote" of these little sugar-coated, olive-colored tablets. They cause the bowels and liver to act normally. They never force them to unnatural action.

If you have a "dark brown moria"—bad breath—a dull, tired feeling—sick headache—torpid liver—constipation, you'll find quick, sure and pleasant results from one or two of Dr. Edwards' Olive Tablets at bedtime.

Thousands take them every night just to keep right. Try them. 10c and 25c.

by Miss Germaine Coffee. Miss Veronica Niblick assisted the hostess in serving a delicious lunch. There will be no more meetings until after Lent.

The men of the Rebekah lodge sprung a surprise on the lady members of the lodge last evening in the form of a joyster supper. They prepared the repast while the lodge was in session and just as lodge was over they announced that they were wanted in the dining room. The guests were seated at the small tables and were served by the gentlemen. They are "real" cooks and deserve a great deal of credit for their entertainment. A delightful time was enjoyed by all present.

Twenty of the high school friends of Miss Veronica Anker went to her home last night and completely surprised her, the occasion being her sixteenth birthday. The evening was spent in dancing and playing games. A beautiful birthday cake was a feature of the delicious lunch served by Mrs. Anker.

The New club which was recently organized by the Royal Neighbors will meet Thursday night following lodge. Mesdames Eady, Bell and Biggs will be hostesses.

Charles Johnson and family were guests at a chicken dinner today at the home of Mr. and Mrs. G. W. Ruckman on North Second street. All enjoyed the day very much.

THE FARMER'S OPPORTUNITY.

Description of the method of borrowing money on farms on the government plan through the First Joint Stock Land Bank of Fort Wayne, Ind.

The idea is to loan money on farms for longer periods than is the existing practice now, as authorized under the Federal Farm Loan Act, effective July, 1916.

This law makes it possible for the farmers to make money by borrowing money. It is the intention to place money within the reach of the farmer on such terms as to convert the farm mortgage into a source of profit.

The money may be loaned you to buy land for agricultural purposes, to purchase equipment, such as teams, machinery, live stock, to provide beneficial improvements, structure, tilting, drainage, fencing, buildings, etc. The money is loaned on the "amortization plan" which means the paying off of the indebtedness by installments of a fixed amount, throughout a period of years.

As an example—On a loan of \$1,000, payment would be \$70 a year, which payment applies upon interest and principal, paying off loan in 33 years.

Upon a Ten Thousand Dollar loan, the payment each year would be \$700. Borrower may pay off part or all of loan after five years.

Loans made up to one-half of the value of the land and 20 per cent of the insurable value of the improvement.

NO COMMISSION—LOANS MADE TO BORROWER AT COST.

No restrictions are placed on the use of the money you borrow and your affairs are not subject to the scrutiny of others.

You are not worried about a renewal, not the trouble and expense of one. You have no uncertainty about interest rates. You have liberal prepayment privileges after five years. You do not tie up yourself or your land.

Every payment you make reduces your principle as well as the interest, so that at the expiration of the loan the entire debt has been discharged.

Such an opportunity as this should give courage to an enterprising farmer to buy more land, to improve his farm and live stock and have the use and profits therefrom.

Crystal Theater

TOMORROW NIGHT

Big Bill Heart comes to this theater tomorrow night in his latest Paramount-Artcraft production, "The Money Corral," written by himself, which means it is a made-to-order picture and built around his personality. Bill has two of the prettiest girls in films playing opposite him: Jane Novak and Rhea Mitchell. But he was embarrassed to death with two girls like that around him. But he wasn't half as embarrassed as the gang of rowdies that tried to put something over on him. First they tried to beat him up. Some chance, and then they tried to frame him and did not succeed in this. It's a lot of fun, this picture. Do come.

Washing Machine

When the unexpected invitation tempts you on a "wash day morning," you'll think of the days before you owned a "Thor," when washing was an all-day task, that left you fagged—Then you'll say if you own a "Thor"—"Yes, I can go!" You needn't omit the washing, at all—just let it "do itself" while you're packing and dressing. And the little handling that is necessary to get it on the line to dry.

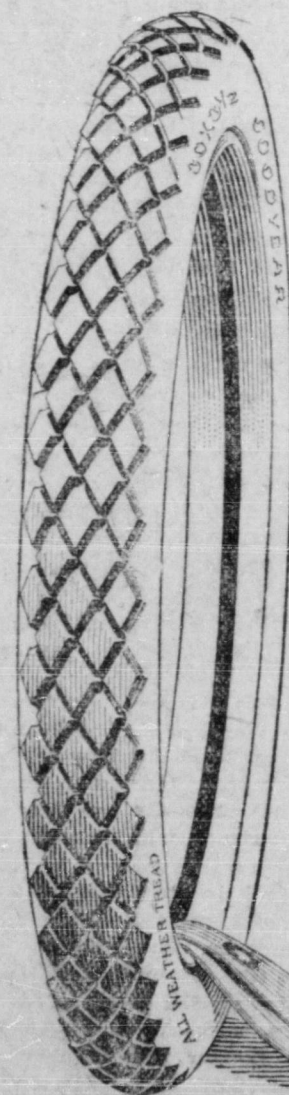

A Thor is a "Friend-in-need."

Of course you'll want a Thor. Ask to see one. Yes, We Have Others and We're Glad to Demonstrate Them.

Big Value in Tires for Small Cars

Back of the manufacture of Goodyear Tires for small cars is the same purpose to supply high value in the product that is behind the manufacture of the Goodyear Tires that equip the most expensive automobiles built.

This purpose is expressed by the enormous resources, extraordinary skill and scrupulous care applied to the manufacture of Goodyear Tires in the largest tire factory in the world devoted solely to the 30x3, 30x3 1/2, and 31x4-inch sizes.

The effect of this endeavor is noted in the fact that last year more cars using these sizes were factory-equipped with Goodyear Tires than with any other kind.

It is also noted in the fact that, if you own a Ford, Chevrolet, Dort, Maxwell or other car requiring the sizes mentioned, you can secure Goodyear Tires and Goodyear Heavy Tourist Tubes at the nearest Goodyear Service Station.

30x 3 1/2 Goodyear Double-Cure Fabric, All-Weather Tread..... \$20.00

30x 3 1/2 Goodyear Single-Cure Fabric, Anti-Skid Tread..... \$17.65

Goodyear Heavy Tourist Tubes are thick, strong tubes that reinforce casings properly. Why risk a good casing with a cheap tube? Goodyear Heavy Tourist Tubes cost little more than tubes of less merit. 30x3 1/2 size in water- \$3.90 proof bag.
