WHAT'S IN A NAME?

The doctor said, as he bent over the patient, "I don't quite like your heart action." Then, as he again applied the stethoscope, he added:

"You have, I take it, had some trouble with angina pectoris?"

"Well, doc," said the young man, rather sheepishly, "you're partly right; only that ain't her name."—The Black Watch.

John Hay said, "There will always be 34 per cent. of the Senate on the blackguard side of every question that comes before them."

The Tri Kappa Sorority of which Decatur has a chapter, celebrated its twentieth anniversary recently, and yesterday's Indianapolis Sunday star has the following to say of the organization which will be of interest to the local sorority members and the people in general:

"Tri Kappa, which has just celebrated its twentieth anniversary with a series of symbolic parties and pageants, is exclusively a Hoosier sorority. It was organized in February, 1901, at Girls' Classical School residence in Indianapolis by a small group of students who conceived the idea of forming an organization that would be more binding than a club. The following spring chapters were installed in the home towns of the girls, the first one being installed at Bloomington, Ind., by Mrs. J. E. P. Holland (Miss Beryl Showers), now a life member of grand council, and Miss Bertha Matthews Showers. Miss Mary Gallahan of Peru is grand president of the sorority; Mrs. Anne Schackelford Stephens of Anderson, grand vice president; Mrs. C. R. Quick is president of the Indianapolis chapter and Mrs. J. Fred Holland is treasurer of the chapter.

There are sixty-three chapters in the state, averaging forty members each. Indianapolis boasts the only alumnae association, with an enrollment of thirty-one active members. The patronesses are Mrs. James P. Goodrich, Mrs. Samuel M. Ralston and Mrs. Sarah Mull. The official emblem and pin is the gold skull and cross keys, the skull set with red and green eyes. They have an official publication, Cross Keys, issued quarterly, of which Mrs. Georgia Wyatt Moore of Rushville is editor in chief. Tri Kappa has been active in charitable and civic work, especially during the child welfare campaign when chapters took charge of the work of weighing and measuring babies all over the state.

They were enthusiastic workers during the war campaigns and Red Cross activities, the Indianapolis chapter donating supplies for the boys in camp who were ill during the "flu" epidemic, sending money to Armenia for two years, and aiding various charities. Local leagues are active in suffrage work. Fifteen units have furnished and endowed rooms in local hospitals. Clinton has inaugurated, in co-operation with the Junior Red Cross, a nurse in the public schools; Rochester has lent a helping hand to the county nurse and is planning to purchase a car for her use.

Two chapters, Indiana Harbor and East Chicago, have established a milk and egg fund, making monthly donations. Kokomo is planning to establish a day nursery; and the New Harmony chapter has given \$2,000 for the restoration of historical property in its city. The work is wide in scope, dealing principally with needy children. Various chapters have provided medical attention for children who could not otherwise afford it. The Goshen chapter during the epidemics of the last two years, established soup stations for the sufferers. Tri Kappa established a scholarship fund several years ago and is sending five young women to college, the only condition being that the recipient attend an Indiana

school. The total of the sums given by the chapters to war work is \$18,000. Every chapter has some definite line of work in which it is interested, in addition to the state work. The convention of last year, held at the Claypool hotel, attended by 700 members from over the state, was the largest in the history of the sorority."

The men's class of the Christian church will meet on Thursday evening with Roy Miller on North Fifth street. All members are urged to be present.

The March section of the Ladies' Aid of the Evangelical church will give a two-cent supper Saturday evening at the church parlors. Supper will be served from five to seven and a good menu which will be announced later will be served.

The Sunday school class taught by Mrs. E. B. Kern, of the Evangelical church, had a very delightful evening at the home of Mrs. Robert Garard on last Friday evening. About a dozen of the members were present and a good meeting is reported. Mrs. Garard served dainty refreshments.

The regular meeting of the Shakespeare club will be held Wednesday afternoon at the home of Mrs. John Tyndall. All members are requested to be present.

CARD OF THANKS

We take this acceptable method of expressing our sincere appreciation for the many kindnesses extended to our husband and father, John Patterson, during his illness and to us during that period, and also after his death by neighbors and friends, and especially do we extend our thanks to the minister in charge of the funeral, the funeral directors and to all others who extended a helping hand in our time of bereavement.

John Patterson died at his home near Geneva, Indiana, Thursday, Mar. 11, 1920, and was laid to rest in the cemetery at Columbus, Indiana, Saturday afternoon at 2 o'clock.

BAD BREATH

Dr. Edwards' Olive Tablets Get at the Cause and Remove It

Dr. Edwards' Olive Tablets, the substitute for calomel, act gently on the bowels and positively do the work. People afflicted with bad breath find quick relief through Dr. Edwards' Olive Tablets. The pleasant, sugar-coated tablets are taken for bad breath by all who know them.

Dr. Edwards' Olive Tablets act gently but firmly on the bowels and liver, stimulating them to natural action, clearing the blood and gently purifying the entire system. They do that which dangerous calomel does without any of the bad after effects.

All the benefits of nasty, sickening, griping cathartics are derived from Dr. Edwards' Olive Tablets without griping, pain or any disagreeable effects. Dr. F. M. Edwards discovered the formula after seventeen years of practice, among patients afflicted with bowel and liver complaint, with the attendant bad breath.

Olive Tablets are purely a vegetable compound mixed with olive oil; you will know them by their olive color. Take one or two every night for a week and note the effect. 10c and 25c.

Be Your Auto's Doctor!

Lee Hardware Company Will Furnish the Tools

You would not think of calling a Doctor every time you skin your nuckle or catch a little cold. Then why run to a repairshop with your car every time a spark plug goes wrong, a grease cup needs filling, or an inner tube needs patching? You can do this "tinkering" yourself during spare time and enjoy the work as well as enjoy the saving of big repair bills and the big profit made by the average garage or repair shop on supplies and repair materials. Buy your tools and supplies from the Lee Hardware Co. and Do Your Own Work.
