

John McKee, he comes to see my sister Nell quite frequently. And then these two begin to brew some Golden Sun—immediately.

PURE COFFEE
Carefully selected and skillfully blended is the kind reliable roasters put out and reliable grocers sell. Mail order houses and peddlers sell cheap coffee and depend on premiums or price to secure your trade.

"The Haunted Bed-Room"

What do you think of the title? Great, isn't it? Great picture, too.

Remember when you used to be thrilled by hearing ghost stories and couldn't sleep at night and 'd be afraid of the goblins that'd git you, if you didn't watch out?

I'll send delightful little shivers up your back, and make your spine tingle.

And then—all of a sudden—you'll laugh!

*Wallpaper Magic—
New Rooms for old!*

—And with spring making its bow one's thoughts turn to brightening up the home after the long winter.

Monday
Woman's Club—Masonic Hall.

The Woman's Foreign Missionary society of the M. E. church will meet at the home of Mrs. Joe Hunter, 108 North Eleventh street on Friday evening.

The meeting of the Woman's club will meet on Monday evening. Mrs. O. N. Pittinger, vice president of the State Federation of Woman's clubs, was to have spoken at the meeting, but is detained at home by quarantine for scarlet fever, but another speaker has been secured. Other interesting numbers have been secured, and the program will be quite interesting.

The members of the Reformed C. E. society will meet Thursday evening with Miss Ruth Mayer on North Second street. Please be there.

The Women's Foreign Missionary society if the Methodist church will meet Friday afternoon at the home of Mrs. Joe Hunter on Eleventh street. All members are requested to be present.

The regular meeting of the Christian Ladies Missionary society will meet Friday afternoon at the home of Mrs. Bert Mangold. All members please be present.

The Zion Lutheran Ladies' Aid society will meet Friday afternoon at the school house. All members are urged to be present.

The regular meeting of the Research club was held yesterday afternoon at the home of Mrs. Dan Sprang. Miss Gellie Blackburn had the paper on "Romantic Ireland," which proved most interesting the sub-topic and current being on Ireland, Irish songs and a map study. The club will meet gain next Monday at the home of Mrs. R. D. Myers.

Raise Big Sum for Baptists

(Continued From Page One)

inent business and professional men of the churches. Mr. Dulmage, secretary of the Baptist headquarters, said, and will include a large number of speakers who have had wide experience in Liberty Loan, Y. M. C. A. and Red Cross drives during the war. What is particularly significant is that fully one-third of the speakers will be women.

Mr. C. E. Bell of this city is chairman for the Salamonia Baptist association, which takes in the cities and towns of Bluffton, Muncie, New Castle, Montpelier, Hartford City, Warren, Liberty Center, Decatur and Pleasant Mills. Each of these churches will have its own organization. The Decatur church will raise the sum of \$6,500.

THE WOMAN'S CLUB

Mrs. O. N. Pittinger of Indianapolis, vice president of state federation of clubs, who was to speak to Woman's club next Monday night, is quarantined for scarlet fever, but another speaker has been secured. The high school girls glee club of fifty voices under the direction of Miss Vachon will furnish the music. A good program is promised. Club members may bring guests for the program at eight o'clock. Club meeting at 7:40.

SOME PARADE

(United Press Service)
New York, March 17.—(Special to Daily Democrat)—Twenty-five thousand men and women were to march today in the biggest St. Patrick's day parade ever held in New York.

THEY JUST CAN'T RESIST

New York, March 17.—(Special to Daily Democrat)—The Liberty restaurant was doing a land office business. John Barney and John B. Lessa, proprietors, now face a charge of operating a moonshine still.

New York, March 17.—(Special to Daily Democrat)—In putting out a small fire in the old Sheepshead Bay hotel, firemen discovered three stills and 50 barrels of whiskey. Revenue agents did the rest.

FERTILIZERS FOR
YOUR GARDEN

Points to Remember in Buying and Using the Commercial Kind.

Manure is scarce in and around cities. Commercial fertilizers must be depended upon primarily for adding fertility to garden soils. It pays to use the best grade of commercial fertilizers. When the home gardener buys fertilizers he pays for nitrogen, phosphoric acid and potash, and if he can secure the required amount of these elements in a small quantity of material so much the better, as he will avoid the handling of a greater weight upon which freight and other costs have been paid. A fertilizer containing from 4 to 6 per cent. of nitrogen, 8 to 10 per cent. of available phosphoric acid, and 3 or 4 per cent. potash is generally recommended for use on home gardens by specialists of the United States Department of Agriculture.

One pound to 20 feet of row is equivalent to an application of 500 pounds to the acre. One pound to 15 feet of row is equivalent to an application of 1,000 pounds to the acre, and an application of 1 pound to 8 feet of row is practically equivalent to 2,000 pounds of fertilizer to the acre.

Commercial fertilizers are high at present and no more than is absolutely necessary should be used. Care must also be taken in their application, as there is constant danger of burning the roots of the plants, especially where the fertilizers are applied directly in the rows. The best results are generally secured where the fertilizers are applied and raked in a few days before sowing the seeds or setting the plants. In this way they become more or less mixed with the soil and there will be little danger of doing the plants an injury.

In many sections of the country nitrate of soda is used as a stimulant to force the growth of the plants after they are started. Nitrate of soda is a concentrated fertilizer furnishing nitrogen, that element which makes the green and vigorous growth in plants, and should be used sparingly to avoid injury. The usual custom is to scatter a little (1 lb. to 100 ft.), nitrate of soda along the rows of plants and mix it with the soil by means of a hoe or rake. Another method is to dissolve a tablespoonful of the nitrate of soda in a pailful of water and use this solution for watering the plants, taking care that only a small quantity of the water is applied around each plant. It is vastly better to make frequent light applications of the nitrate rather than to apply too much at one time.

Decatur Annexes Land to Decatur

(Continued From Page One)

was signed by the three members, H. F. Linn, J. M. Miller and L. C. Helm and was approved by the unanimous vote of the council. The ordinance passed by the council provided that the land would be considered a part of Decatur after two weeks' publication in a daily newspaper published in the city of Decatur. Clerk Christen will insert the notice in the Daily Democrat this week.

Unless objections are filed against the annexation and the case is carried to court the properties will be placed on the city tax duplicate January 1, 1921 and the property owners will pay the city tax rate in May, 1921.

NOTICE, RED MEN

Every Red Man wanted at the hall Thursday evening at 7:30, sharp. Come.

By order of

Don't Worry—You Can Stop the Flu!

EVEN if you have the aches and sniffles that may be the first sign of Flu, you can stop it quickly. Just a few of the remarkably good

LIGHTNING LAXATIVE QUININE TABLETS

Will Not Grip or Sicken
will rid your system of all signs of cold—and make you feel fine again. These tablets work in 24 hours—they are safe—they are easy to take—they have pleased thousands of particular people. Ask your druggist or dealer for Lightning Laxative Quinine Tablets. They cost only 25 cents.

RED CROSS COMMENDS Y. W. C. A.

Lieut. Col. Kenneth Mygatt, American Red Cross Commissioner for France, has sent the following letter to American Red Cross "The hearty congratulations of this organization for the splendid things you have accomplished in France. We have always felt your most hearty co-operation here, and I wish to express to you our appreciation of this and of your work for American women in the war.

Very sincerely,
KENNETH MYGATT, Lt.-Col., A.R.C.
Commissioner for France."

BETTER THAN CALOMEL

Thousands Have Discovered
Dr. Edwards' Olive Tablets
Are a Harmless Substitute

Dr. Edwards' Olive Tablets are the result of Dr. Edwards' determination not to treat liver and bowel complaints with calomel. For 17 years he used these tablets (a vegetable compound mixed with olive oil) in his private practice with great success.

They do all the good that calomel does but have no bad after effects. No pains, no griping, no injury to the gums or danger from acid foods—yet they stimulate the liver and bowels. Take Dr. Edwards' Olive Tablets when you feel "loggy" and "heavy." Note how they clear clouded brain and perk up the spirits. 10c and 25c a box.
