

CALUMET

Has Raised a New Standard for Baking Powder

Because it is made in the most careful and scientific manner from absolutely pure materials that remain pure in the baking and insure wholesome, healthful foods.

Because it possesses the greatest leavening power.

Because it is not affected by time or weather—it never loses its strength and never fails.

Because it is most economical—you save when you buy it and you save when you use it.

These are the reasons why Calumet is the standard baking powder—the choice of millions—more being sold than of any other brand.

Try it—always buy it. Your grocer can supply you.

Calumet contains only such ingredients as have been approved officially by the U. S. Food Authorities.

STORM HITS ARKANSAS

(United Press Service)

Little Rock, Ark., April 19.—(Special to Daily Democrat)—Two persons were known dead, several were reported killed and many injured high winds which swept several counties in Arkansas last night, according to meagre reports reaching here today.

Telephone and telegraph wires in the storm swept area were down today. The town of Belleville was reported severely damaged and several were reported dead or injured. However, there was no confirmation.

SUIT WITH FLARING COAT

Every woman ought to be able to find a becoming suit this spring because there is no great variety in accepted styles. Skirts appear to be more or less plain and straight hanging, but there is no similarity in coats. Many of them fit quite snugly above the waist line and flare below it, others follow the box coat model, hanging in straight lines from neck to hem, and still others flare from the shoulders down, like the sprightly model pictured.

Small buttons and narrow silk braid, applied with beautiful accuracy, provide its decoration.

A wedding takes place every 13 seconds in New York City.

A coward is a fellow who when he gets scared acts like the rest of us would if we dared.

DID YOU EVER?

Did you ever get
Clear down in the dumps,
And think you were
THE original Hard Luck Kid?
Fears though you had
ONE foot in the grave,
And the other on
A banana peel?
That your Banker
WAS next to you,
AND the Grocer was
WONDERING why you
ATE so much?
Business was on the BUM
The weather was rotten
Until you were about ready
To spend one thin dime
For a CARBOLIC ACID high ball,
AND then in comes a bird

And buys a fine large bill
HE slaps you on the back
AND tells you
You've got the best store
IN all Ottawa County.
And the next day

The SUN comes out.
DON'T it make the
WORLD look better?
OH, BOY!
THE Money's here
But it won't fall

IN YOUR LAP,
YOU got to reach for it.
SO, Atta Boy,
ADVERTISE,
IT'S DEAD EASY!
