ABOUT TOWN

One quart of wood alcohol and a porter were missing from St. Mark's hospital in Cleveland today. Next reports of the porter were expected from the undertaker.

L. D. Zeigler of Tulsa, Okla., well shooter is in a hospital here thankful for only a broken leg. A truck load of nitroglycerin, driven by Zeigler fell off a bridge near here and hung suspended for two hours.

Add another embarrassing moments. A young lady of Springfield, Ill., wearing a hobble skirt tried to board a street car with a high step. The skirt split—lengthwise—and the young lady fled into a nearby drug store for "safety" pins.

Twenty-one different articles including a roll of wire, stones, nails and roofing tacks were found in the stomach of a valuable dairy cow at Newcastle, Ind., which died without apparent illness.

Mrs. C. R. Hammell has gone to West Milton, Ohio, for a visit with her daughter, Mrs. H. L. Koontz and family.

B. F. Beery of Decatur route two was a business visitor in the city today.

John Stinson of Sikeston, Mo., is in the city looking after matters pertaining to the Northern Indiana Fair. Mr. Stinson assures the people that the Northern Indiana fair is to be the biggest and best fair in Indiana this year. Remember the week, August 10 to 13th, inclusive. Old Home Week will be given in connection.

Mrs. Lydia Kline, who died in Fort Wayne this week, was a sister of Geo. Chronister of this city and Mrs. D. C. Myers of Pleasant Mills, instead of a sister of Mrs. Chronister and Mrs. Mills, as published in this paper. Ed. and Charles Chronister are also brothers.

Newly Elected State Officers of the Eastern Star Were Installed
AT INDIANAPOLIS
A Number of Decatur Women Attended Session—
Mrs. Ackerly Matron

Mrs. G. T. Burk, Mrs. C. C. Pumphrey, Mrs. Annen, Mrs. John S. Peterson and Mrs. Gordon attended the state meeting of the order of Eastern Stars in Indianapolis this week and took part in the election of the officers who were installed yesterday. The Indianapolis News has the following to say of the closing of the session:

"Officers of the Indiana Chapter, Order of Eastern Star, elected at the Wednesday afternoon session of the state meeting at the Masonic Temple were installed Thursday and appointive officers were announced. The officers elected follow: Mrs. Jennie H. Ackerly, Frankfort, grand matron; Will H. Arnett, Kokomo, grand patron; Mrs. Mary Vitou, South Bend, associate grand matron; James R. Brown, Sullivan, associate grand patron; Mrs. Nettie Ransford, Indianapolis, grand secretary; Mrs. Manie Conrad, Warsaw, grand treasurer; Mrs. Edie Harrison, Clinton, grand conductress; Mrs. May E. Reeves, Princeton, associate grand conductress.

Appointive officers were announced as follows: Grand chaplain, Arthur Cole, Elkhart; grand Adah, Myrtle Staley, Tipton; grand Ruth, Gwendolyn Murphy, Connersville; grand Esther, Mrs. Kennedy, Liberty; grand Martha, Jeanie Rowell, Jacksonville; grand Electa, Grace Shaffer, Delphi; grand warden, Ruth Thompson, Hammond, and grand sentinel, Florence H. Carr, Indianapolis.

Mrs. Ransford is entering on her twenty-seventh year as grand secretary. She served the order, in various capacities, for forty-eight years.

1,500 Attend Reception.

Thursday's sessions were devoted to routine business. More than 1,500 persons attended the reception last night in the social rooms. The drill team of Raper Commandery, Knights of Pythias, acted as escorts to the guests from other jurisdictions.

Committee appointments have been announced as follows: Appeals and grievances, Thomas J. Cook, Charles Jones and Ethel Cooper; correspondence, Georgia Bardsley; credentials, Nettie Ransford, Edgar Dawson and Ella Levin; jurisprudence, Benjamin F. Tolle, Martha Zoercher, Blanche Regent, Henry W. Mock and Ann Robinson; pay roll, Arthur Fisher, Caroline Kloppen and Grace Shaffer; unfinished business, Ella Smyser, Florence Strout and Blanche Bassett; necrology, Louis Decker.

Several new members were taken in and other business of importance was transacted. Every member present had glowing reports of the growing sentiment favorable to the organization in the different parts of Monroe township. President Schrock and County Agent Gray gave very encouraging talks and felicitated the town organization on its work.

Monroe township is rapidly taking the lead in membership in Adams county and it was decided to make its organization a pattern for other townships to follow. Consequently six teams of three members each were appointed to canvass the non-member farmers today and enroll every one possible, thereby greatly increasing the membership.

Fred Busche of Washington township gave a short talk congratulating Monroe township on its activity in farmers' affairs and predicted great things for agriculture in the future.

He also urged all boys and girls between the ages of eight and eighteen to become members of the Duroc Pig club.—Berne Witness.

Ruddy Cheeks—Sparkling Eyes
—Most Women Can Have

Says Dr. Edwards, a Well-Known
Ohio Physician

Dr. F. M. Edwards for 17 years treated scores of women for liver and bowel ailments. During these years he gave to his patients a prescription made of a few well-known vegetable ingredients mixed with olive oil, naming them Dr. Edwards' Olive Tablets. You will know them by their olive color.

These tablets are wonder-workers on the liver and bowels, which cause a normal action, carrying off the waste and poisonous matter in one's system.

If you have a pale face, sallow look, dull eyes, pimples, coated tongue, headaches, a listless, no-good feeling, all out of sorts, inactive bowels, you take one of Dr. Edwards' Olive Tablets nightly for a time and note the pleasing results.

Thousands of women and men take Dr. Edwards' Olive Tablets—the successful substitute for calomel—now and then just to keep them fit. 10c and 25c.

TWO WEEKS LONGER

Ossining, N. Y., April 30.—(Special to Daily Democrat)—Four men who were to have been electrocuted last night for the murder of ticket agent, were granted a two weeks reprieve by Governor Smith shortly before they were to enter the electric chair.

The reprieve was granted on recommendation of Supreme Court Justice Mitchell, who presided at the trial following a confession made by Joseph Milano, one of the quartet, in which he assumed full responsibility for the crime.

The confession made by Milano will be used in an application for a new trial for the other three men.

Quick Relief from Housing Shortage

WE ARE PREPARED TO TAKE CARE OF YOUR IMMEDIATE BUILDING NEEDS—IF YOU DECIDE TO BUILD NOW!

It is a well-known fact that present stocks of building material are the highest in history. Not much relief of the shortage in the open timber market is in sight. There are four buyers to every single stick of lumber available. If lumber operations in the forests were increased three times greater than the present production it would hardly supply the market this year; but we anticipated this situation long ago so that our yards are amply able to supply your present needs.

Hundreds must be housed here in Decatur before fall if possible. Available houses are already snapped up. Quick action is imperative. For those who would build quick action is necessary. We will help you solve your building difficulties. We offer quick relief. Come and see us.
