DEMOCRAT WANT ADS PAY BIG!

SHE FEELS FINE NOW

Aches and pains often indicate kidneys out of order. Your kidneys surely need help—and quickly when your hands or feet are swollen and you feel dull and sluggish, lose your appetite and your energy and there is a puffy look under the eyes. Mrs. L. Gibson, 12th and Edison St., La Junta, Colo., writes: "My kidneys were giving me a great deal of trouble for sometime. I took Foley Kidney Pills and they helped me right away. I feel fine now." Sold everywhere.

"Code of the Yukon"
Another of the Select productions in six big reels featuring Mitchell Lewis.

"Code of the Yukon" is a wonderful picture telling a fascinating tale of the life of a Canuck in the great Northwest. A man big enough to take back his wife after she, for no other reason in the world but that she wanted the tinsel of life, has run away with her husband's enemy. Heartaches and misery followed by joy and understanding.

THE G. E. NEWS

Band at Ft. Wayne Works Arranging for Summer Noon-day Concerts

AT BROADWAY PLANT
Annual Picnic Will be Held at Swinney Park, Fort Wayne, June 19th

Starting on June 2nd the General Electric band, which has been increased to sixty pieces, will start the noon concerts for the employees and their families in McCulloch park, opposite the Broadway plant in Fort Wayne. These concerts will continue on Wednesday until June 16, and from June 24 every Thursday during the summer. The band is known as one of the best organized in the state. It is surely a sight good to be seen and heard, where thousands of the employees of the G. E. company gather together on the park lawn, taking their lunches and enjoying the concerts.

Great preparations are also being made at the works for the General Electric employees' annual picnic to be held at Swinney park, Fort Wayne, Saturday, June 19th. The following is a list of the events to be given on that day:

Fifty-yard dash, boys under twelve years.
One hundred-yard, three-legged race, two men each.
One hundred-yard dash, for men.
Fifty-yard hoop rolling, for ladies.
Five-eighths mile relay, five-man team.
Obstacle race, for men.
Standing broad jump.
Running broad jump.
High jump.
Pole vault.
Two hundred twenty-yard dash, for men.
Fifty-yard wash, for girls under twelve years.

Wheelbarrow race, Quarter Century club.
Ball throwing, for ladies.
Three-fourths mile running, for men.
Hose laying contest, fire department.
Tug-of-war, fire department.
Water battle, fire department.
This affair has been formerly conducted under the auspices of the E. T. C. club, but has grown to such proportions that it was decided to call all of the works' clubs and associations together and all do their share. An estimated attendance of 29,000 people is very low as the attendance in 1919 was 28,000.

The residents of Decatur and vicinity are cordially invited to attend this picnic.
McCONNELLS HAVE SON
A fine boy baby was born yesterday to Mr. and Mrs. Joe McConnell of Walnut street. The father is county recorder and wears a smile that won't come off. Granddad Frank McConnell is giving everybody he meets one of his finest smokes. The mother and babe are getting along nicely.

Don't let children suffer from croup or whooping cough when this reliable remedy can be so easily procured. Sold everywhere.
